Resolutions to embrace the Treaty on the Prohibition of Nuclear Weapons and move the US back from the brink of nuclear war.

1           WHEREAS, the continued existence of more than 12,000 nuclear weapons worldwide  
2 poses a grave and existential threat to the citizens of the Commonwealth; and

3           WHEREAS, the Russian invasion of Ukraine and repeated threats to use nuclear weapons  
4 has dramatically increased the danger of nuclear war; and

5           WHEREAS, the citizens of the Commonwealth have expressed their deep concern about  
6 this continuing threat over many decades and continue to do so; and

7           WHEREAS, this concern has been expressed through numerous Town Meetings and City  
8 Council resolutions throughout the Commonwealth; and

9           WHEREAS, this concern has also been expressed through numerous resolutions and bills  
10 brought before this General Court, including at least 5 such bills introduced in the last legislative  
11 session on this topic; and

12           WHEREAS, in general it is the federal government and not the state which has  
13 jurisdiction over matters relating to nuclear weapons, this does not mean there is no role for the  
14 Commonwealth to play in this regard; and

15           WHEREAS, in fact, it has been shown that the policies and actions of states can lead the  
16 way to important and necessary changes at the federal level and even internationally; and

17           WHEREAS, the Commonwealth of Massachusetts played a leading role in ending the  
18 nuclear arms race with the Soviet Union in the 1980s, by adopting a Nuclear Freeze resolution  
19 and encouraging other states to follow our example and

20           WHEREAS, over 40 years later it is not a “freeze” of nuclear weapons that is needed to  
21 save the Commonwealth, and the world, from the unthinkable catastrophe of a nuclear war or a  
22 nuclear accident, but the complete elimination of these weapons, in line with the Treaty on the  
23 Prohibition of Nuclear Weapons, which entered into force as international law on January 22,  
24 2021;

25           THEREFORE, be it resolved that the General Court of the Commonwealth of  
26 Massachusetts congratulates the 68 countries that have signed and ratified the Treaty on the  
27 Prohibition of Nuclear Weapons, and joins the legislatures of California and Oregon, the Maine  
28 State Senate, the New Jersey Assembly, Rhode Island Senate and the 20 cities and towns in  
29 Massachusetts which have taken action to protect their citizens from the existential threat of  
30 nuclear war by embracing this Treaty and endorsing the national Back from the Brink platform,

31 which calls on our federal leaders to embrace the Treaty on the Prohibition of Nuclear Weapons  
32 and to take immediate steps to prevent nuclear war by actively pursuing a verifiable agreement  
33 among nuclear-armed states to eliminate their nuclear arsenals, renouncing the option of using  
34 nuclear weapons first, ending the President's sole, unchecked authority to launch a nuclear  
35 attack, taking U.S. nuclear weapons off hair-trigger alert, and canceling the plan to replace its  
36 entire arsenal with enhanced weapons, and be it further

37         RESOLVED, that it shall henceforth be the policy of the General Court of the  
38 Commonwealth of Massachusetts to pursue whatever measures may be found necessary and  
39 appropriate to protect the citizens of the Commonwealth from the existential threat posed by  
40 nuclear weapons and to contribute in whatever ways it can, as a Commonwealth, towards the  
41 total elimination of these weapons from all countries, in line with the Treaty on the Prohibition  
42 of Nuclear Weapons; and be it further

43         RESOLVED, that copies of this resolution be transmitted forthwith by the clerk of the  
44 Senate to the President and Vice President of the United States, the Speaker and Minority Leader  
45 of the United States House of Representatives, the Majority and Minority Leaders of the United  
46 States Senate, and to each Senator and Representative from the Commonwealth in the Congress  
47 of the United States, and to the Governor of the Commonwealth.
