5 consumers and farmers, and to inform future outreach efforts about the program. The survey
6 shall be distributed to both participants and non participants of the program.

7 The survey shall collect information about the healthy incentives program from
8 Massachusetts farmers and SNAP recipients, including, but not limited to:

9 (i) The knowledge that both participants and non participants have about the healthy
10 incentives program including, but not limited to, the purpose and benefits of the program, and
11 where and how the benefits of the program can be utilized;

12 (ii) the frequency with which participants utilize the program;

13 (iii) how and where participants learned about the program;

14 (iv) any barriers that both participants and non participants experience when trying to
15 utilize the program;

16 (v) and feedback from both participants and non participants regarding their experiences
17 with the program.

18 SECTION 2. The commissioners of the Massachusetts department of transitional
19 assistance and the department of agricultural resources shall establish rules and procedures,
20 including deadlines for dissemination and collection of survey information, consistent with the
21 purposes of this act, and shall promote the effective solicitation to achieve the highest practical
22 response rate, collection, and publication of information gathered from the commonwealth's
23 farmers and SNAP recipients regarding their experiences with and knowledge of the healthy
24 incentive's program. The commissioners shall ensure that the survey is conducted no later than
25 12 months within the passage of this act. The commissioners shall also ensure that the results of
