An Act relative to equality of chest baring.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Whereas gender discrimination is wrong,  
2           and whereas gender itself is increasingly fluid and nonbinary,  
3           and whereas according to legal experts like Judge Ketanji Brown Jackson a woman  
4 cannot even be defined,  
5           and whereas the female body should not be stigmatized or fetishized,  
6           therefore MGL chapter 272 section 16 shall be amended to remove the words "female  
7 breasts",  
8           and equality of chest bearing shall be the new law in Massachusetts.
