An Act relative to the reduction of certain toxic chemicals in firefighter personal protective equipment.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 111 of the General Laws is hereby amended by adding the  
2 following section:-

3 Section 237. (a) The following terms shall have the following meanings unless the  
4 context clearly requires otherwise:-

5 “Firefighting personal protective equipment” means any clothing designed, intended, or  
6 marketed to be worn by firefighting personnel in the performance of their duties, designed with  
7 the intent for the use in fire and rescue activities, including jackets, pants, shoes, gloves, helmets,  
8 and respiratory equipment.

9           “Local governments” includes any county, city, town, fire district, regional fire protection  
10 authority, or special purpose district that provides firefighting services.

11           “Manufacturer” includes any person, firm, association, partnership, corporation,  
12 organization, joint venture, importer, or domestic distributor of firefighting agents or firefighting  
13 equipment. For the purposes of this definition, “importer” means the owner of the product.

14           “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS chemicals” mean, for the  
15 purposes of firefighting agents and firefighting equipment, a class of fluorinated organic  
16 chemicals containing at least one fully fluorinated carbon atom.

17           (b) A manufacturer or other person that sells firefighting personal protective equipment  
18 containing PFAS chemicals to any person, local government, or state agency shall provide  
19 written notice to the purchaser at the time of sale which shall state: (i) that the firefighting  
20 personal protective equipment contains PFAS chemicals; and (ii) the reason PFAS chemicals are  
21 added to the equipment.

22           The manufacturer or other person selling firefighting personal protective equipment and  
23 the purchaser of the equipment shall retain a copy of the notice required pursuant to this  
24 subsection on file for at least 3 years from the date of the purchase. Upon the request of the  
25 department, a person, manufacturer, or purchaser shall furnish the notice, or written copies, and  
26 associated sales documentation to the department within 60 days of such request.

27           SECTION 2. Section 237 of chapter 111 of the General Laws, as added by section 1, is  
28 hereby amended by striking out subsection (b) and inserting in place thereof the following  
29 subsection:-

30 (b) A manufacturer or other person that sells firefighting personal protective equipment to  
31 any person, local government, or state agency shall not manufacture, knowingly sell, offer for  
32 sale, distribute for sale, or distribute for use in the commonwealth any firefighting personal  
33 protective equipment containing intentionally added PFAS chemicals.

34 SECTION 3. Section 1 shall take effect on January 1, 2025.

35 SECTION 4. Section 2 shall take effect on January 1, 2027.
