4 have the following meanings:

6 and has completed a residency in anesthesiology approved by the American Board of
7 Anesthesiology or the American Osteopathic Board of Anesthesiology;

8 (ii) "Anesthesiologist assistant" means any person who assists in the practice of medicine
9 under the supervision of an anesthesiologist or group of anesthesiologists approved by the board
10 to supervise such assistant;

15 designated by the supervising anesthesiologist to ensure supervision of the anesthesiologist
16 assistant in the supervising anesthesiologist's absence. A back up anesthesiologist is subject to

34 duties and responsibilities delegated to him by the supervising anesthesiologist when the duties
35 and responsibilities are provided under the supervision of a licensed anesthesiologist approved
36 by the board. The board may adopt rules and regulations to implement the provisions of sections
37 12HH to 12MM that include scope of practice of an anesthesiologist assistant including
38 requirements and limitations on the provision of anesthesia services by an anesthesiologist
39 assistant as determined by the board to be in the best interests of patient health and safety and

47 and recertification requirements of the National Commission for Certification of
48 Anesthesiologist Assistants or its successor organization.

49 Section 12JJ. The board shall register and issue licenses to anesthesiologists assistants in
50 the commonwealth, take appropriate disciplinary action against anesthesiologist assistants,
51 approve and issue certificates of approval of programs for the training of anesthesiologist

55 of restrictions upon a license relating to a violation of the boards regulations.

60 Commission on Accreditation of Allied Health Education Programs (CAAHEP) or its
61 predecessor or successor organization;

67 the board.

68 (b) The board may issue a temporary license to any person who successfully completes a
69 CAAHEP or other board approved program for the education and training of an anesthesiologist
70 assistant but has not passed a certification examination. To allow the opportunity to take the
71 next available certification examination, any temporary license issued pursuant to this subsection
72 shall be issued for a period not to exceed one (1) year.

73 (c) All licenses other than temporary licenses expire annually on December 31. An
74 anesthesiologist assistant may renew his license by completing and submitting a renewal
75 application form published by the board and renewal fee to the board prior to expiration of his

78 meets the requirements for the granting of an initial license.

79 Section 12LL. Notwithstanding any provision of law to the contrary, nothing in Sections
80 12HH to 12MM shall be construed to prevent an anesthesiologist assistant from having access to
81 and being able to obtain drugs as ordered and directed by the supervising anesthesiologist.

82 Section 12MM. Any person practicing as an anesthesiologist assistant or representing that
83 he is an anesthesiologist assistant without a license or any person employing an unlicensed
84 person to practice as an anesthesiologist assistant shall be punished by a fine of not less than
85 \$100 and not more than \$1,000 or by imprisonment for not less than 30 days and not more than 1
86 year in the house of corrections, or by both such fine and imprisonment.
