1348 commonwealth.

1349 (l) The executive director may, subject to the approval of the commission, employ  
1350 additional employees, consultants, agents and advisors and shall attend meetings of the  
1351 commission. In the case of an absence of vacancy in the office of the executive director or in the  
1352 case of disability as determined by the commission, the commission may designate an active  
1353 executive director to serve as executive director until the vacancy is filled or the absence or  
1354 disability ceases. The acting executive director shall have all of the powers and duties of the  
1355 executive director and shall have similar qualification as the executive director.

1356 (m) The executive director may appoint such persons as the executive director shall  
1357 consider necessary to perform the functions of the commission; provided, however, that chapter  
1358 31 and section 9A of chapter 30 shall not apply to commission employees. If an employee  
1359 serving in a position which is classified under said chapter 31 or in which an employee has  
1360 tenure by reason of said section 9A of said chapter 30 shall be appointed to a position within the  
1361 commission which is not subject to said chapter 31, the employee shall, upon termination of  
1362 service in such position, be restored to the position which the employee held immediately prior  
1363 to such appointment; provided however, that the employee's service in such position shall be

1364 determined by the civil service commission in accordance with the standards applied by that  
1365 commission in administering said section 9A of said chapter 30 and without loss of seniority,  
1366 retirement or other rights to which uninterrupted service in such prior position would have  
1367 entitled such employee. During the period of such appointment, each person so appointed from a  
1368 position in the classified civil service shall be eligible to take any competitive promotional  
1369 examination for which such person would otherwise have been eligible. Employees of the  
1370 commission, including employees working in the bureau, shall be classified as group 1 pursuant  
1371 to paragraph (g) of subdivision (2) of section 3 of chapter 32.

1372 (n) (1) The commission shall require a prospective employee to: (i) submit an application  
1373 and a personal disclosure on a form prescribed by the commission which shall include a  
1374 complete criminal history, including convictions and current charges for all felonies and  
1375 misdemeanors; (ii) undergo testing which detects the presence of illegal substances in the body;  
1376 (iii) provide fingerprints and a photograph consistent with standards adopted by the state police;  
1377 and (iv) provide authorization for the commission to conduct a background check. The  
1378 commission shall verify the identification, employment and education of each prospective  
1379 employee, including: (i) legal name, including any alias; (ii) all secondary and post-secondary  
1380 educational institutions attended regardless of graduation status; and (iii) employment history.

1381 (2) The commission shall not hire a prospective employee if the prospective employee  
1382 has: (i) been convicted of any felony or misdemeanor involving a minor; (ii) had prior  
1383 involvement with any violation of the provisions of chapters 23K or 23N; (iii) been dismissed  
1384 from prior employment for gross misconduct or incompetence; or (iv) intentionally made a false  
1385 statement concerning a material fact in connection with the prospective employee's application  
1386 to the commission. If an employee is charged with a felony or misdemeanor while employed by

1387 the commission, the commission shall suspend the employee, with or without pay, and may  
1388 terminate employment with the commission upon conviction if, in the discretion of the  
1389 commission, the offense for which the employee has been convicted bears a close relationship to  
1390 the duties and responsibilities of the position held with the commission.

1391 (o) Chapters 268A and 268B shall apply to the commissioners and to employees of the  
1392 commission; provided, however, that the commission shall establish a code of ethics for all  
1393 members and employees that shall be at least as restrictive as said chapters 268A and 268B. A  
1394 copy of the code shall be filed with the state ethics commission. The code shall include  
1395 provisions reasonably necessary to carry out the purposes of this chapter and any other laws  
1396 subject to the jurisdiction of the commission including, but not limited to: (i) prohibiting the  
1397 receipt of gifts by commissioners and employees from any combat sports or youth sports  
1398 licensee, affiliate or other person or entity subject to the jurisdiction of the commission; (ii)  
1399 prohibiting the participation by commissioners and employees in a particular matter as defined in  
1400 section 1 of said chapter 268A that affects the financial interest of a relative within the third  
1401 degree of consanguinity or a person with whom such commissioner or employee has a significant  
1402 relationship as defined in the code; and (iii) providing for recusal of a commissioner in any  
1403 decision of the commission due to a potential or perceived conflict of interest; provided,  
1404 however, that a commissioner's or employee's involvement with a youth sports team or  
1405 organization shall not be cause for a conflict of interest if said commissioner or employee is  
1406 involved solely as the parent of an athlete, a volunteer coach, or a volunteer trainer; and provided  
1407 further, that any such relationship shall be disclosed to the state ethics commission.

1408 (p) No employee of the commission shall pursue any other business or occupation or  
1409 other gainful employment outside of the commission without the prior written approval of the

1410 commission that such employment will not interfere or be in conflict with the employee's duties  
1411 to the commission.

1412 (q) No commissioner shall hold a direct or indirect interest in, or be employed by, a  
1413 person licensed by the commission for a period of 3 years after the termination of employment  
1414 with the commission.

1415 (r) No employee of the commission shall acquire an interest in, or accept employment  
1416 with, a person licensed by the commission for a period of 1 year after the termination of  
1417 employment with the commission.

1418 (s) The commissioners and those employees holding major policymaking positions shall  
1419 be sworn to the faithful performance of their official duties. The commissioners and those  
1420 employees holding major policymaking positions shall: (i) conduct themselves in a manner so as  
1421 to render decisions that are fair and impartial and in the public interest; (ii) avoid impropriety and  
1422 the appearance of impropriety in all matters under their jurisdiction; (iii) avoid all prohibited  
1423 communications; (iv) require staff and personnel subject to their direction and control to observe  
1424 the same standards of fidelity and diligence; (v) disqualify themselves from proceedings in  
1425 which their impartiality might reasonably be questioned; and (vi) refrain from financial or  
1426 business dealings which would tend to reflect adversely on impartiality.

1427 (t) Neither the commission nor any of its officers, agents, employees, consultants or  
1428 advisors shall be subject to sections 9A, 45, 46 and 52 of chapter 30, chapter 31 or to chapter 200  
1429 of the acts of 1976.

1463 directed to a licensee; (iii) the conviction of a criminal offense; or (iv) the violation of any other

1538 shall also provide for a forfeiture to the commonwealth, recoverable at the suit of the attorney

1553 will be put at substantial risk by engaging in their respective position. Whoever acts in such  
1554 capacity, without being so license shall be punished by a fine of not more than \$10,000. Any

1591 and may, therefore, waive direct commission application of laws and rules, including licensure,  
1592 subject to the commission's affirmative finding that the standards and enforcement of similar  
1593 rules by a club or organization meet or exceed the safety and fairness standards of the  
1594 commission. The commission shall review the performance of any such club, organization, or  
1595 sanctioning body annually, and the commission, at its discretion, may rescind previously
