necessary, retired police officers of the city of Haverhill as detail police officers to perform

police details or any duties arising from police details or during the course of police detail work,

whether or not related to the detail work. The mayor may appoint only retired police officers of

the city of Haverhill as detail police officers and shall establish department rules, procedures and

policies concerning these appointments. The mayor shall appoint retired police officers who

served as regular police officers of the city of Haverhill and retired based on superannuation. No

retired police officer shall be appointed as a detail police officer pursuant to this act if that officer

has been retired for more than 5 years. Detail police officers shall not be subject to the same

maximum age restrictions as regular police officers of the city of Haverhill pursuant to chapter 32 of the General Laws. Prior to appointment pursuant to this act, a retired police officer shall pass a medical examination by a physician or other certified professional chosen or agreed to by the police department to determine whether the retired police officer is capable of performing the essential duties of a detail police officer pursuant to this act. The cost of the medical examination shall be borne by the retired police officer.

- (b) Detail police officers appointed pursuant to this act shall not be subject to chapter 31, section 99A of chapter 41 or chapter 150E of the General Laws.
- (c) When performing the duties set forth in subsection (a), detail police officers shall have the same power to make arrests and to perform other police functions as regular police officers of the city of Haverhill.
- (d) A detail police officer shall be appointed for a term of 1 year, subject to renewal at the discretion of the mayor; provided, however, that a detail police officer shall be an at-will appointee subject to removal by the mayor at the mayor's discretion at any time. All benefits afforded to detail police officers appointed pursuant to this act shall terminate upon the conclusion of the employment term. A detail police officer's appointment shall automatically terminate upon the officer reaching the age of 70.
- (e) Detail police officers appointed pursuant to this act shall be subject to the rules and regulations, policies and procedures and requirements that the chief of police of the city may impose from time to time including, but not limited to, restrictions on the type and number of detail assignments, requirements regarding medical examinations to determine continuing fitness and capability to perform the duties of a detail police officer, requirements for training,

requirements for firearms licensing and qualifications, requirements for maintaining a medical or liability insurance policy and requirements regarding uniforms and equipment. The chief of police shall, at the chief's discretion, set a schedule of fees associated with the costs of training, medical examinations, equipment, uniforms and any other requirements considered necessary by the chief of police that shall be paid by a detail police officer appointed pursuant to this act.

Detail police officers appointed pursuant to this act shall not be subject to section 96B of chapter 41 of the General Laws.

- (f) Detail police officers appointed pursuant to this act shall be sworn in by the city clerk of the city of Haverhill.
- (g) Sections 85H and 85H½ of chapter 32 and sections 100 and 111F of chapter 41 of the General Laws shall not apply to detail police officers appointed pursuant to this act.
- (h) Appointment as a detail police officer shall not entitle the appointee to assignment to any detail.
- (i) Retired police officers serving as detail police officers pursuant to this act shall be subject to the limitations on hours worked and earning restrictions pursuant to paragraph (b) of section 91 of chapter 32 of the General Laws.
- (j) The mayor's authority to appoint and remove a detail police officer pursuant to this act shall not be subject to review by another employee or official of the city of Haverhill.
  - (k) Nothing contained herein shall preclude the assignment of regular police officers, or others permitted by law and/or collective bargaining agreements, from performing detail police officer duties.

- SECTION 2. Section 1 shall take effect upon its acceptance by a vote of the city council
- of the city of Haverhill, but not otherwise.
- SECTION 3. This act shall take effect upon its passage.
