**RE: Annual Report of Wiretap Interceptions
To the General Court Pursuant to G.L. c. 272, § 99R**

Dear Sir/Madam:

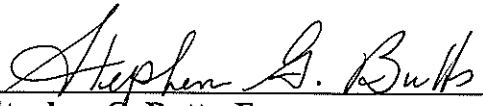

Pursuant to the requirements set forth in General Laws Chapter 272, § 99R, I hereby submit this report to the General Court on behalf of the Bristol County District Attorney's Office for the calendar year of 2020.

The number of applications made for electronic surveillance warrants during 2020 totaled one (1). The name of the applicant on the application was Assistant District Attorney Danielle Pixley. The Massachusetts Superior Court issued one (1) wiretap warrant which was pursuant to an on-going Narcotic investigation.

The Narcotic Wiretap was initiated on August 24, 2020. It was terminated on September 8, 2020. There were no interceptions as the result of this wiretap because of technical issues. Once the technical issues were finally corrected, the investigation was shut down because of Covid 19.

If you have any questions or require additional information, please do not hesitate to contact me.

Respectfully Submitted,

Stephen G. Butts, Esq.
Assistant District Attorney
