77 Caregiver Authorization Affidavit

78 I. What this form enables: A parent, legal guardian or legal custodian of a minor, by this  
79 affidavit, may authorize a designated caregiver, who is an adult with whom the minor child  
80 resides or will reside, to exercise certain concurrent parental rights and responsibilities relative to  
81 a designated minor's education, health care, and recreational and enrichment activities. If a  
82 conflicting decision is made under these concurrent rights and responsibilities, the decision of the  
83 authorizing party or a legal guardian or legal custodian appointed subsequent to the execution of  
84 the affidavit shall supersede the decision of the caregiver.

85 The caregiver authorization affidavit shall only authorize those rights and responsibilities  
86 that the authorizing party possesses and shall not divest the authorizing party of his rights or  
87 responsibilities.

88 Under a caregiver authorization affidavit, a caregiver may:

89 (1) consent to medical, surgical, dental, developmental, mental health or other treatment  
90 for the minor under the supervision or upon the advice of a health care professional licensed to  
91 practice in the commonwealth;

96 policy, including, but not limited to, accessing the minor's educational records, representing the  
97 minor in enrollment, disciplinary, curricular, special education or other educational matters,  
98 signing permission slips for school activities and any other decision that facilitates the minor's  
99 educational experience; and

100 (4) make decisions on behalf of the minor regarding recreational and enrichment  
101 activities including, but not limited to, enrollment, signing permission slips for sports, clubs,  
102 lessons, camps and activities, and any other recreational and enrichment activities; and

103 (5) apply for health insurance and dental insurance coverage for the minor; for services
