House bill, No. 4600, as amended and passed to be engrossed by the House. April 26, 2024.

AN ACT MAKING APPROPRIATIONS FOR THE FISCAL YEAR 2025 FOR THE MAINTENANCE OF THE DEPARTMENTS, BOARDS, COMMISSIONS, INSTITUTIONS, AND CERTAIN ACTIVITIES OF THE COMMONWEALTH, FOR INTEREST, SINKING FUND, AND SERIAL BOND REQUIREMENTS, AND FOR CERTAIN PERMANENT IMPROVEMENTS.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is immediately to make appropriations for the fiscal year beginning July 1, 2024, and to make certain changes in law, each of which is immediately necessary or appropriate to effectuate said appropriations or for other important public purposes, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. To provide for the operations of the several departments, boards, commissions and institutions of the commonwealth and other services of the commonwealth and for certain permanent improvements and to meet certain requirements of law, the sums set forth in this act, for the several purposes and subject to the conditions specified, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to the provisions of law regulating the disbursement of public funds and the approval thereof for the fiscal year ending June 30, 2025. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and persons with a disability. All officials and employees of an agency, board, department, commission or division receiving funds under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government and in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission and division of the commonwealth, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of compensation, in-service or apprenticeship training programs and all other terms and conditions of employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Articles of Amendment to the Constitution of the Commonwealth and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section by source for the respective funds of the commonwealth for the fiscal year ending June 30, 2025 are necessary and sufficient to provide the means to defray the appropriations and expenditures from such funds for said fiscal year as set forth and authorized in this act. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing such receipts with the projected receipts set forth in this section, and include a full statement comparing such actual and projected receipts in the annual report for

said fiscal year pursuant to section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

SECTION 3 LOCAL AID DISTRIBUTIONS.

SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2025 the distribution of unrestricted general government aid to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,283,301,752 and shall be apportioned to cities and towns in accordance with this section.

For fiscal year 2025 the total amounts to be distributed and paid to each city, town and regional school district from item 7061-0008 of section 2 and item 1596-2438 of section 2F, shall be as set forth in the following lists. If there is conflict between the language of this section and the distribution listed below, the distribution below shall control. The specified amounts distributed from said item 7061-0008 of said section 2 and said item 1596-2438 of said section 2F shall be deemed in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2025, a district's school aid shall be calculated according to the provisions of said chapter 70. The foundation budget category of "low-income enrollment" for the purpose of calculating foundation enrollment shall be determined by financial eligibility for certain federal programs, as defined by the provisions of section 2 of said chapter 70, and including a number of students identified and approved as low income through the supplemental claiming system established and posted by the department for that purpose, as well as students identified and approved as homeless for purposes of calculating the McKinney-Vento homelessness grant program administered by the department, consistent with the conditions provided for in said section 2. The assumed special education enrollment percentage for vocational school students shall be set at 4.90 per cent and the assumed special education enrollment percentage for non-vocational school students shall be set at 3.90 per cent.

The per-pupil rates for the employee benefits and fixed charges allotments shall be adjusted by the foundation employee benefits inflation rate and the per-pupil rates for all other foundation allotments shall be adjusted by the foundation inflation index. Foundation increments shall be the additional resources provided for the education of students designated as English learners or low-income; provided, however, that for low-income students the amount of the foundation increment shall be determined by the low-income group into which each district is assigned. Foundation budget rates for employee benefits and fixed charges, guidance and psychological services, special education out-of-district tuition, English learners and low-income students shall be increased by three-sixths of the gap between the rates used in fiscal year 2021 and the rates established in tables 1 and 2 of section 3 of said chapter 70, consistent with adjustments prescribed in said section 3 and set at the rates identified in the table below. Required local contributions shall be calculated pursuant to said chapter 70; provided, that municipal revenue growth factors shall be calculated in a manner consistent with calculations made in fiscal year 2024; provided further, that the total statewide target local contribution shall be 59 percent and the effort reduction percentage shall be 100 percent; and provided further that the minimum aid per pupil dollar amount shall be \$104.

Chapter 70 aid for fiscal year 2025 shall be the greater of: (i) foundation aid, or (ii) the sum of base aid and minimum aid. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014; provided, however, that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district or independent agricultural school that demonstrates an

emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

2305 acted with fraudulent intent, the commissioner may apply limited look-back periods for unfiled
2306 returns, not to exceed 4 years. The scope of the tax amnesty program, including the particular tax
2307 types, periods covered and the applicability of the look-back periods, shall be determined by the

2312 payments made and shall apply the payments against the outstanding liability and the tax
2313 amnesty shall not apply.

2314 (c)(1) The commissioner may offer tax amnesty to taxpayers who have failed to file

2317 the amnesty period together with accrued interest.

2318 (2) The commissioner shall not authorize the waiver of any interest or any amount treated

2322 prosecution or to any taxpayer who delivers or discloses or has delivered or disclosed any false
2323 or fraudulent application, document, return or other statement.

2324 (4) Any taxpayer who delivers or discloses a false or fraudulent application, document,

2327 greater of: (i) the applicable penalties pursuant to chapter 62C of the General Laws; or (ii) a
2328 penalty not to exceed \$10,000, which shall be calculated and assessed according to rules
2329 determined by the commissioner and may be subject to de minimis or other exceptions that the
2330 commissioner may consider appropriate. This penalty shall be subject to said chapter 62C and
2331 shall be added to and become part of the tax due.

2348 (f) The commissioner shall establish administrative procedures and methods to prevent a
2349 taxpayer who utilizes the tax amnesty program from utilizing any future tax amnesty programs
2350 for the next consecutive 10 years, beginning in calendar year 2024.
