The Commonwealth of Massachusetts

In the One Hundred and Ninety-Third General Court (2023-2024)

An Act relative to public safety officers and creditable service.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- SECTION 1. Section 3 of chapter 32 of the General Laws is hereby amended by inserting after subdivision (5) the following subdivision:-
- 3 (5) Any public safety officer of a city or town who is a member in service or an inactive
- 4 member, who had rendered service in any other state or for the Massachusetts Bay
- 5 Transportation Authority for any previous period as a public safety officer may, before the date
- 6 any retirement allowance becomes effective for him, pay into the annuity savings fund of the
- 7 system in one sum, or in installments, upon such terms and conditions as the board may
- 8 prescribe, an amount equal to that which would have been withheld as regular deductions from
- 9 his regular compensation for such previous period, or most recent portion thereof, as he may
- elect, had such service been rendered in the commonwealth (other than the Massachusetts Bay

Payment shall not be made and no credit shall be allowed for service in other states or the Massachusetts Bay Transit Authority in excess of five years; provided, that no credit shall be allowed and no payment shall be accepted for any service for which the member shall be entitled to receive a retirement allowance from any other state or the Massachusetts Bay Transportation Authority. In addition to the payment of such sum or installments thereof, such member shall also pay into the annuity savings fund an amount of interest such that at the completion of such payments the value of his accumulated payments, together with regular interest thereon, actually made on account of such previous out-of-state service or service with the Massachusetts Bay Transportation Authority, shall equal the value of his accumulated regular deductions which would have resulted if regular deductions had been made when regular compensation for such service was actually received. Upon the completion of such payments, such member shall receive the same credit for such period of his previous out-ofstate service or service with the Massachusetts Bay Transportation Authority, or portion thereof elected, as would have been allowed if such service had been rendered by him in the commonwealth (other than the Massachusetts Bay Transportation Authority). Such member shall furnish board with such information as it shall require to determine the amount to be paid and the credit to be allowed under this subdivision. At the time a retirement allowance becomes due to a member or to a beneficiary under option (d) of subdivision (2) of section 12, if the Massachusetts service (other than service with the Massachusetts Bay Transportation Authority) on the date either retirement allowance becomes effective, or on the date the member attained age 65, whichever first occurs, is less than the service in other states or the Massachusetts Bay Transportation Authority for which the member has paid, credit shall be allowed only for the
