An Act relative to hospital profit and fairness.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 111 of the General Laws is hereby amended by inserting after section 237 the  
2 following section:-

3 Section 238. Hospital Profit and Fairness

4 Definitions

5 (a) As used in this section, the following words shall have the following meanings:-

6 “Facility”, a hospital licensed under section 51 of chapter 111 of the General Laws, the  
7 teaching hospital of the University of Massachusetts medical school, any licensed private or  
8 state-owned and state-operated general acute care hospital, an acute psychiatric hospital, an acute

9 care specialty hospital, or any acute care unit within a state operated healthcare facility. This  
10 definition shall not include rehabilitation facilities or long-term care facilities.

11 "Compensation", salary; bonus payments, whether based on performance or otherwise;  
12 deferred compensation; incentive payments; severance payments; loans to be repaid on terms,  
13 including interest, less burdensome than market rate; value of use of facility-provided vehicles,  
14 housing or other perquisites not available to all employees; stock or stock options and any  
15 dividends or other incidents of the ownership thereof.

16 "Minimum facility compensation", the value of the annual compensation received by a  
17 full time employee of a facility earning minimum wage as set under G.L. c. 151 1, or if none,  
18 then the lowest-paid full time employee.

19 (b) If in any fiscal year a facility that accepts funds from the Commonwealth, and whose  
20 patient mix is less than 60% government payer, reports to the Center for Health Information and  
21 Analysis an annual operating margin, including amortization and depreciation, that exceeds 8%,  
22 that facility shall be subject to a civil penalty equal to the amount by which the annual operating  
23 margin exceeds 8%.

24 (c) If the chief executive officer of a facility that accepts funds from the Commonwealth  
25 receives annual compensation greater than 100 times the minimum facility compensation, the  
26 facility shall be subject to a civil penalty equal to the amount by which the Chief Executive  
27 Officer's annual compensation exceeds 100 times the value of the minimum facility  
28 compensation.

29 (d) Each facility that accepts funds from the Commonwealth shall report annually to the  
30 Center for Health Information and Analysis all financial assets owned by the facility, including

31 those held in financial institutions outside the United States or invested outside the United States.  
32 Unless prohibited by other law, the Center for Health Information and Analysis shall make this  
33 information public within 7 calendar days of receipt.

34 (e) There is hereby established on the books of the Commonwealth a fund to be known as  
35 the Medicaid Reimbursement Enhancement Fund. Any penalties collected as a result of  
36 violations of this act shall be deposited into this fund, and subject to appropriation, shall be used  
37 to improve Medicaid reimbursement to eligible hospitals.

38 (f) This act shall not be construed to impair any contract or agreement in effect as of  
39 January 1, 2023.

40 (g) The Health Policy Commission shall promulgate regulations governing the  
41 implementation, operation, and enforcement of this act.

42 (h) Severability. The provisions of this act are severable, and if any clause, sentence,  
43 paragraph or section of this law or an application thereof shall be adjudged by any court of  
44 competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the  
45 remainder thereof but shall be confined in its operation to the clause, sentence, paragraph,  
46 section or application adjudged invalid and such clause, sentence, paragraph, section or
