Report to the Massachusetts General Court

March 2022

Charles D. Baker Governor Karyn E. Polito Lieutenant Governor

Terrence M. Reidy Secretary **Kevin J. Stanton Executive Director** 

#### Introduction

Pursuant to Line Item 8000-0313 of the FY22 Budget, the Executive Office of Public Safety and Security's (EOPSS) Office of Grants and Research (OGR) submits this report on the FY22 Automated External Defibrillators (AED) Equipment Program grant.

#### **Legislative Authority**

This initiative was supported by state funds authorized by the Fiscal Year 2022 General Appropriation Act, Chapter 24 of the Acts of 2021, which is specified below:

#### Overview

All three-hundred fifty-one (351) Massachusetts municipalities were eligible to apply for up to \$2,500 to support the purchase of one (1) Automated External Defibrillator for use in an active police or fire vehicle that did not already contain an AED or were in need of a replacement.

#### **Proposals Received & Review Process**

OGR received two-hundred forty-six (246) applications, 234 from municipal entities and 12 from non-municipal entities. The total amount of funding approved (after removing unallowable costs) was \$524,309.06. All proposals were reviewed by OGR staff for completeness and compliance with the rules and regulations. Upon successful submission of an application, municipalities were awarded funds on a first come, first served basis. All 234 municipalities that submitted applications were awarded funds, totaling \$497,158.46 of funds granted by OGR.

In an effort to support the non-municipal requests received, EOPSS Secretary Terrence Reidy and OGR Executive Director Kevin Stanton utilized their Edward J. Byrne Memorial Justice Assistance Grant (JAG) federal funding to support the remaining twelve (12) non-municipal applicants in the amount of \$27,150.60.

A breakdown of the entities receiving grant funds and the amounts awarded is set forth below.
