An Act restricting the use of effluent water in cooling towers.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 21 of the General Laws, as appearing in the 2020 Official Edition is hereby  
2 amended by inserting after section 27A the following section:-

3 Section 27B. Effluent water shall not be used in any cooling tower in the commonwealth.  
4 For the purposes of this section a cooling tower shall be any heat rejection device which rejects  
5 waste heat into the atmosphere through the cooling of a water stream to a lower temperature. The  
6 division shall advise the department regarding the enforcement of this section and may prescribe  
7 further restrictions on the use of effluent water through rules and regulations.
