**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Third General Court  
(2023-2024)**

An Act relative to offshore wind and wildlife habitat management.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 21A of the General Laws, as so appearing in the 2022 Official  
2 Edition, is hereby amended by inserting after section 4A the following section:

3           Section 4A½. The secretary of the executive office of energy and environmental affairs  
4 shall establish an advisory council on offshore wind wildlife habitat management, hereinafter  
5 advisory council. The advisory council shall be comprised of experts and stakeholders in  
6 wildlife monitoring and protection, representation from both federally recognized tribes in the  
7 commonwealth, and relevant state and federal agencies.

8           The advisory council shall provide input to the office of coastal zone management on best  
9 practices for avoiding, minimizing and mitigating impacts to wildlife, including, but not limited  
10 to, threatened or endangered species such as North Atlantic right whales, coastal and marine  
11 habitats, natural resources and ecosystems, and traditional or existing water-dependent uses, by:

12 a) establishing baseline standards for monitoring and mitigation plans required by sections  
13 83(e)(1)(v)(H) and 83C(e)(1)(v)(I) of chapter 169 of the acts of 2008; b) advising on and  
14 monitoring the expenditure of funds raised through any long-term contracts dedicated for  
15 wildlife monitoring and mitigation; and c) conducting an ongoing review of implemented  
16 monitoring and mitigation programs and provide feedback and recommendations on an as-  
17 needed basis, to be considered by the office. Pre-construction engagement of the advisory  
18 council shall correspond with project development, solicitation and permitting and a process to  
19 determine federal consistency with approved coastal management programs.

20 SECTION 2. Clause (v) of subsection (e)(1) of section 83C of chapter 169 of the acts of  
21 2008, as most recently amended by section 61 of chapter 179 of the acts of 2022, is hereby  
22 amended by striking out subclause (I) and inserting in place thereof the following subclause:

23 (I) contain comprehensive plans for wildlife monitoring and mitigation of adverse  
24 wildlife impacts due to the construction and operation of offshore wind facilities that meet the  
25 standards established by the office of coastal zone management based on input from the advisory  
26 council on offshore wind wildlife habitat management established in section 4A $\frac{1}{2}$  of chapter 21A  
27 of the General Laws;

28 SECTION 3. Section 3(a)(32) of chapter 23J of the General Laws, as appearing in the  
29 2022 Official Edition, is hereby amended by striking the words “and (vii)” and inserting in place  
30 thereof the following: “(vii) coordinating with state agencies, regional and tribal entities, and  
31 experts on wildlife monitoring and mitigation planning associated with offshore wind activities,  
32 including, but not limited to, the members of the advisory council established pursuant to section  
33 4A $\frac{1}{2}$  of chapter 21A; and (viii)”

34 SECTION 4. Section 9(c) of chapter 23J of the General Laws, as so appearing in the  
35 2022 Official Edition, as most recently amended by section 17 of chapter 179 of the acts of 2022,  
36 is hereby amended by striking the words “and (viii)” and inserting in place thereof the words  
37 “(viii) the protection of coastal and marine wildlife through monitoring and mitigation of habitat  
38 loss from threats posed by of offshore wind development; and (ix)”.

39 SECTION 5. Section 9(d) of chapter 23J of the General Laws, as so appearing in the  
40 2022 Official Edition, is hereby amended by adding at the end the following words: “and coastal  
41 and marine wildlife and habitats.”
