An Act restoring the Commonwealth's public housing.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 1 of chapter 121B of the General Laws, as so appearing, is hereby
2 amended by adding the following paragraph after the definition for “Community renewal
3 program”:-

4 “Controlled entity”, an entity with the power to own or operate real property of which
5 and over which actual and legal control shall be in a local housing authority.

6 SECTION 2. Section 34 of said chapter 121B is hereby amended by adding the following
7 paragraph:-

8 Notwithstanding any general or special law to the contrary, construction and development
9 activity related to development or redevelopment of state-aided or federally assisted public

10 housing projects by a public housing authority or a controlled entity of a public housing authority
11 or where the land, buildings or structures associated with the housing project will be or have
12 been conveyed or transferred to a housing authority's controlled entity or a designated private
13 entity for purposes of completing the development or redevelopment shall not be subject to any
14 general or special law related to the procurement and award of contracts for the planning, design,
15 construction management, construction, reconstruction, installation, demolition, maintenance or
16 repair of buildings by a housing authority's controlled entity or designated private entity,
17 provided that the procurement process shall be in conformity with federal procurement
18 requirements for similar projects in accordance with 2 C.F.R. 200 et. seq., if applicable. Nothing
19 in this section shall be deemed to exempt a housing project from prevailing wage requirements in
20 sections 26 to 27F, inclusive, and section 29 of chapter 149 of the General Laws.

21 SECTION 3. Section 16 of said chapter 121B, as so appearing, is hereby amended by
22 adding the following paragraph:-

23 Notwithstanding any provision to the contrary in this chapter or in any other general or
24 special law relative to the tax status of real property, buildings or other structures owned by a
25 housing authority, its controlled entity, or its designated private entity, including without
26 limitation a for-profit or charitable corporation, general or limited partnership, or limited liability
27 company, that contain or will contain income-restricted units as defined in section 1, shall be
28 exempt from taxation, betterments and special assessments to the extent such buildings or
29 structures are restricted for use as income-restricted units, including associated common areas
30 and associated land. If income-restricted units and associated common areas constitute only a
31 portion of such resulting buildings or structures, the exemption shall be prorated based on the
32 ratio which the square footage of income-restricted units bears to the square footage of all other

33 residential or commercial units within the buildings or structures. The housing authority,
34 controlled entity or other designated private entity shall pay (a) with respect to the exempt
35 portion of the buildings or structures and land, a payment in lieu of taxes consistent with the
36 valuation or other formula generally applicable under this section to the housing authority's real
37 estate in the city or town in which such real estate is located, or as otherwise previously agreed
38 upon between the city or town and the housing authority as the method for computing the
39 payments to be made in lieu of taxes, and using the ratio described above; and (b) with respect to
40 the non-exempt portion of the buildings or structures and land, real estate taxes in accordance
41 with chapter 59 of the General Laws based on the fair cash value of the non-exempt portion of
42 the buildings or structures and non-exempt portion of the land using the ratio described above.

43 SECTION 4. Section 11 of said chapter 121B, as so appearing, is hereby amended by
44 adding the following paragraph:-

45 Notwithstanding any general or special law to the contrary, a housing authority, with the
46 approval of the department, shall have the power to secure indebtedness incurred for the
47 preservation, modernization and maintenance of one or more of its low-rent housing

49 capital funds awarded to it for improvements to be carried out pursuant to a department-approved
50 capital improvement plan in accordance with department regulations governing capital projects.
51 The department shall promulgate regulations establishing limitations on the percentage of
52 awarded capital funds that may be pledged to secure indebtedness, describing permitted terms for
53 borrowing and repayment, and establishing criteria for housing authorities that will be permitted
54 to incur indebtedness secured by a pledge of capital funds. Any pledge of future year capital
55 funds under this section is subject to the availability of funds under the department's capital

56 spending plan as approved by the governor for that year. All financing documents related to
