An Act to improve food allergy awareness.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 6B of chapter 140 of the General Laws, as appearing in the 2020  
2   Official Edition, is hereby amended by striking subsection (c) and inserting in place thereof the  
3   following:-

4           “(c) A person in charge and certified food protection manager, as those terms are used in  
5   the state sanitary code for food establishments, in order to obtain certification, shall view, as part  
6   of an otherwise approved food protection manager course, a video concerning food allergies. The  
7   department shall approve the video in consultation with the Massachusetts Restaurant  
8   Association, Food Allergy Research & Education, and the Asthma and Allergy Foundation of  
9   America, New England Chapter, and the video shall: (1) be approved or accredited by one of the  
10   following entities: (i) the American National Standards Institute; (ii) ASTM International; or (iii)

the ANSI National Accreditation Board; (2) be interactive; (3) include a knowledge check or other means of verifying that the viewer has carefully reviewed and understood the video; and (4) feature the most up-to-date information on food allergies, including information related to additions to the list of allergens labeled under the Food Allergy Label Consumer Protection Act. The department shall review its approval of the video at least every 5 years and approve a new video if necessary to satisfy the requirements of this subsection. A person designated as an alternate person-in charge, as that term is used in the state sanitary code for food establishments, in addition to existing requirements, shall be knowledgeable with regard to the relevant issues concerning food allergies as they relate to food preparation, plating, and service. At all times when open and serving food, a person licensed as an innholder or common victualler shall have at least one employee present who has viewed the approved video concerning food allergies as part of an otherwise approved food protection manager course.”

SECTION 2. Said section 6B of said chapter 170 is hereby further amended by striking out, each time they appear, the words “Massachusetts Restaurant Association and the Food Allergy & Anaphylaxis Network” and inserting in place thereof, in each instance, the following:-

“Massachusetts Restaurant Association, Food Allergy Research & Education, and the Asthma and Allergy Foundation of America, New England Chapter”
