Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Section 1 of chapter 123B, as appearing in the 2018 Official Edition, is
2 hereby amended by striking lines 18 through 37 and inserting in place thereof the following:-

3 “Person with a developmental disability,” (1) an individual 5 years of age or older with a
4 severe, chronic disability that: (i) is attributable to a mental or physical impairment or
5 combination of mental and physical impairments; (ii) is manifested before the individual attains
6 age 22; (iii) is likely to continue indefinitely; (iv) results in substantial function limitations in 3
7 or more of the following areas of major life activity: (1) self-care; (2) receptive and expressive
8 language; (3) learning; (4) mobility; (5) self-direction; (6) capacity for independent living; and
9 (7) economic self-sufficiency; and (v) reflects the individual’s need for a combination and

A person who has a developmental disability may be considered to be mentally ill; provided, however, that no person with a developmental disability shall be considered to be mentally ill solely by the reason of the person's developmental disability.

SECTION 2: This act shall take effect on January 1, 2025.
