**HOUSE . . . . . No. 1975**

---

By Representative Cutler of Pembroke, a petition (accompanied by bill, House, No. 1975) of Josh S. Cutler and others that the Department of Mental Health and Department of Education use established clinical criteria developed by the PANS/PANDAS Consortium available through the PANDAS Physicians Network. Mental Health, Substance Use and Recovery.

---

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Third General Court  
(2023-2024)**

An Act relative to PANDAS/PANS.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. (a) Notwithstanding any special or general law to the contrary, the  
2 Department of Mental Health, in conjunction with the Department of Education shall conduct a  
3 study of pediatric and adolescent psychiatric hospital settings and therapeutic day schools to  
4 determine if any children within these settings have root causes in missed or known  
5 neuroimmune issues or pediatric autoimmune neuropsychiatric disorders associated with  
6 streptococcal infections and pediatric acute-onset neuropsychiatric syndrome.

7           (b) In conducting the study, the Department of Mental Health and Department of  
8 Education shall use established clinical criteria developed by the PANS/PANDAS Consortium  
9 available through the PANDAS Physicians Network, and other experts specializing in the  
10 treatment and diagnosis of pediatric autoimmune neuropsychiatric disorders associated with  
11 streptococcal infections and pediatric acute-onset neuropsychiatric syndrome. The Departments  
12 shall interview children and families who had previously been misdiagnosed and subsequently

13 found to have pediatric autoimmune neuropsychiatric disorders associated with streptococcal  
14 infections and pediatric acute-onset neuropsychiatric syndrome while they were accessing  
15 support through the Department of Mental Health. Further, the departments shall consult with the  
16 Department of Public Health's PANDAS/PANS Advisory Council and professionals in pediatric  
17 and adolescent psychiatric hospital settings and therapeutic day schools.

18 (c) The findings of the study shall include, but no limited to, the following: (i) Identify  
19 the prevalence of pediatric autoimmune neuropsychiatric disorders associated with streptococcal  
20 infections and pediatric acute-onset neuropsychiatric syndrome in pediatric and adolescent  
21 psychiatric hospital settings and therapeutic day schools. (ii) Report outcomes of interviewed  
22 children & families who had been previously misdiagnosed and subsequently found to have  
23 pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and  
24 pediatric acute-onset neuropsychiatric syndrome.

25 (d) By December 31, 2023, the Department of Mental Health and the Department of  
26 Education shall report the findings of the study to the Joint Committee on Public Health, the  
27 Joint Committee on Mental Health and Substance Use and Recovery, the Department of Public  
28 Health, the PANDAS/PANS Advisory Council and the Clerk of the Senate and Clerk of the  
29 House of Representatives.
