4 salary increases to regular full-time members of the state police department as an incentive for  
5 furthering the education of current officers and recruiting diverse candidates to the state police  
6 through future recruitment and the cadet program. This section shall not apply to officers  
7 currently receiving career incentive pay for educational degrees under any other program or law.

9 salary increases shall equal the already existing incentive and be predicated on the accumulation  
10 of points earned in the following manner: one point for each semester hour credit earned toward  
11 a baccalaureate or an associate degree; sixty points for an associate degree; one hundred and

12 twenty points for a baccalaureate degree; and one hundred and fifty points for a degree of master  
13 or for a degree in law. All semester credits and degrees shall be earned in an accredited  
14 educational institution and shall be credited for the purpose of determining points under this  
15 section, notwithstanding the date of appointment of an individual to a position described in the  
16 first paragraph of this section. Only graduates of: (1) an accredited degree program offered by an  
17 institution of higher learning in order to ensure diverse educational backgrounds of current and  
18 future officers, or (2) accredited law schools shall be eligible for the police career incentive pay  
19 program.

20           Base salary increases authorized by this section shall be granted in the following manner:  
21 a ten percent increase for sixty points, a twenty percent increase for one hundred and twenty
