For fiscal year 2025, a district's school aid shall be calculated according to the provisions of said chapter 70, as most recently amended by Chapter 132 of the Acts of 2019, also known as the Student Opportunity Act. The foundation budget category of "low-income enrollment" for the purpose of calculating foundation enrollment shall be determined by financial eligibility for certain federal programs, as defined by the provisions of section 2 of said chapter 70, and including a number of students identified and approved as low income through the supplemental claiming system established and posted by the department for that purpose, as well as students identified and approved as homeless for purposes of calculating the McKinney-Vento homelessness grant program administered by the department, consistent with the conditions provided for in said section 2. Provided further, that the assumed special education enrollment percentage for vocational school students shall be set at 4.93 per cent and the assumed special education enrollment percentage for non-vocational school students shall be set at 3.93 per cent.

The per-pupil rates for the employee benefits and fixed charges allotments shall be adjusted by the foundation employee benefits inflation rate and the per-pupil rates for all other foundation allotments shall be adjusted by the foundation inflation index. Foundation increments shall be the additional resources provided for the education of students designated as English learners or low-income; provided, however, that for low-income students the amount of the foundation increment shall be determined by the low-income group into which each district is assigned. Foundation budget rates for employee benefits and fixed charges, guidance and psychological services, special education out-of-district tuition, English learners and low-income students shall be increased by four-sixths of the gap between the rates used in fiscal year 2021 and the rates established in tables 1 and 2 of section 3 of said chapter 70, consistent with adjustments prescribed in said section 3 and set at the rates identified in the table below. Required local contributions shall be calculated pursuant to said chapter 70; provided, that municipal revenue growth factors shall be calculated in a manner consistent with calculations made in fiscal year 2024; provided further, that the total statewide target local contribution shall be 59 percent and the effort reduction percentage shall be 100 percent; and provided further that the minimum aid per pupil dollar amount shall be \$104.

Chapter 70 aid for fiscal year 2025 shall be the greater of: (i) foundation aid, or (ii) the sum of base aid and minimum aid. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014; provided, however, that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district or independent agricultural school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

13 shall be based on enrollment; provided, however, that enrollment shall be measured by the department using
14 quarterly enrollment averages or if deemed appropriate by the department, enrollment averages less frequent

23 requirement that the early education and care provider comply with all applicable requirements of this chapter
24 and any other federal or state requirements necessary to receive funding for child care financial assistance
25 provided to families under this section.

26 (d) The department shall provide child care financial assistance to: (i) families with a child who has an

33 transitional period; (D) parents who are under 18 years of age who are currently enrolled in a job training

34 program and who would qualify for benefits under chapter 118 if not for the consideration of the income of the
35 minor parents' legal guardians or parents; and (E) recipients of the supplemental nutrition assistance program
36 who are participating in education and training services approved by the department of transitional assistance;
37 and (iii) families in need of early education and care services whose family income is not more than 85 per cent

56 (g) For the purposes of child care financial assistance eligibility, "family income" shall include the
57 income of parents living with the child receiving child care financial assistance but shall not include: (i) any

58 form of income of foster parents, caregivers or other adult family members; (ii) income of siblings who are not
59 receiving child care financial assistance; or (iii) earned income of any minor child.

60 To the extent allowable under federal law and regulation, no child care financial assistance provided

63 to, transitional aid to families with dependent children benefits.

64 (h) The department or its agents shall not reduce, terminate or deny continued child care financial

67 higher. If a family is determined to be ineligible for financial assistance, the family shall be given an
68 opportunity for an administrative review. If the department or its agents, after such administrative review,
69 reduce, terminate or deny a family's child care financial assistance, the department shall provide the family with
70 an opportunity for an administrative appeal hearing and shall process the appeal within 60 days from the date
71 the request is made. Subject to department rules and regulations, while an administrative review or, if
72 applicable, an administrative appeal hearing is pending and until a final determination is made, services
73 supported by child care financial assistance shall continue after receipt of a notice of reduction, termination or
74 denial of continued child care financial assistance.

75 (i) The department shall review the child care financial assistance program not less than annually to
76 identify access barriers to families and opportunities to improve families' experiences with the child care

86 of administrative reviews requested, delineated by reasons for ineligibility as determined by the department; (iv)
87 the number of administrative reviews performed, delineated by reversal, reduction, termination and denial of
88 child care financial assistance and length of time in which a decision was made; and (v) the number of
89 administrative appeal hearings, delineated by the administrative appeal hearing decisions and length of time in
90 which a decision was made. The report shall be made publicly available on the department’s website.

91 (k) The department shall promulgate regulations necessary to implement this section.

The formula shall consider: (i) licensed capacity and enrollment including the ages of the children enrolled and the ages of the children for whom the provider has capacity; provided, however, that enrollment shall be measured by the department using quarterly enrollment averages or if deemed appropriate by the department, enrollment averages less frequent than quarterly (ii) costs associated with employee compensation, including salaries and benefits; (iii) the number of enrolled children receiving child care financial assistance or scholarship assistance from an early education and care provider; (iv) the demographics and income of families served, including the number of children enrolled and identified as high needs; (v) the cost of goods and services necessary for provider operations, including rent, utilities, maintenance and facility improvements; (vi) the cost of quality care methodology developed by the department and, until such time as the methodology is established, any available information regarding the cost of quality early education and care, including available credentialing frameworks and applicable salary guidelines; (vii) increasing the financial stability of providers in need; (viii) and business structure of providers; and (ix) any other factors impacting the cost of providing quality early education and care including, but not limited to, serving infants and toddlers, providing nonstandard hours of care and providing care in socially and economically disadvantaged and historically underrepresented communities with shortages of early education and care slots. The department shall incorporate geographic equity into the development of the distribution formula.

64 and that, directly or through an affiliate, operates more than 10 center-based programs in the commonwealth

80 career ladder established under section 20 and improving access to, and the affordability of, high-quality early
81 education and care; (vi) an analysis of the impact that the termination of the operational grant program would
82 have on the commonwealth; (vii) if applicable, recommendations on how the program could be modified to
83 most effectively direct grant funding to providers serving families with the greatest needs; and (viii) if
84 applicable, recommendations on how to amend the distribution formula to maximize the goals of educational
85 equity, school readiness and optimal results for families with the greatest needs. The department shall publicly
86 post on its website the amount of operational grants awarded, delineated by the name of each recipient and by
87 the municipality in which the recipient is located.

97 (c) The department shall review the career ladder’s compensation structure and benefits guidelines
98 annually and update them, as needed, based on increased cost of living or any other factors deemed relevant by

2 revenue may establish a tax amnesty program during which all penalties that may be assessed by the
3 commissioner shall be waived without the need for any showing by the taxpayer of reasonable cause or the
4 absence of willful neglect for the failure of the taxpayer to: (i) timely file any proper return for any tax type and
5 for any tax period; (ii) timely pay any tax liability; or (iii) pay the proper amount of any required estimated
6 payment toward a tax liability. The waiver of a taxpayer's liability under this section shall apply if the taxpayer,
7 prior to the expiration of the amnesty period, voluntarily files proper returns and pays the full amount of tax
8 shown on the taxpayer's returns or upon the commissioner's assessments, including all interest due. The waiver
9 shall not apply to any penalties that may be due pursuant to section 35A, 35D or 35F of chapter 62C of the
10 General Laws with regard to returns filed pursuant to the tax amnesty program. The waiver of penalties shall

11 not apply to any period for which the taxpayer does not file proper returns. The tax amnesty program shall apply
12 to tax returns due on or before December 31, 2024. If a taxpayer comes into compliance with tax obligations
13 pursuant to the tax amnesty program, the commissioner may apply limited look-back periods for unfiled returns,
14 not to exceed 4 years, unless the commissioner determines that the taxpayer has acted with fraudulent intent.
15 The scope of the tax amnesty program, including the particular tax types, periods covered and the applicability
16 of the look-back periods, shall be determined by the commissioner.

17 (b) The tax amnesty program shall be established within fiscal year 2025 for a period of 60 days to be
18 determined by the commissioner and shall expire not later than June 30, 2025. If a taxpayer fails to pay the full
19 liability by June 30, 2025, the commissioner shall retain any payments made and shall apply the payments
20 against the outstanding liability and the tax amnesty shall not apply.

21 (c)(1) The commissioner may offer tax amnesty to taxpayers who have failed to file required returns due
22 for any tax period on or before December 31, 2024; provided, however, that the taxpayer shall file the required
23 return and shall pay the tax shown as due on the return during the amnesty period.

24 (2) The commissioner shall not authorize the waiver of interest or any amount treated as interest.

25 (3) The commissioner's authority to waive penalties during the amnesty period shall not apply to any
26 taxpayer who is or has been the subject of a tax-related criminal investigation or prosecution or to any taxpayer
27 who delivers or discloses or has delivered or disclosed any false or fraudulent application, document, return or
28 other statement.

29 (4) Any taxpayer who delivers or discloses a false or fraudulent application, document, return or other

32 chapter 62C of the General Laws; or (ii) a penalty not to exceed \$10,000, which shall be calculated and assessed
33 according to rules determined by the commissioner and may be subject to de minimis or other exceptions that
34 the commissioner may consider appropriate. This penalty shall be subject to said chapter 62C and shall be
35 added to and become part of the tax due.

36 (d) Tax amnesty shall not apply to penalties that the commissioner would not have the sole authority to
37 waive including, but not limited to, fuel taxes administered under the International Fuel Tax Agreement or
38 under the local option portions of taxes or excises collected for the benefit of cities, towns or state governmental
39 authorities.

40 (e) The commissioner shall maintain records of the penalties waived pursuant to the tax amnesty
41 program including, but not limited to: (i) the number of taxpayers provided with tax amnesty; (ii) the types of
42 tax liability for which tax amnesty was provided and, for each type of liability, the amount of tax liability
43 collected and the amount of penalties forgone by virtue of the tax amnesty program; and (iii) the total
44 outstanding tax liability for amnesty-eligible taxpayers at the conclusion of the tax amnesty program after the
45 collection of all funds pursuant to this section. The commissioner shall file a report detailing the tax amnesty
46 program with the clerks of the senate and house of representatives, the house and senate committees on ways
47 and means, the joint committee on revenue and the house and senate minority leaders not later than September
48 1, 2025. The report shall not contain information sufficient to identify an individual taxpayer or the tax amnesty
49 provided to an individual taxpayer pursuant to this section.

50 (f) The commissioner shall establish administrative procedures and methods to prevent a taxpayer who
51 utilizes the tax amnesty program from utilizing any future tax amnesty programs for the next 10 consecutive
