

# SENATE . . . . . No. 2586

---

Senate, November 22, 2021 -- Text of the Senate amendment (Senator DiDomenico) to the House Bill authorizing the city of Cambridge to use certain land for general municipal purposes and the installation of subsurface geothermal wells (House, No. 3996).

---

## The Commonwealth of Massachusetts

\_\_\_\_\_  
In the One Hundred and Ninety-Second General Court  
(2021-2022)  
\_\_\_\_\_

1           SECTION 1. The city of Cambridge may use for general municipal purposes, including,  
2 but not limited to, school purposes and for all purposes incidental thereto, a portion of an area of  
3 land owned by the city at the Father Callanan playground and fields located at Concord avenue  
4 near Alpine street in the city of Cambridge currently used for park, playground or recreational  
5 purposes. The land is more particularly described in a document recorded with the Middlesex  
6 South registry of deeds in book 5077, page 265 and a portion of the land is shown as “Open  
7 Space Area (Article 97)” on a plan entitled “Open Space Article 97 Plan Tobin Montessori and  
8 Vassal Lane Upper School Cambridge, MA” prepared by Nitsch Engineering on May 5, 2021,  
9 which is on file with the city. The portion of the land that the city may use for general municipal  
10 purposes, including, but not limited to, school purposes and for all purposes incidental thereto,  
11 consists of 10,640 square feet, more or less, shown as “A97 Open Space to be Relocated” in grey  
12 on “Attachment B” to the March 29, 2021 letter from the city manager of the city of Cambridge  
13 to the city council, which is on file with the city.

14           SECTION 2. The city of Cambridge may use for installation and maintenance of  
15 subsurface geothermal wells a portion of the land described in a document recorded with the

16 Middlesex South registry of deeds in book 5077, page 265 and shown as “Open Space Area  
17 (Article 97)” on a plan entitled “Open Space Article 97 Plan Tobin Montessori and Vassal Lane  
18 Upper School Cambridge, MA” prepared by Nitsch Engineering on May 5, 2021, which is on  
19 file with the city. The portion of the land that the city may use for the installation and  
20 maintenance of subsurface geothermal wells is shown as “Geothermal Wells (6’ Below Grade)”  
21 and shaded green on “Attachment C” to the March 29, 2021 letter from the city manager of the  
22 city of Cambridge to the city council, which is on file with the city. The surface above the  
23 geothermal wells shall be restored and continue to be used for park, playground or recreational  
24 purposes.

25 SECTION 3. As a condition of allowing the land described in section 1 to be used for  
26 general municipal purposes as set forth in said section 1, the city of Cambridge shall designate  
27 for park, playground or recreational purposes an area of land consisting of 14,800 square feet,  
28 more or less, currently utilized for general municipal purposes and shown in blue on  
29 “Attachment B” to the March 29, 2021 letter from the city manager of the city of Cambridge to  
30 the city council, which is on file with the city.

31 SECTION 4. This act shall take effect upon its acceptance by a majority vote of the city  
32 council of the city of Cambridge.
