ABOUT THE MASSACHUSETTS OFFICE OF TRAVEL AND TOURISM

The Massachusetts Office of Travel & Tourism (MOTT) is the state agency dedicated to promoting Massachusetts as a tourism destination for domestic and international markets and to contribute to the growth of the Commonwealth's economy. MOTT is also responsible for allocation of monies provided by the Commonwealth under the general laws noted. The Fiscal Year 2023 Regional Tourism Council (RTC) grant allocations were based on economic impact expenditures in calendar year 2019. This timing difference stems from a lag in the availability of the economic impact values at an RTC level. In calendar year 2019, an estimated 29 million domestic and international visitors came to Massachusetts. Combined travel-related spending totaled \$24.9 billion which supported 156,000 in-state jobs while generating \$1.7 billion dollars in state and local tax revenue. **Note: Calendar year 2020 saw a 60% decrease in travel related economic impact and \$10 billion in spending but rebounded to \$16.5 billion in calendar year 2021.*

THE COMMONWEALTH OF MASSACHUSETTS GENERAL LAWS

Chapter 23A. Section 13T. (a) There shall be a Massachusetts Tourism Trust Fund which shall be administered by the Massachusetts marketing partnership established in section 13A and held by the partnership separate and apart from its other funds. There shall be credited to the fund \$10,000,000 from the room occupancy excise imposed by section 3 of chapter 64G and section 22 of chapter 546 of the acts of 1969. There shall also be credited to the fund all revenue as designated under the Gaming Revenue Fund pursuant to sub clause (b) of clause (2) of section 59 of chapter 23K. All available money in the fund that is unexpended at the end of each fiscal year shall not revert to the General Fund and shall be available for expenditure by the fund in the subsequent fiscal year. Money in the fund shall be applied as follows: 40 per cent to the Massachusetts marketing partnership; and 60 per cent to regional tourism councils. The partnership shall submit an annual report to the clerks of the senate and house of representatives and the joint committee on tourism, arts, and cultural development not later than December 31 on the cost-effectiveness of the fund. The report shall be made available on the office of travel and tourism's website. The report shall include: (i) expenditures made by the partnership from money out of the fund to promote tourism; (ii) expenditures made by the partnership for administrative costs; (iii) expenditures made by the regional tourism councils to promote tourism; and (iv) expenditures made by the regional tourism councils for administrative costs.

PART 4: REPORTING AND AUDIT REQUIREMENTS

Each RTC is required to keep quarterly records and report twice yearly to MOTT detailing how their financial allocation was spent. In FY2023 a Mid-Year Report and Year-End Report were accompanied by documentation detailing the completion or commission of all projects within that reporting period, and a financial statement of all funds expended. Each RTC verified to MOTT that the contracted scope of services and budget accurately represented the work planned and completed. If the RTC work plan and budget material changed and/or costs for specified projects varied greater than 25% of budgeted amount, the RTC was required to submit a revised budget plan for approval by MOTT. Grant funds could not be used for depreciation, contributions, meals, travel, entertainment, alcohol, equipment purchases, or taxes. Use of funds for administrative services is limited to 20% of the total grant. Use of funds for marketing salaries is limited to 20% of total grant. All grant expenditures were subject to approval by MOTT/Executive Office of Housing and Economic Development (EOHED). MOTT reviewed the RTC spending patterns to ensure that all funds were being spent on tourism-promotion.

A comprehensive independent audit of each RTC expenditure of state funds was required under the terms of the contract to be submitted to MOTT on or before November 30, 2023. Thirteen of the 16 RTC audits were received on or by the due date, the remaining 3 requested and were granted an extension for filing and will be added to Dropbox upon receipt. Audits must be prepared by a certified public accountant licensed in good standing by the Massachusetts Board of Public Accountancy and verify that the RTC expended all of the grant funds and the interest income in accordance with the contract requirements established by MOTT.

Notes:

- Due to the COVID-19 pandemic the following regulations were waived and/or adjusted for FY2023:
The dollar-for-dollar minimum cash match of non-governmental funds, which must be spent on tourism marketing programs; the use of grant funding to attract visitors from 50 or more miles one way and/or who stay overnight in a paid accommodation.
