**In the One Hundred and Ninety-Second General Court  
(2021-2022)**

An Act to increase access to lactation care and services.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 11A of chapter 13 of the General Laws, as appearing in the 2016  
2 Official Edition, is hereby amended by striking out the first paragraph and inserting in place  
3 thereof the following paragraph:-

4 There shall be a board of allied health professions, hereinafter called the board, which  
5 shall consist of 12 members to be appointed by the governor. Members of the board shall be  
6 residents of the commonwealth and citizens of the United States. Three of such members shall be  
7 athletic trainers licensed in accordance with section 23B of chapter 112; 2 of such members shall  
8 be occupational therapists licensed in accordance with said section 23B; 1 such member shall be  
9 an occupational therapy assistant licensed in accordance with said section 23B; 2 of such  
10 members shall be physical therapists licensed in accordance with said section 23B; 1 such  
11 member shall be a physical therapist assistant licensed in accordance with said section 23B; 1  
12 such member shall be a lactation care provider licensed in accordance with said section 23B; 1

13 such member shall be a physician licensed in accordance with section 2 of chapter 112; and 1  
14 such member shall be selected from and shall represent the general public.

15 SECTION 2. Section 23A of chapter 112 of the General Laws, as appearing in the 2016  
16 Official Edition, is hereby amended by inserting after the definition of “Board” the following  
17 three definitions:-

18 “Breastfeeding equipment” means manual, electric, single user and multi-user breast  
19 pumps, breast pump flanges, nipple shields, and other lactation accessories recommended by a  
20 licensed lactation care provider or other health professional, whether a rental or a purchase.

21 “Lactation care and services”, the clinical application of scientific principles and a  
22 multidisciplinary body of evidence for the evaluation, problem identification, treatment,  
23 education and consultation to provide lactation care and services to families; provided, however,  
24 that lactation care and services includes, but is not limited to, lactation assessment through the  
25 systematic collection of subjective and objective data, analysis of data and creation of a plan of  
26 care; development and implementation of a lactation care plan with demonstration and  
27 instruction to parents and communication to the primary health care provider, provision of  
28 lactation education to parents and health care providers, and recommendation and use of assistive  
29 devices.

30 “Lactation care provider”, a person who provides lactation care and services.

31 “Licensed lactation care provider”, a person who is duly licensed to practice lactation  
32 care and services in accordance with section 23B.

33           “Nationally recognized accrediting agency” shall mean the National Commission for  
34   Certifying Agencies (“NCCA”), the Institute for Credentialing Excellence (“ICE”), and  
35   American National Standards Institute (“ANSI”).

36           SECTION 3. Section 23B of said chapter 112, as appearing in the 2016 Official Edition,  
37   is hereby amended by inserting after the first paragraph the following words:-

38           The Board may issue licenses for lactation care providers, without examination, to  
39   individuals who have furnished satisfactory proof that they are of good moral character and that  
40   they have met the requirements of section twenty-three J½ upon completion of an application on  
41   a form furnished by the board and payment of a fee determined by the secretary of administration  
42   and finance.

43           SECTION 4. Section 23D of said chapter 112, as appearing in the 2016 Official Edition  
44   is hereby amended by inserting, in line 3, after the words “physical therapist assistant”, the  
45   following words:-, or lactation care provider.

46           SECTION 5. Said chapter 112 is hereby further amended by inserting after section 23J  
47   the following section:

48           Section 23J1/2 Lactation Care Provider

49           Section 23J½. An applicant for licensure as a lactation care provider shall possess current  
50   certification from a certification program accredited by a Nationally Recognized Accrediting  
51   Agency.

52 SECTION 6. Section 23K of said chapter 112, as appearing in the 2016 Official Edition  
53 is hereby amended by inserting in subsection (c), after the words “physical therapy”, the  
54 following words:- or lactation care and services.

55 SECTION 7. Section 23L of said chapter 112, as appearing in the 2016 Official Edition is  
56 hereby amended by inserting in subsection (c), after the words “physical therapist assistant”, the  
57 following words:- or lactation care provider.

58 SECTION 8. Said chapter 112 is hereby further amended by inserting after section 23P  
59 the following section:

60 Section 23P<sup>3</sup>/<sub>4</sub>. Lactation care providers, necessity for licensure

61 Section 23P<sup>3</sup>/<sub>4</sub>. (a) No person shall hold themselves out to others as a licensed lactation  
62 care provider unless they hold a valid license issued in accordance with this chapter.

63 b) Nothing shall be construed to affect or prevent the practice of lactation care and  
64 services by licensed care providers or other persons; provided that a person who is not a licensee  
65 shall not hold that person out or represent that person's self to be a licensed lactation care  
66 provider.

67 SECTION 9. Chapter 175 of the General Laws, as appearing in the 2016 Official  
68 Addition, is amended by inserting as Section 47cc the following:

69 (A) Any blanket or general policy of insurance described in subdivision (A), (C), or (D)  
70 of section 110 which is issued or subsequently renewed by agreement between the insurer and  
71 the policyholder, within or without the commonwealth, during the period this provision is  
72 effective, or any policy of accident and sickness insurance as described in section 108 which

73 provides hospital expense and surgical expense insurance and which is delivered or issued for  
74 delivery or subsequently renewed by agreement between the insurer and the policyholder in the  
75 commonwealth during the period that this provision is effective shall provide, to the same extent  
76 that benefits are provided for other pregnancy-related procedures coverage for lactation support  
77 consisting of, at minimum, lactation care and services by licensed lactation care providers  
78 provided that such services are within the lawful scope of practice for such providers, the costs  
79 of breastfeeding equipment, and the performance of any necessary maternal and newborn clinical  
80 assessments.

81 (B) An insurer providing coverage under this paragraph and any participating entity  
82 through which the insurer offers health services shall not:

83 (1) deny to a covered person eligibility, or continued eligibility, to enroll or to renew  
84 coverage under the terms of the policy or vary the terms of the policy for the purpose or with the  
85 effect of avoiding compliance with this paragraph;

86 (2) provide incentives (monetary or otherwise) to encourage a covered person to accept  
87 less than the minimum protections available under this paragraph;

88 (3) penalize in any way or reduce or limit the compensation of a health care practitioner  
89 for recommending or providing care to a covered person in accordance with this paragraph;

90 (4) provide incentives (monetary or otherwise) to a health care practitioner relating to the  
91 services provided pursuant to this paragraph intended to induce or have the effect of inducing  
92 such practitioner to provide care to a covered person in a manner inconsistent with this  
93 paragraph;

94           (5) restrict coverage for any portion of a period within a hospital length of stay required  
95 under this paragraph in a manner which is inconsistent with the coverage provided for any  
96 preceding portion of such stay;

97           (6) require prior authorization, prescription or referral for lactation care and services; or

98           (7) impose a deductible, coinsurance, co-payment or any other cost-sharing requirement  
99 for lactation care and services or breastfeeding equipment provided under this paragraph.

100           SECTION 10. This act shall take effect on the first of January next succeeding the date  
101 on which it shall have become a law.
