An Act relative to furthering the success of opiate intervention programs.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 34A of Chapter 94C of the General Laws, as appearing in the 2020 Official  
2 Edition, is hereby amended by inserting at the end thereof the following:-

3           (f) State and municipal law enforcement personnel and emergency medical personnel to  
4 include, but not limited to, emergency medical technicians (EMTs), paramedics, and fire  
5 department personnel may provide and transfer an opioid antagonist to an individual or to his or  
6 her responsible family member, friend, or other person, along with instructions on administration  
7 and use of the opioid antagonist, to provide opioid overdose protection to the individual, in the  
8 good-faith judgment based on their experience, training, knowledge, observations, and  
9 information provided by the individual at substantial risk of experiencing an opioid-related

- 10 overdose event from the individual's family, friend, or others with knowledge of the individual's
- 11 prior opioid use.
