*Re: Mass Cultural Council Pandemic Recovery Program Report*

Dear Secretary Gorzkowicz and Chairs Rodrigues, Mark, Michlewitz, and Domb:

On behalf of Executive Director Michael J. Bobbitt and Mass Cultural Council, this letter and attachments constitute the report due to your offices as of June 1, 2023 pursuant to Chapter 102 of the Acts of 2021, *An Act relative to immediate COVID-19 recovery needs* (referred to in this letter as "the Act") which went into effect in mid-December 2021.

Under this Act, Mass Cultural Council, in Section 2A, Line item 1599-2043, was provided with \$60,147,000 (referred to in this report as "*Pandemic Recovery Funds*") for the purposes set forth therein. (Please note that Line Item 1599-2043 contained \$134,978,000 of spending directives and \$74,831,000 of that amount went for specified earmarks which are being administered by other departments of the Commonwealth).

Mass Cultural Council is directed use the Pandemic Recovery Funds to “*administer a grant program for the purposes of assisting cultural organizations and artists recover from the 2019 novel coronavirus pandemic and operate more efficiently.*” Mass Cultural Council was directed to submit to your offices by June 1 of every year a report including the following information:

- (a) a list of the grant recipients, including the sector of each recipient;*
- (b) a list of applicants that did not receive a grant, including the sector of each applicant;*
- (c) the amount of grants provided to each grant recipient;*
- (d) the geographic distribution of said grants;*
- (e) efforts to promote a diverse art and cultural sector through the grants; and*
- (f) any adjustments to the grant application criteria.*

Mass Cultural Council submitted its first report under the Act on June 1, 2022 where it detailed the amount of Pandemic Recovery Funds spent/committed on grants prior to that date: \$5,180,000 contributed to the Cultural Facilities Fund for grants as permitted under the terms of the Act.

#### ACTIVITY SINCE JUNE 1, 2022

Since last year's report was submitted, Mass Cultural Council has taken the following steps with respect to the Pandemic Recovery Funds:

- In Summer of 2022, allocated approximately \$51 million of Pandemic Recovery Funds for and launched two Cultural Sector Recovery Grant programs- one for [Cultural Organizations](#) and one for [Individuals](#).
- In August 2022, allocated \$2,500,000 to our partner organization, Mass Humanities, to operate its own pandemic recovery programs for humanities organizations in Massachusetts in order to reach those organizations that Mass Cultural Council may not have reached through its own Cultural Sector Recovery Grant programs.
- Reviewed applications from the Cultural Sector Recovery Grant programs in late 2022 and voted in January 2023 to approve the disbursement of more than 5200 grants to Massachusetts cultural organizations and creative individuals.
- From January 2023 until the present, Mass Cultural Council has been working to appropriately document and process grantee contracts in accordance with State-mandated processes. To date, we have funded close to 75% of the Organization program awards and over 35% of the Individual program awards.

## GRANT RECIPIENT INFORMATION

Set forth below is information regarding the 5,209 grants using \$53.47 million of Pandemic Recovery Funds approved by Mass Cultural since June 1, 2022. The grants consist of:

- (a) 1,215 Cultural Sector Recovery Grants for Organizations, totaling \$31,005,700.
- (b) 3,993 Cultural Sector Recovery Grants for Individuals, totaling \$19,965,000.
- (c) One grant to Mass Humanities for \$2,500,000<sup>1</sup>.

Mass Humanities' grant program for humanities organizations will not close until mid-June 2023, and so details on those grants, plus any further grants to be made by Mass Cultural Council with leftover Pandemic Recovery Funds **will be provided in next year's** final report under the Act on June 1, 2024.

Attached as Exhibit A, please find a list of the 1,215 recipients of Cultural Sector Recovery Grants for Organizations listed alphabetically, the amounts of each grant. Also included is a list of the 144 organization applicants who did not receive grants- either due to eligibility, declining the grant or the fact such applicant had already received a grant under other provisions of the Act. Also included is a column identifying the specific cultural sector of each applicant. This exhibit provides the information requested in clauses (a) through (c) of the provisions under the Act concerning this report with respect to this program. (Please let us know if you would like a spreadsheet version of this document).

Attached as Exhibit B, please find a list of the 3,993 recipients of Cultural Sector Recovery Grants for Organizations listed alphabetically, the amounts of each grant. Also included is a list of the 3,603 applicants who did not receive grants- either due to eligibility or the fact that funds for this program were exhausted. Please note the Council originally intended to award 4,000 grants but during the contracting process, some applicants were either determined to be ineligible or declined the award. We intend to disburse any remaining grant funds in FY24 in accordance with the Act with specific terms to be determined. Also included is a column identifying the specific cultural sector of each applicant. This exhibit provides the information requested in clauses (a) through (c) of the provisions under the Act concerning this report with respect to this program. (Please let us know if you would like a spreadsheet version of this document).

Attached as Exhibit C, please find a chart setting forth the geographic distribution of the grantees under the Cultural Sector Recovery Grant programs. This exhibit provides the information requested in clause (d) of the provisions under the Act concerning this report.

For purposes of the grant to Mass Humanities, the information required by clauses (a) to (d) is that Mass Humanities of Northampton, MA (but with a statewide mandate) received

---

<sup>1</sup> This amount represents fewer grants than from what the Agency publicly reported earlier and reflect the fact that some originally approved grantees (approximately 10) later declined the grant or were found to be ineligible as part of the contracting process.

\$2,500,000 for purposes specified under the Act and specifically includes a regranting program to humanities organizations for pandemic recovery purposes.

## DIVERSITY EFFORTS

For purposes of clauses (e) and (f) of the provisions under the Act concerning this report- *“Efforts to promote a diverse art and cultural sector through the grants”* & *“Adjustments to the grant application criteria,”* Mass Cultural Council took many specific steps to ensure that its Cultural Sector Recovery Grants programs were inclusive and helped to promote a diverse sector.

- Equity Plan. As stated in the prior report, Mass Cultural Council's [Racial Equity Plan](#) represents the Agency's overall strategy and practices pertaining to the equitable deployment and investment of all resources.
- Targeted Outreach. Council staff has intentionally identified and prioritized engagement and relationship building and focusing on cultural sector stakeholders who may identify as Black, Indigenous, or as a Person of Color (BIPOC), d/Deaf, or as a person with a disability, as well as those who live and/or work in under-resourced communities.
- Specific Recruitment Practices. For the Cultural Sector Recovery Grant programs, staff conducted multiple webinars for potential applicants, followed by posting recordings in Spanish, and provided multiple opportunities for applicants to meet with staff in virtual 'office hours' and one on one consulting sessions. Outreach efforts included the Council's core strategies for promoting grant programs (e.g., social media, e-newsletter, blog, etc.), in addition to messaging to organizations in the grants management system that had not received a grant from the Council in the last three years. Staff also targeted grantees in under-resourced communities (as defined in the program guidelines) through state and federal data sources and Google's geocentric searching capabilities. Social media outreach was expanded to include live online events in Spanish. In addition, in-person informational events were held in East Boston and Holyoke, along with media placements, guest events with organizational partners including the Small Business Administration and the Springfield Trust Transfer Project, and countless email, in-person, phone, and other interpersonal communications.
- Program Design. To address the Act's mandate that the Council “shall consider racial, geographic and programmatic diversity and equity within the cultural sector,” the Individuals program guidelines included Funding Priorities which were:
  - o people who identify as BIPOC/People of the Global Majority;
  - o people who identify as d/Deaf or as having a disability;
  - o people who live in communities that are under the state's median income and educational attainment levels; and
  - o new/non-recent grantees.

- To ensure geographic fairness, the program distributed grants to six regions of the Commonwealth (as set forth in the published guidelines) in proportion with **that region's percentage of applications. By keeping the eligibility broad and committing an intensive, Agency-wide recruitment effort, the range of applicants and their creative disciplines is far-reaching and diverse. (NOTE-In the Organizations program, we had sufficient resources to fund every eligible applicant, so prioritization and geographic limits were not necessary.)**
- Results. Our efforts at diversity and inclusion resulted in the following grant funding outcomes:
  - o 15% of the Organization grantees identified as "BIPOC-Centered Organizations", as defined by the Agency.
  - o 42% of the Organization grantees had never received a Mass Cultural Council grant before.
  - o 51% of the Organization grantees had annual budgets under \$100,000.
  - o 27% of the Individual grantees self-identify as a person who is Deaf or has a disability.
  - o 55% of the Individual grantees live in priority, under-resourced communities (as defined by the program guidelines).
  - o 59% of the Individual grantees self-identify as BIPOC.

Furthermore, the geographic distribution of the grants (see Exhibit C referenced above) shows a broad distribution throughout the entire Commonwealth.

Copies of the program guidelines for the Cultural Sector Recovery Grants for Organizations and for Individuals programs are **and a copy of the "Frequently Asked Questions" (FAQs)** are attached as Exhibit D and Exhibit E, respectively and helps to show how criteria were adjusted in terms of multiple unanticipated issues and questions that came up from dealing with such a large and diverse applicant pool.

For purposes of the Mass Humanities grant, information required clauses (e) and (f) of the provisions under the Act concerning this report will be reported on in next year's report after its Staffing Recovery Grant program has closed and awarded grants. Guidelines for such program are available at [Grant Guidelines for Staffing Recovery](#). Efforts to promote diversity include the following considerations:

1. Priority for organizations not awarded funds under Mass Cultural Council's Cultural Sector Recovery Grant program or other line item in the Act.
2. Priority for organizations that are located in municipalities with higher-than-average percentages of people living at or near poverty outside of Boston.
3. Overall geographic diversity.

Mass Cultural Council greatly appreciates your partnership in securing these historic Pandemic Recovery Funds for the creative and cultural sector. If you have any questions, please do not hesitate to contact me, or Senior Director of Public Affairs [Bethann Steiner](#).

Sincerely,

A handwritten signature in black ink, appearing to read "David Slatery". The signature is fluid and cursive, with a long horizontal stroke at the end.

David Slatery  
Deputy Executive Director

cc: Michael Bobbitt, Executive Director

## LIST OF EXHIBITS

### Cultural Sector Recovery Grants for Organizations: Guidelines and FAQs

#### Application Process

***This grant program has closed. Notifications to applicants will be made in late January 2023.***

Mass Cultural Council's Cultural Sector Recovery Grants for Organizations offers unrestricted grants ranging from \$5,000-\$75,000 to Massachusetts cultural organizations, collectives, and businesses negatively impacted by the COVID-19 pandemic.

This site uses Google Translate to offer online translation. Click the "translate" button at the top right of the screen and select the preferred language.

You can also [request application materials be translated offline](#). These will take 5-10 business days to complete upon request.

*Esta página web utiliza el traductor de Google para ofrecer traducción en línea. En la parte superior derecha de su pantalla, haga click en el botón "translate" y seleccione el idioma preferido.*

*Además, usted también puede [solicitar la traducción de los materiales de la aplicación](#) y que estos se le sean enviados digitalmente. Este proceso tardará de 5 a 10 días hábiles.*

#### How to Apply

1. Read the program guidelines (below), [FAQs](#), and a [sample application](#) (PDF).
2. [Watch a recorded info session](#) (seminario informativo), [download the slide deck](#) ([descargue la presentación](#)), and/or join us for [office hours](#) to learn about the program. [One-on-one support](#) is also available.
3. Learn more about [requesting an accommodation for accessibility including translation and interpretation services](#).
4. [Register in our grants management system](#) (or check to see if you already have a user profile).

5. Optional: If your organization is led by and serves the people of the global majority — Black, Indigenous, People of Color, Latinx, Asian, Native American, Pacific Islander, and all other ethnicities of color — complete the [BIPOC-Centered Organization Self-Identification Form](#). (See “Prioritization Categories” below.)
6. [Complete the online application](#), which opens on August 8, 2022. Submit it before the application deadline on September 28, 2022, at 11:59pm (ET).

Questions? [Email Mass Cultural Council staff](#) or call 617-858-2821.

## Program Guidelines

### Program Overview

Cultural Sector Recovery Grants for Organizations provides unrestricted support to Massachusetts cultural organizations, collectives, and businesses negatively impacted by the COVID-19 pandemic. Culture is a major contributor to economic growth and opportunity in Massachusetts and cultural organizations have suffered staggering losses due to the pandemic and related closures. An investment in the recovery of cultural organizations is an investment in the economic recovery of the Commonwealth.

Cultural Sector Recovery Grants for Organizations will range from \$5,000 to \$75,000. Mass Cultural Council reserves the right to change these ranges based on the volume of requests received. These funds were appropriated through [Chapter 102 of the Acts of 2021](#), *An Act relative to immediate COVID-19 recovery needs*.

### Eligibility

We encourage you to apply if:

1. Your organization is fully cultural. Your group/collective/organization’s primary mission or purpose is creating and/or presenting cultural activities or services to the cultural sector in the arts, humanities, and interpretive sciences. These cultural activities are publicly available and/or community-based. This can be expressed by your mission statement if you have one, and the work that you do.
  1. For this program, “publicly available” means any cultural activity that is available to the general public by paid or free admission.
  2. For this program, “community-based” means any cultural activity that focuses on serving the needs of a geographic community, ethnic heritage, or cultural tradition and may include events, education, performances, conservation, or cultural revitalization efforts.

If you have any questions about whether your organization’s work is eligible for this grant, [contact staff](#) before starting the application. [Read the FAQs to learn more.](#)

AND

2. Your group/collective/organization is a:

- o Federally or state-recognized tribe or an Urban Indian organization, with ties to the land that is currently known as "Massachusetts".

OR

- o Fiscally-sponsored organization with a Massachusetts address that conducts the majority of your programming in Massachusetts. This means you are an unincorporated organization with a non-profit objective, or an incorporated organization in the process of getting your federal tax-exempt status.

OR

- o For-profit corporation, cooperative, partnership or LLC that is (1) privately owned by individuals, (2) has a Massachusetts address on the business' Federal Business or Partnership Tax Return, and (3) has three or fewer locations.

OR

- o Massachusetts municipal organization, creating and/or presenting your own public cultural activities (ex. [Local Cultural Councils](#) or [Cultural Districts](#)).

OR

- o Massachusetts recognized non-profit whose federal tax-exempt status is currently active.

3. Special Guidance:

1. Sole proprietorships and single-member LLCs are encouraged to apply as individuals, through [Cultural Sector Recovery Grants for Individuals](#).
2. Organizations without pre-pandemic operating expenses (established on or after March 31, 2020) are eligible to apply for funding. These organizations must have conducted cultural programming before June 30, 2022, and must be able to provide a financial statement for the full or partial fiscal year.

Organizations are ineligible and should not apply if they are:

1. Schools and degree-granting institutions (K-12, colleges, universities, including programs operating within a school)

#### Application Submission Instructions

Your application must be filled out and submitted along with attachments as stated in "Required Documentation" (listed below) through Mass Cultural Council's online application. Hard copies or electronic files submitted in any other way, such as mailed in or emailed, will not be considered. If you need assistance with the online application, please [contact staff](#).

#### Required Documentation

Please be prepared to provide the following for your application:

- Selected pages of your federal tax forms for FY19, FY20, and FY21.
  - Non-profits: This is your federal form 990 or 990EZ. If you file a 990-N, follow the directions for fiscally sponsored organizations.
  - For-profits: This is your federal form 1120 or 1065.
- For fiscally-sponsored organizations, and programs of municipalities and Tribal Governments, provide a statement of income and expenses for FY19, FY20, and FY21, and a balance sheet if you have them. This can be a Profit & Loss statement, or it can be an Excel file, a report from your accounting software, or other internal documents that show your income and expenses for the listed years.

#### Review and Award Process

After the application period closes, Mass Cultural Council staff will review all applications to determine eligibility. Staff will make award recommendations to the governing Council based upon eligibility criteria and preference prioritization. The review will be based on information provided by applicants and verified by staff. Mass Cultural Council will make every effort to ensure accuracy but cannot be held accountable for missing or incorrect information in the relevant sources. Mass Cultural Council will administer all grant payments.

#### Funding Determinations

Grant amounts will be determined by a formula based on the number of eligible applicants, an organization's pre-pandemic operating expenses, and the "Prioritization Categories" listed below. For organizations established on or after March 31, 2020, the lack of pre-pandemic financial statements will not prevent them from getting a grant.

Prioritization Categories (these are not eligibility criteria)

- First-time applicants or applicants that have not received funding from Mass Cultural Council in the last three fiscal years. [Read the FAQs to learn more.](#)
- Applicants that are located in cities and towns that are below the state's median household income and below statewide educational attainment (the percentage of adults who have attained at least a bachelor's degree). This includes but is not limited to places designated as Gateway Cities. [A full list of these under-resourced communities is available.](#)
- Applicants that self-identify as led by and serving people of the global majority — Black, Indigenous, People of Color, Latinx, Asian, Native American, Pacific Islander, and all other ethnicities of color. Organizations wishing to make this identification will need to fill out a [BIPOC-Centered Organization Self-Identification Form](#) in the grants management system.
- Applicants that received little to no other state and federal COVID-19 relief funds. [Refer to the FAQs for a list of these programs.](#)
- Applicants that have demonstrated economic need as a result of the COVID-19 pandemic.
- Applicants that have demonstrated impact on job creation in Massachusetts.
- Applicants that have demonstrated impact on tourism in Massachusetts.

This program is funded through state pandemic monies made available to the cultural sector via Chapter 102 of the Acts of 2021, *An Act relative to immediate COVID-19 recovery needs*. Mass Cultural Council seeks to award these one-time funds to as many eligible recipients as possible to assist the economic recovery of the cultural sector. As such, while reviewing applications, we will take into account funding you may have already received from an earmark or another state program, authorized from this Act.

Depending on the volume of requests received, Mass Cultural Council reserves the right to deprioritize, adjust the grant amount of, or exclude the following applicants:

- Organizations that have received a direct earmark through Chapter 102 of the Acts of 2021, *An Act relative to immediate COVID-19 recovery needs*.
- Organizations that did not experience a negative financial impact due to the COVID-19 pandemic.
- Organizations that received Cultural Organization Economic Recovery Grant/Supplemental Economic Recovery Grants awarded by Mass Cultural Council.

#### Grant Payment

In order to receive the funds awarded through this program, grantees must complete

the following documentation, and print, sign, and return originals by mail to Mass Cultural Council:

- State Contract and attachments
- Electronic Funds Transfer Form
- W-9

All the necessary documents will be emailed to grantees to complete. Grantees who do not have a bank account that the funds can be transferred to can notify the Contract Officer at the time of award notification in order to request a mailed check. Grantees using a fiscal agent will not be paid directly, the fiscal agent will complete the contract and receive the payment on the grantees' behalf.

Please be aware, grants may be considered taxable income and individuals should seek guidance from their tax professionals/accountants about tax and reporting requirements.

Electronic deposits will be made to the grantee's account (or a check will be mailed) 20 – 45 days after the grantee returns their contract. Mass Cultural Council will make every effort to expedite payments as quickly as possible.

#### Use of Funds

Funds for this program are considered unrestricted operation support and may be used for, but are not limited to

- direct financial support to assist with staffing, occupancy, program expenses, and other operational needs.
- facility upgrades, including costs associated with programmatic adaptation due to the COVID-19 pandemic.
- technology and infrastructure costs for safe reopening of facilities.

These grant funds may not be used to pay expenses if another source of financial aid has paid that same expense.

#### Compliance with Federal Funds, Laws and Regulations

Mass Cultural Council and its grantees are contractually committed to abide by state and federal regulations which bar discrimination on the basis of race, gender, religious creed, color, national origin, ancestry, disability, age, gender identity, or sexual orientation, and which require accessibility for persons with disabilities. Mass Cultural Council's grantees sign a contract certifying that they will comply with ADA and Section 504. Mass Cultural Council aims to help grantees understand their obligations and recognize the opportunities that increasing access can provide for both the public and the grantee. Resources and additional are available as part of Mass Cultural Council's [Access Policy](#).

## Grant Requirements

- **Final Report**  
Grantees will be expected to complete a simple final report describing the use of their grant funds by July 14, 2023, for legislative reporting and advocacy purposes.
- **Acknowledgement of Funding**  
Grant recipients are required to credit Mass Cultural Council for funding. Attachment D of your [contract package](#) or the online [Credit and Publicity Kit](#) has more details.

## Timeline

Application opens: August 8, 2022

Information sessions: [August 10](#) or [August 11](#), 2022

Application deadline: September 28, 2022

Awards finalized; email notifications sent: Late January 2023

Contracts sent: February 2023

Final report deadline: July 14, 2023

## Legal and Other Requirements

### Accessibility and Non-Discrimination Policy

Mass Cultural Council is committed to ensuring that all programs, services, policies, and practices are formulated and conducted in a manner which will ensure equal access for all people and prevent discrimination not only as a matter of law, but also as a policy designed to encourage the participation of all segments of the Commonwealth's population in Mass Cultural Council programs and services.

Mass Cultural Council is dedicated to creating a workplace, programs, and services that welcome, respect, and value people of all races, color, age, sex, ethnicity, sexual orientation, gender identity, religions, creeds, ancestry, national origin, disability and veteran status, and does not discriminate on the basis of these attributes. We strive to reflect diversity in all activities, programs and services by removing any barriers to accessibility.

Mass Cultural Council is happy to offer alternative formats, auxiliary aids, and services necessary so that any individual can participate in Mass Cultural Council's programs and services. [Contact staff for help](#). To facilitate your request in a timely manner, please contact us at least two weeks before any Mass Cultural Council event or grant deadline. Please read the full [Access Policy](#) for more information.

### Reconsideration Policy

An applicant may request reconsideration of a Mass Cultural Council decision on their application if the applicant can demonstrate that the Mass Cultural Council failed to

follow published application and review procedures. Dissatisfaction with the results of a review does not constitute grounds for reconsideration.

The first step in the reconsideration process is to consult with the appropriate Program Staff to discuss the review process that concluded in the Mass Cultural Council's decision. If the applicant wishes to pursue a reconsideration, a request must be sent to the Mass Cultural Council's Executive Director, in writing, within 30 days of the Mass Cultural Council's notification to the applicant of its decision.

## Grants Management System

All applicants should submit their applications through the online system. To create a profile in the system you must have an email address, which will be your username.

If you have not applied to Mass Cultural Council before and/or do not already have a user profile, complete a registration in the grants management system.

- [Go to the online system](#) and click "Register".
- On the next page select "Organization" to register your organization, school, town, or other group.
- Your organization may already have a record in the system. Use the Organization name field to find and select your organization, then provide your contact information.
- If your organization's name is not listed, click the link at the top of the page to register your organization manually. There you will also provide your own contact information as well.
- After completing the registration, you should receive an email to activate your account. The account must be activated within 24 hours. After clicking the activation link, you will be prompted to create a new 8-digit password.

If you have previously applied for a Mass Cultural Council grant using your email address, you may have a profile in the system already. Here's how you can check to see if you already have a user profile:

- [Go to the online system](#) and click "Forgot Password".
- Once you submit your email address, you will receive an email with a temporary password and a link to the site.
- Copy the password to use on the login page, you will then be prompted to create a new password.

- If you do not receive an email, you do not have an account and you should create one (see above), or you can contact the [grants help desk](#) for assistance.

## FAQs

### Eligibility

How do you define “fully cultural”?

Fully cultural means dedicated to the industries that make up the creative sector of the Massachusetts economy. These industries include arts, humanities, and the interpretive sciences. This can be expressed by your mission statement if you have one, your statement of purpose if you have one, and the work that your organization does.

How do you define arts, sciences, and humanities?

As it relates to this program, Mass Cultural Council uses the following definitions:

The arts are the creation of work in the crafts and performing, visual, media, folk, design, literary, and interdisciplinary arts. They also include the presentation and preservation of, and education about, works in these disciplines.

The humanities are types of learning that deal with human values and aspirations, human thought and culture, language, and creativity. Examples include, but are not limited to, history, social studies, philosophy, criticism, and literature.

The sciences are limited to the cultural, interpretive, and educational expression of science and refers to types of learning that deal with nature, science, and technology in ways that explain how they relate to people’s lives. Some organizations that conduct this type of activity include aquariums, botanical gardens, nature centers, natural history museums, planetariums, and science centers.

How do you define “publicly available” cultural activity?

Publicly available cultural activity is any in-person or virtual event, learning engagement, performance, or cultural revitalization effort that is available to the general public by paid or free admission.

How do you define “community-based” cultural activity?

Any cultural activity (whether publicly available or not) that focuses on serving the needs of a geographic community, ethnic heritage, or cultural tradition and may include events, education, performances, conservation, or cultural revitalization efforts.

What kinds of organizations, collaboratives, and businesses are eligible?

A broad range of organizations, collaboratives, and businesses are eligible. They may include, but are not limited to, performing arts, museums, libraries, historical societies

and commissions, community arts education, language revitalization, media arts. The most important factor for eligibility is whether the organization is fully cultural and falls under one of the eligible types listed in the guidelines.

If you have any questions about whether your organization's work is eligible for this grant, [contact staff](#) before starting the application.

Do I have to offer in-person programming to be eligible?

No, your organization does not have to offer in-person programming to be eligible.

Does my work have to be available for free to be eligible?

No, your organization's work does not have to be available for free to be eligible.

My organization is not "fully cultural", but incorporates a creative practice into the work, and does some cultural activities. Can I still apply?

Unfortunately, no. There are numerous industries that benefit from creativity. We value the creative energy your organization brings to its work. However, this program's funding was approved by the Massachusetts Legislature to support the cultural sector. So, while we appreciate your creativity in your respective field, we cannot award grants to organizations, collaboratives, and businesses that are not fully cultural. Examples of these organizations can include but are not limited to senior centers and social service organizations (Boys and Girls Clubs, YMCAs, etc.).

I am a fiscally-sponsored organization, how do I measure if the majority of my programming takes place in Massachusetts? We don't have a facility or office, what address do we provide?

The majority of your programming takes place in Massachusetts if over half of your cultural activities, or services to the cultural sector, are located in Massachusetts. The organization needs to be based in Massachusetts as well, which means that it can provide a Massachusetts address. Because many unincorporated groups do not have a facility, the organization typically provides the address of one of its members/volunteers.

What do you mean by K-12 schools and degree-granting organizations?

This refers to organizations such as public and private schools (pre-school, elementary school, middle school, high school education), colleges, and universities. Organizations such as dance schools and community music schools are NOT included in this definition and ARE eligible to apply.

My organization does not have a mission statement, are we still eligible to apply?

Yes, applicants without a mission statement are eligible to apply. If your organization does not have an official mission statement, you will need to provide a statement of purpose, a summary of your organization/business' cultural activities or services to the cultural sector, and links to a website or social media pages documenting this work in the application.

I am an artist operating a business that is a sole proprietorship or a single-member LLC. Should I apply as an Organization or Individual?

For the purposes of the Cultural Sector Recovery programs, artists operating a sole proprietorship or a single-member LLC should apply as Individuals. If selected to receive a grant, you will be required to complete a Massachusetts W-9 form where you can either use your social security number or your business EIN, if you are a sole proprietor or single-member LLC, to receive the funds.

My organization was created during the COVID-19 pandemic, am I still eligible for COVID-19 relief?

Yes, organizations established on or after March 31, 2020 are eligible to apply for funding.

If my organization does not fit any of the prioritization categories, are we still eligible to apply?

Yes, all applicants who meet the eligibility criteria should apply.

My organization did not undergo any loss, am I still eligible for COVID-19 relief?

Yes, however, applicants that have demonstrated economic need because of the COVID-19 pandemic will be prioritized in funding determinations.

Does receiving this grant make me ineligible for future Mass Cultural Council grants (such as Cultural Facilities Fund or Projects)?

No, receiving this grant will not impact your organization's future eligibility for other Mass Cultural Council grant programs.

Do I have to describe a specific project for the application?

No, because the funds are unrestricted, they can be used for any purpose and are not tied to a specific project.

We do not have an office space and our primary address is a PO Box, can we still apply?

The Commonwealth of Massachusetts requires that you have a physical address. If your primary mailing address is a PO box, you can add the address of a board member or Executive Director as your physical address.

### Support with your Application

Are Mass Cultural Council staff available for questions?

Yes. There is a [recorded information session](#) and [slide deck](#) for the Pandemic Recovery Grants for Organizations. There are also "[office hours](#)" where you can join small groups to discuss any of your questions. [One-on-one support](#) is also available. Additionally, you can also email [Mass Cultural Council staff](#) or call 617-858-2821 for guidance.

What if I have more questions?

Please read about the [application process](#), then contact [Mass Cultural Council staff](#).

Can you translate the guidelines and application into another language?

Yes, Mass Cultural Council is happy to offer translation, interpretation, alternative formats, and other services individuals may need to complete this application. All translations will be done by a third-party service. Translated applications will then be emailed to the applicant by a Mass Cultural Council staff member. The applicant then answers the application questions in their preferred language and emails the completed document back to the staff person before the deadline. Lastly, Mass Cultural Council will have the submitted application translated back into English. Fulfilling a language translation request may take up to 7-10 business days. To ensure your request is fulfilled with enough time to complete and return the application, please submit requests at least two weeks prior to the application deadline. For more information, review the Mass Cultural Council's [Access Policy](#).

How do I know if my organization already has an account?

You can [email our program staff](#) to help you determine if your organization has an existing account.

Our FY21 tax documents are not ready, what do we submit instead?

If you do not yet have your FY21 tax documents, you can submit a draft version or a statement of income and expenses and a balance sheet (if you have one). This can be a Profit & Loss statement, or it can be an Excel file, a report from your accounting software, or other internal documents that show your income and expenses for FY21. Please note that FY21 is the fiscal year that ended between Jan 1 – Dec 31, 2021.

What is a Fiscal Year?

A fiscal year is a one-year period that companies and governments use for financial reporting and budgeting. A fiscal year is most commonly used for accounting purposes to prepare financial statements. Fiscal years are referenced by their end date or end year and are often referred to as, "FY 2020", "FY20", or "fiscal year ending June 30, 2020". For this grant application, we are requesting your financial reports for the fiscal years that ended in 2019, 2020, and 2021.

Although a fiscal year can start on Jan. 1 and end on Dec. 31, not all fiscal years correspond with the calendar year. For example, for government offices in Massachusetts, the state fiscal year starts on July 1 and ends on June 30. This grant is available during the state fiscal year 2023 or FY23, which started on July 1, 2022, and ends on June 30, 2023.

Is there a narrative section? I'd like to describe the impact of the pandemic on our FY22 financials.

No, there are no narrative fields in the application as we intended to make the process as light a lift as possible.

How does it work if we apply with a fiscal agent?

When an organization has a fiscal agent, the organization is the applicant, and supplies the contact information for the fiscal agent as part of the application. An organization can act as a fiscal agent for multiple applicants, and can also be an applicant themselves.

When a grant award is made, Mass Cultural Council will issue a contract to the fiscal agent, for the benefit of the applicant, and the funds will be paid to the fiscal agent.

When do the funds need to be spent?

There is no set period in which funds must be spent for this grant program. You will be asked to complete a simple final report by July 14, 2023, but this is not the deadline by which the funds must be spent.

Is there a matching requirement?

No, there is no matching requirement for this grant.

## Grants and Timeline

I won't be able to complete the application by the deadline. Can I get an extension? Unfortunately, no. The deadline to complete the application is 11:59pm (ET) on September 28, 2022.

When will I know if I will receive funding?

Final funding decisions are made by the governing Council, which will meet in January 2023. Following that meeting funding announcements will be made.

How much money might I receive?

Grant amounts will range from \$5,000 to \$75,000, but Mass Cultural Council reserves the right to change these ranges based on the volume of requests received. Grant amounts will be determined by a formula based on the number of eligible applicants, an organization's pre-pandemic operating expenses, and the prioritization categories.

If I meet the eligibility requirements and I apply, will I definitely receive a grant?

Applicants are not guaranteed to receive a grant because we may receive more applications than we have funds to award. Mass Cultural Council seeks to award these one-time funds to as many eligible recipients as possible, to assist the economic recovery of the cultural sector.

If I'm awarded a grant, will I need to submit a final report?

Grantees will be expected to complete a simple final report on the use of their grant funds by July 14, 2023 for our reporting purposes. The information that you provide will be used to advocate for additional funds to continue supporting the cultural sector.

## Prioritization Categories

How do I know if my city/town is one of the “under-resourced” cities and towns?  
Applicants that are located in specific communities, which are cities and towns that are below the state average in household income and educational attainment. This includes but is not limited to places designated as Gateway Cities. [A full list of these under-resourced communities is available.](#)

In your Organization Profile in the Agency’s grants management system you provide your group/collective/organization’s Official City. You can see the Official City you provided in the physical address displayed on the Applicant Information tab of the application. If it is incorrect follow the instructions for updating it provided there.

I received money from a Local Cultural Council in the past three years, does this mean I don’t fit that prioritization category?

No, only direct grants from the Mass Cultural Council (i.e., Projects grants, Festivals grants, etc.) will be considered for prioritization. Receiving Local Cultural grants will have no impact on your application.

How do we determine “demonstrated impact on tourism”?

To determine tourism impact, we will be looking at your organization’s in-person programming at your primary activity location(s). It is not about your organization’s touring activities, broadcast, or online activities. If 50% or more of your organization’s audience for in-person programming comes from outside of Massachusetts AND/OR more than 50 miles away from your primary location, your organization will receive prioritization credit for this category.

How do we determine “demonstrated impact on job creation”?

Job creation criteria is being determined by the number of people employed by your organization during calendar year 2021. This is the combined number of 1099 and W-2 statements that your organization issued.

What do you mean by “little to no” other pandemic relief funding?

When evaluating this priority, Mass Cultural Council will consider both the:

- Number of pandemic relief grants/payments an applicant has received
- Total amount of pandemic relief grants/payments an applicant has received

Applicants that have gotten no other pandemic relief funds will receive priority over those that have gotten funding. Applicants that received small awards will be prioritized over those that received large awards.

Examples of federal and state programs that have provided funding to organizations related to COVID-19 include:

- SBA Economic Injury Disaster Loan Program (EIDL)
- SBA Paycheck Protection Program Loan (PPP)
- SBA Shuttered Venues Operators Grant (SVOG)
- CARES funding through National Endowment for the Arts (NEA)
- CARES funding through National Endowment for the Humanities (NEH)
- CARES funding through the Mass Cultural Council's Youthreach/SerHacer and/or CIP Gateway/Portfolio programs
- CARES funding through the New England Foundation for the arts (NEFA)
- CARES funding through Mass Humanities
- Mass Cultural Council COVID relief programs: Cultural Organization Economic Recovery Grants, and Supplemental Economic Recovery Grants
- Other aid from federal programs related to COVID-19 not listed above

Should I count employee tax credits or other tax deductions as pandemic relief?

No. We are specifically asking about grants awarded to your organization and do not require you to identify tax credits or other tax related programs.

## Glossary

AAPI (also AANHPI) – an abbreviation that stands for Asian American, Native Hawaiian and Pacific Islander, and is meant to include all Asian, South Asian and Polynesian ethnicities.

ALAANA (also AALANA and ALANA) – an abbreviation that stands for African, Latino/a, Asian, Arab, and Native American, and is meant to replace diminishing terms like minority.

Artistic discipline – a term used to describe an artist's primary area of work within the cultural sector. Artistic Disciplines include but are not limited to: Dance, Theatre, Music, Opera/Musical Theatre, Visual Arts, Design Arts, Crafts, Media Arts, Literature, Folk and Traditional Arts, Interdisciplinary Arts, and Humanities.

BIPOC – an abbreviation that stands for Black, Indigenous and People of Color, and is meant to be more inclusive and widely recognizable than a less specific term like people of color.

Collective – a group of artists/creatives sharing things like ownership, risk, benefits, and status to achieve shared goals, objectives and needs of the artists.

Earmark – a specified allocation of funding designated in a legislative bill for things such as a location, project, or institution.

Fiscal Sponsorship (also fiscal agent and unincorporated group) – A business practice or partnership characterized by a municipal or non-profit entity lending its tax-exempt status and 501(c)(3) benefits to a group that does not have its own non-profit status but is doing work that aligns with the agent's mission. This relationship makes it possible for the unincorporated group to accept payment that is otherwise reserved for organizations with non-profit status.

For-profit corporation (also cooperative, partnership and LLC) – an entity that exists to earn income and pays income taxes.

Gateway Cities – midsize urban centers around the state that were slow to draw new investment in their economy as manufacturing opportunities stopped. The Massachusetts Legislature defines 26 Gateway Cities in the Commonwealth, which are Attleboro, Barnstable, Brockton, Chelsea, Chicopee, Everett, Fall River, Fitchburg, Haverhill, Holyoke, Lawrence, Leominster, Lowell, Lynn, Malden, Methuen, New Bedford, Peabody, Pittsfield, Quincy, Revere, Salem, Springfield, Taunton, Westfield, and Worcester.

Latino/a (also Hispanic, Latinx/e and Afro-Latino/a) – any person with ancestry in Latin America, a region usually unified by the predominance of Romance languages. This definition usually includes Portuguese-speaking Brazil and French-speaking Haiti but excludes Spain.

Hispanic was created as a term that refers to peoples descended from Spanish-speaking communities, such as Puerto Ricans, Mexican Americans, Cuban Americans.

Latinx/Latine are gender-neutral alternatives for Latino/a.

Afro-Latino/Afro-Latina refers to people from Latin American countries with African ancestry.

MENA – an abbreviation that stands for Middle East and North African and encompasses a region of (22) twenty-two countries.

Native American (Tribal or Urban) – members of federal and state recognized tribes and Indigenous groups. Under U.S. law Native American tribes are distinct, independent political communities. This includes American Indians, Indigenous Americans, Alaska Natives, First Nations and urban Indian organizations.

Non-profit (also 501(c)3) – a tax exempt status with the Internal Revenue Service (IRS). 501(c)3 refers to the specific section of the IRS code that extends tax exempt status to charitable, educational, literary, religious, and scientific organizations, which includes most organizations in the arts and humanities.

Operating Expenses – money spent on something that is used to support normal business operations, including things like rent, equipment, inventory, marketing, payroll, and insurance.

People of Color – an imperfect umbrella term for people who do not present as white, especially in a white supremacist culture.

People of the Global Majority – a term that is being adopted more widely to describe the large part of the global population who consider themselves non-white.

Unincorporated Entities (groups and individuals) – a collective that comes together to create around a common purpose but is not incorporated with a non-profit tax status.

A sole proprietorship is an unincorporated business with only one owner who pays personal income tax on profits earned.

## EXHIBIT E

### Cultural Sector Recovery Grants for Individuals: Guidelines and FAQs

#### Application Process

Mass Cultural Council's Cultural Sector Recovery Grants for Individuals offers unrestricted grants of \$5,000 to creatives and gig workers to support recovery from the COVID-19 pandemic and set a path for growth.

This site uses Google Translate to offer online translation. Click the "translate" button at the top right of the screen and select the preferred language.

You can also [request application materials be translated offline](#). These will take 5-10 business days to complete upon request.

*Esta página web utiliza el traductor de Google para ofrecer traducción en línea. En la parte superior derecha de su pantalla, haga click en el botón "translate" y seleccione el idioma preferido.*

*Además, usted también puede [solicitar la traducción de los materiales de la aplicación](#) y que estos se le sean enviados digitalmente. Este proceso tardará de 5 a 10 días hábiles.*

#### How to Apply

1. Read the program guidelines (below), [FAQs](#), and a [sample application](#) (PDF).
2. Join us for an information session on [October 6, 2022](#), or for [office hours](#) to learn about the program. A [recorded information session \(seminario informativo\)](#) and [slide deck presentation \(descarga la presentación\)](#) is also available.
3. Learn more about [requesting an accommodation for accessibility including translation and interpretation services](#).
4. [Register in our grants management system](#) (or check to see if you already have a user profile).

5. **Complete the online application.** Submit it before the application deadline on **November 1, 2022, at 11:59pm (ET)**. (We anticipate the application form will take about 15 minutes to complete.)

**Questions?** [Email Mass Cultural Council staff.](#)

## **Program Guidelines**

### **Program Overview**

The Cultural Sector Recovery Grants for Individuals are \$5,000 grants to creatives and gig workers to support recovery from the COVID-19 pandemic and set a path for growth. The grants are unrestricted, meaning grantees are free to decide the best use of the funds.

Culture is a major contributor to economic growth and opportunity in Massachusetts and individuals in the cultural sector have faced catastrophic setbacks to their livelihoods and well-being. These setbacks include loss of revenue, unstable work or living space, reduced career opportunities and audience engagement, and other hardships. An investment in the recovery of individuals in the cultural sector is an investment in the economic recovery of the Commonwealth.

The Massachusetts Legislature passed [Chapter 102 of the Acts of 2021](#), *An Act relative to immediate COVID-19 recovery needs*, to invest state and federal funds into pandemic recovery, including into the cultural sector. With these funds, Mass Cultural Council seeks to help rebuild the cultural sector through direct grants to artists, culture bearers, interpretive scientists, contractors, performers and other cultural workers.

### **Eligibility**

We encourage you to apply if you are:

1. **An artist or cultural practitioner active in any artistic discipline or cultural tradition.** For this program, the definition of “artist” includes, but is not limited to, artists and culture bearers working in community-based arts, crafts, dance, design, digital, film/video, folk/world/traditional arts, literature, music, performance, photography, theater, and visual arts. If you have any questions about whether your work is eligible for this grant, [contact us](#).

OR

2. **A teaching artist, interpretive scientist or humanist.** For this program, a “teaching artist/interpretive scientist/humanist” is an educator who works in schools, libraries, or other educational/community settings to promote cultural education for people of any age. If you have any questions about whether your work is eligible for this grant, [contact us](#).

OR

3. **A cultural worker in arts, humanities, and interpretive sciences.** For this program, a “cultural worker” is an individual working in the arts and culture sector who may not identify as an “artist.” These individuals may be lighting technicians, art conservationists, editors, or frontline staff. This list is not exhaustive so if you have any questions about whether your work is eligible for this grant, [contact us](#).

**AND you meet all of the following requirements:**

- - Your work in the cultural sector is **independent**, meaning freelance, gig, contract, or temporary/seasonal.
  - You are 18 years or older.

- You are a full-year resident of Massachusetts. This means you maintain your “legal residence” in Massachusetts, and you meet the definition of a “full-year resident”. Both terms are defined in the [Massachusetts tax code](#). You must provide a physical address in your application.
- You are not currently enrolled as a full-time undergraduate or graduate student at a college or university.
- You are not a governor-appointed Mass Cultural Council member. Mass Cultural Council staff and family are likewise ineligible to apply.

### **Award Amount**

Grants will be \$5,000. If you already received a \$1,000 or \$1,500 COVID-19 Relief Fund for Individuals grant in FY20 or FY21 (including the GKV Foundation Assistance to Berkshire County Theater Professionals) your grant amount may be reduced to \$4,000 or \$3,500.

### **Use of Funds**

The use of these funds is unrestricted. Funds can be used for expenses including, but not limited to, technology or equipment upgrade(s); touring/travel costs; space or housing costs; professional development; supplies; hiring other artists; or other expenditures related to recovery of your career in the cultural sector.

### **Review Process**

After the application period closes, Mass Cultural Council staff will review all applications to determine eligibility and accuracy of documentation provided.

Mass Cultural Council will fund all eligible applications if demand does not exceed the available funds. However, if eligible applications exceed available funding, the Funding Prioritization and Geographic Distribution details below will be used to determine which applications will be funded. For all applications with the same score, ties will be broken using a lottery-style, random selection process.

The review will be based on information provided by applicants and verified by Agency staff. Mass Cultural Council will make every effort to ensure accuracy but cannot be held accountable for missing or incorrect information in the relevant sources.

Agency staff will then make award recommendations to the governing Council who will then approve final grant amounts.

**Funding Prioritization:** Mass Cultural Council seeks to broaden and diversify the range of persons who benefit from its grant programs. To that end, it will seek to attract and provide funding under this program to persons that may not have been, or had a fair opportunity to be, beneficiaries of Mass Cultural Council programs. Prioritization will include the following:

- First-time applicants or applicants who have not received funding from Mass Cultural Council in the last six fiscal years.
- Applicants who have been historically under-funded by similar programs:
  - People of the global majority — Black, Indigenous, People of Color, Latinx, Asian, Native American, Pacific Islander, and all other ethnicities of color.
  - People who identify as Deaf or as having a disability.
- Applicants who are located in cities and towns that are below the state’s median household income and below statewide educational attainment (the percentage of adults who have attained at least a bachelor’s degree). This includes but is not

limited to places designated as Gateway Cities. [A full list of these under-resourced communities is available.](#)

**Geographic Distribution:** To ensure geographic diversity, grants will be awarded by region of the Commonwealth in proportion to the region's application demand. The regions are as follows:

- Greater Boston
- Central
- Metrowest
- Northeast
- Southeast
- Western

For example, if applications from the Southeast region make up 15% of the total applications received, the Southeast region will be allocated roughly 15% of the grants made.

### **Grant Payment**

All the necessary documents will be emailed to grantees to complete. Grantees who do not have a bank account can notify the [Contract Officer](#) at the time of award notification in order to request a mailed check. Individuals who also operate as a sole proprietor or a single-member LLC have the option of directing their payment to themselves using their social security number (SSN) or to their sole proprietor or a single-member LLC Employer Identification Number (EIN). Please be aware, grants may be considered taxable income and individuals should seek guidance from their tax professionals/accountants about tax and reporting requirements. Electronic deposits will be made to the grantee's account (or a check will be mailed) 4-8 weeks after the grantee returns their contract. Mass Cultural Council will make every effort to expedite payments as quickly as possible.

### **Requirements**

Grantees will be expected to complete a final report describing the use of their grant funds by July 13, 2023, for legislative reporting and advocacy purposes.

### **Timeline**

**Application opens:** August 15, 2022

**Information sessions:** [August 23](#) and [October 6](#), 2022 (A [recorded information session](#) is also available.)

**Application deadline:** November 1, 2022

**Awards finalized; email notifications sent:** Late January 2023

**Contracts sent:** February 2023

**Final report deadline:** July 13, 2023

### **Legal and Other Requirements**

#### **Accessibility and Non-Discrimination Policy**

Mass Cultural Council is committed to ensuring that all programs, services, policies, and practices are formulated and conducted in a manner that will ensure equal access for all people and prevent discrimination not only as a matter of law, but also as a policy designed to encourage the participation of all segments of the Commonwealth's population in Mass Cultural Council programs and services.

Mass Cultural Council is dedicated to creating a workplace, programs, and services that welcome, respect, and value people of all races, color, age, sex, ethnicity, sexual orientation, gender identity, religions, creeds, ancestry, national origin, disability and veteran status, and

does not discriminate on the basis of these attributes. We strive to reflect diversity in all activities, programs and services by removing any barriers to accessibility. Mass Cultural Council is happy to offer alternative formats, auxiliary aids, and services necessary so that any individual can participate in Mass Cultural Council's programs and services. [Contact staff for help](#). To facilitate your request in a timely manner, please contact us at least two weeks before any Mass Cultural Council event or grant deadline. Please read the full [Access Policy](#) for more information.

### **Reconsideration Policy**

An applicant may request reconsideration of a Mass Cultural Council decision on their application if the applicant can demonstrate that the Mass Cultural Council failed to follow published application and review procedures. Dissatisfaction with the results of a review does not constitute grounds for reconsideration.

The first step in the reconsideration process is to consult with the appropriate [Program Staff](#), to discuss the review process that concluded in the Mass Cultural Council's decision. If the applicant wishes to pursue a reconsideration, a request must be sent to the Mass Cultural Council's Executive Director, in writing, within 30 days of the Mass Cultural Council's notification to the applicant of its decision.

### **Grants Management System**

All applicants should submit their applications through the online system. To create a profile in the system you must have an email address, which will be your username.

If you have not applied to Mass Cultural Council before and/or do not already have a user profile, complete a registration in the grants management system.

- [Go to the online system](#) and click "Register".
- On the next page select "Individual".
- After completing the registration, you should receive an email to activate your account. The account must be activated within 24 hours. After clicking the activation link, you will be prompted to create a new 8-digit password.

If you have previously applied for a Mass Cultural Council grant using your email address, you may have a profile in the system already. Here's how you can check to see if you already have a user profile:

- [Go to the online system](#) and click "Forgot Password".
- Once you submit your email address, you will receive an email with a temporary password and a link to the site.
- Copy the password to use on the login page, you will then be prompted to create a new password.
- If you do not receive an email, you do not have an account and you should create one (see above), or you can contact the [grants help desk](#) for assistance.

## **FAQs**

### **Why did Mass Cultural Council create this grant program?**

This program is meant to support the cultural sector's recovery from the pandemic and set a path for growth. It is a one-time program created in response to the Massachusetts Legislature's [Chapter 102 of the Acts of 2021](#), *An Act relative to immediate COVID-19 recovery needs*, which invests state and federal funds into pandemic recovery.

## For Grant Recipients

If you have any questions regarding your grant award that are not included in this FAQ please [contact us](#).

### How do I check on my contract or payment?

**Please do not call or email to ask the status of your contract or payment.** We are prioritizing processing contracts and making payments. With several thousand contracts in the office, tracking one down can take away time from making payments. You will find info below about how to check on your contract and payment yourself.

#### How to check your contract:

- - Log in to our [grants management system](#).
  - On your portal in the **Requires Attention section**, go to **Submitted Activities** to view your contract status, then click open to view the Contract Details, including the Received Date.
  - Please note, if you have not downloaded your contract yet, you will see it in the Contract Package section instead. Please download it and return it as soon as possible.
  - You will receive an email when we receive your contract, and you will receive an email when it is fully executed and available for you to download for your records.

#### How to check on my payment:

- Log in to our [grants management system](#).
- On your portal in the **Application section**, go to **Payments** to view your payment records, then click open to view the Payment Details.
- You will receive an email when a payment has been made.

### How will I know when my grant contract has been received at Mass Cultural Council?

Once your documents are received and date stamped, your status in the grants management system will change to “received” and will reflect the date that the contract was received. This can help you to track the status of your grant application and ensure that all necessary paperwork has been received. You will also receive email confirmation.

### After my contract package has been received, how will I know if the information provided was submitted correctly and approved for payment?

If an issue was identified with the information that you submitted a member of the finance team or one of the Agency’s fiscal assistance staff will contact you to help resolve the issue.

If your information was submitted correctly, you are set.

**When will I receive my grant distribution?**

The current volume of grants this year is unprecedented. We estimate a 10-12 week waiting period starting from the date we receive your completed documents.

**When I look in “Payments” in the grants management system, it says my grant is “Paid,” but it hasn’t been deposited in my bank account. Why?**

If you owe past due fees/debts to other state agencies, it’s possible that some or all of your grant has been [intercepted by the Office of the Comptroller](#). Past due state taxes, tuition, or other fees may all result in intercepted funds.

If the intercept amount is smaller than your grant total, the remaining amount will be mailed to you as a printed check by the Office of the Comptroller, with information about which state department has intercepted your grant payment. Please note this is a process outside of Mass Cultural Council’s control. We cannot estimate the timing of the arrival of any remaining funds after an intercept.

**Why is it taking so long to process grant payments?**

Fiscal Year 2023 is a historic year at Mass Cultural Council. Traditionally we award and administer around 1,300 grants per year. This year, because of the one-time pandemic recovery programs, we are working to complete payments for more than 7,000 awards.

This unprecedented scope of work combined with the complexity of the state grant payment system means that processing grant contracts and payments is taking us much longer than anticipated.

**What do I do if I have moved, and the address on the Standard Contract Form is no longer valid?**

1. Cross out your old address on the Standard Contract Form and write in your new/current address.
2. Ensure that the legal address on both the W9 and EFT forms matches your current address on the Standard Contract Form.
3. Include a note with your returned contract documents flagging the address change. This will help flag the change for us.
4. Update your information in the [grants management system](#) for future grant opportunities.

**What do I do if my name is incorrect on the Standard Contract Form?**

1. Cross out the incorrect name and write in your legal name on the Standard Contract Form.
2. Ensure that your legal name on the Standard Contract Form matches both the W9 and EFT forms.
3. If you have a DBA stage name, include that information in the DBA section on each form.

4. When you return the contract package, include a note mentioning the name change. This will help flag the change for us.
5. The final step is to go into the [online application](#) and update your name.

**Am I required to have a DUNS or Unique Entity Identifier number?**

No, Mass Cultural Council grants do not require a DUNS Number. A Unique Entity Identifier (SAM) number is required for organization or individual grantees that are receiving federal funds. If you are receiving federal funds, you will be notified. If you have not been notified, you do not need a Unique Entity Identifier number.

**Do I need to complete Part 6 on the EFT Form?**

No, please leave this section blank.

**Do I need to fill in the Vendor Code section on the Standard Contract Form?**

If you are a new grantee, you do not need to fill in the Vendor Code section on the Standard Contract Form. The vendor code section will be completed by Mass Cultural Council after a number has been created for you.

**Is the grant award taxable?**

Your grant award is considered taxable income. You will receive a 1099G Form to file with your 2023 taxes. It is important to consult with a tax professional or use tax software to ensure that you are reporting your grant award correctly on your tax return.

**Why do I need to provide a voided check or bank letter?**

A voided check or bank letter is required to disburse grant funds through electronic funds transfer (EFT). We need to verify your banking information to ensure that the grant funds are deposited into the correct account.

If you do not have a voided check, a bank letter can also be used to provide this information. A bank letter that is typically used for this process is the “Non-Federal Direct Deposit Enrollment Request Form”. Some banks may provide access to this form on their online banking account, or you may need to request it from your bank in person.

**Applicant Eligibility**

**Who can apply to the Cultural Sector Recovery Grants for Individuals?**

To apply for this grant, an applicant must be: an artist or cultural practitioner active in any artistic discipline or cultural tradition; a teaching artist/scientist/humanist; or a cultural worker in the arts, humanities, or interpretive sciences. In all cases, the individual’s work should be independent/self-employed. Applicants must be 18 years or older. And applicants must be full-year residents of Massachusetts. (This means you maintain your “legal residence” in Massachusetts, and you meet the definition of a “full-year resident”. Both terms are defined in the [Massachusetts tax code](#). You must provide a physical address in your application.)

**I’m a full-time student. Can I apply?**

Unfortunately, we cannot accept applications from individuals currently enrolled full-time in an undergraduate or graduate program at a college or university.

**How do you define “artist/cultural practitioner”?**

We define “artist/cultural practitioner” as artists and culture bearers working in arts, crafts, dance, design, digital media, film/video, folk, world and traditional arts, literature, music, performance, photography, theater, and visual arts. Examples include but are not limited to actors, street artists, drag artists, DJs, theater designers and directors, puppeteers, comedians, choreographers, dancers, filmmakers/videographers, musicians, composers, conductors, creative writers of all genres and formats, muralists/public artists, and community-based artists and visual artists of all kinds. If you have any questions about whether your work is eligible for this grant, [contact us](#).

**How do you define “active”?**

By “active,” we mean that you are currently committing time to practicing your art form. You do not necessarily need to derive significant income from your work in the arts (though it’s also fine if you do), but you should be able to demonstrate activity within the past five years. The application form requires you to upload your resume or include a URL that demonstrates your activity in your artistic practice.

**How do you define “teaching artist/scientist/humanist”?**

We define “teaching artist” as an independent individual who teaches art or artistic professional development to people of any age in any setting. Examples include but are not limited to: private music/art lessons; one-time workshops; K-12 school and community-based residencies; and ongoing art classes. We define “teaching scientist/humanist” as an independent individual whose work promotes education in the interpretive sciences or humanities to people of any age in any setting. Examples include but are not limited to: K-12 school and community-based residencies; one-time presentations at libraries, elder facilities, or other community venues; and activities at science fairs or public history discussions. If you have any questions about whether your work is eligible for this grant, [contact us](#).

**How do you define “cultural worker”?**

We define “cultural worker” as an independent individual directly involved in arts and culture but who may not identify as an “artist.” Examples include but are not limited to a freelance curator, theater lighting technician, art conservationist, producer, editor, arts critic, or tour guide in cultural settings. If you have any questions about whether your work is eligible for this grant, [contact us](#).

**How do you define “independent”?**

By “independent,” we mean primarily working on a freelance, contract, or gig basis. Unfortunately, we cannot fund applicants whose work in arts and culture is as a full-time employee at a cultural organization or business owned by someone other than the applicant. To clarify, if you work in arts and culture **in addition** to your full-time position, then you are encouraged to apply.

**I am not an artist, teaching artist/scientist/humanist, or cultural worker, but I bring creativity to my work in health/beauty/business/etc. Can I apply?**

Unfortunately, no. There are numerous fields – examples include business advertising, hair, fashion, or make-up (when unrelated to an artistic project like theater or film), culinary, and yoga or martial arts instruction – that benefit from creativity. We value the creative energy you bring to this work. However, this program’s funding was approved by the Massachusetts Legislature to support the cultural sector. So while we appreciate your creativity in your respective field, we cannot award grants to individuals not working in arts, humanities, and interpretive sciences.

**I received a COVID-19 Relief Fund for Individuals grant in FY20 or FY21. Am I eligible to apply?**

Yes, you are eligible to apply. However, please note that if you are selected to receive a Cultural Sector Recovery Grant, your grant amount might be reduced by the amount of your COVID-19 Relief Fund for Individuals grant (\$1,000 from FY20 or \$1,500 from FY21).

**I have previously received an Artist Fellowship or Local Cultural Council grant. Am I eligible to apply for the Cultural Sector Recovery Grants?**

Yes. Prior Mass Cultural Council grants do not interfere with your eligibility to apply for a Cultural Sector Recovery Grant.

**I am an artist operating a business that is a sole proprietorship or a single-member LLC. Should I apply as an Organization or Individual?**

Artists operating a sole proprietorship or a single-member LLC should apply as Individuals for a Cultural Sector Recovery Grant. If selected to receive a grant, you will be required to complete a Massachusetts W-9 form where you can either use your social security number or your business EIN, if you are a sole proprietor or a single-member LLC, to receive the funds.

## **Support with Your Application**

**If I'm awarded a grant, will I need to submit a final report?**

Grantees will be expected to complete a simple final survey on the use of their grant funds by July 13, 2023 for Agency reporting purposes. The information that you provide will be used to advocate for additional funds to continue supporting the cultural sector.

**What if I have more questions?**

Please read about the [application process](#), then email [Mass Cultural Council staff](#).

**Can you translate the guidelines and application into another language?**

Yes, the Agency is happy to translate grant applications into certain languages. Upon request of language translation, we will notify a third-party service we have on contract. We would then email the translated application to the person requesting translation. That person would then answer the application questions in their native language, and email them back to Mass Cultural Council before the application deadline. Lastly, Mass Cultural Council would have the translation service put the submitted application into English. Fulfilling a language translation takes 7-10 business days. In order to ensure we can successfully meet the request, please make your request two weeks or more before the deadline. For more information, review the Mass Cultural Council's [Access Policy](#).

## **Grants and Timeline**

**What is the application deadline?**

The deadline to apply to this program is 11:59pm (ET) on November 1, 2022.

**If I am awarded, how can I use the funds?**

The funds are unrestricted. Possible uses include but are not limited to technology or equipment upgrade(s); touring/travel costs; living, workspace, or housing costs; healthcare; professional

development; supplies; hiring other artists; or other expenditures related to recovery of your career in the cultural sector. We trust that you know best how to sustain your practice.

**If I meet the eligibility requirements and I apply, will I definitely receive a grant?**

Applicants are not guaranteed to receive a grant because we may receive more applications than we have funds to award. Mass Cultural Council seeks to award these one-time funds to as many eligible recipients as possible, to assist the economic recovery of the cultural sector.

**What are the program’s funding priorities?**

Priority will be given to:

- First-time applicants or applicants not funded by Mass Cultural Council programs in the past six years
- Applicants who have been historically under-funded, including people of the global majority — Black, Indigenous, People of Color, Latinx, Asian, Native American, Pacific Islander, and all other ethnicities of color — and applicants who identify as Deaf or as having a disability
- Applicants who are located in cities and towns that are below the state’s median household income and below statewide educational attainment (the percentage of adults who have attained at least a bachelor’s degree). This includes but is not limited to places designated as Gateway Cities. [A full list of these under-resourced communities is available.](#)

**I meet one or more of your funding priorities. Do I need to do anything special in my application?**

Please log into our [grants management system](#). Click “My Profile,” and make sure all sections are updated and accurate.

**Your guidelines state that grants will be awarded by region. What are those regions?**

Yes, to ensure geographic diversity, grants will be awarded by region, proportional to the region’s application demand. The regions are:

- Greater Boston
- Central
- Metrowest
- Northeast
- Southeast
- Western

**Is the grant taxable?**

Yes. According to IRS guidelines, the grant money you receive is considered taxable income. Payments may affect income eligible benefits or services you receive as well as any unemployment payments. Seek guidance from the relevant agencies if you have any questions about impacts on your benefits. Tax forms are not automated, you will need to request the tax forms via the state’s [VendorWeb](#) site.

## Glossary

**AAPI (also AANHPI)** – an abbreviation that stands for Asian American, Native Hawaiian and Pacific Islander, and is meant to include all Asian, South Asian and Polynesian ethnicities.

**ALAANA (also AALANA and ALANA)** – an abbreviation that stands for African, Latino/a, Asian, Arab, and Native American, and is meant to replace diminishing terms like minority.

**Artistic discipline** – a term used to describe an artist’s primary area of work within the cultural sector. Artistic Disciplines include but are not limited to: Dance, Theatre, Music, Opera/Musical Theatre, Visual Arts, Design Arts, Crafts, Media Arts, Literature, Folk and Traditional Arts, Interdisciplinary Arts, and Humanities.

**BIPOC** – an abbreviation that stands for Black, Indigenous and People of Color, and is meant to be more inclusive and widely recognizable than a less specific term like people of color.

**Collective** – a group of artists/creatives sharing things like ownership, risk, benefits, and status to achieve shared goals, objectives and needs of the artists.

**Earmark** – a specified allocation of funding designated in a legislative bill for things such as a location, project, or institution.

**Fiscal Sponsorship (also fiscal agent and unincorporated group)** – A business practice or partnership characterized by a municipal or non-profit entity lending its tax-exempt status and 501(c)(3) benefits to a group that does not have its own non-profit status but is doing work that aligns with the agent’s mission. This relationship makes it possible for the unincorporated group to accept payment that is otherwise reserved for organizations with non-profit status.

**For-profit corporation (also cooperative, partnership and LLC)** – an entity that exists to earn income and pays income taxes.

**Gateway Cities** – midsize urban centers around the state that were slow to draw new investment in their economy as manufacturing opportunities stopped. The Massachusetts Legislature defines 26 Gateway Cities in the Commonwealth, which are Attleboro, Barnstable, Brockton, Chelsea, Chicopee, Everett, Fall River, Fitchburg, Haverhill, Holyoke, Lawrence, Leominster, Lowell, Lynn, Malden, Methuen, New Bedford, Peabody, Pittsfield, Quincy, Revere, Salem, Springfield, Taunton, Westfield, and Worcester.

**Latino/a (also Hispanic, Latinx/e and Afro-Latino/a)** – any person with ancestry in Latin America, a region usually unified by the predominance of Romance languages. This definition usually includes Portuguese-speaking Brazil and French-speaking Haiti but excludes Spain.

Hispanic was created as a term that refers to peoples descended from Spanish-speaking communities, such as Puerto Ricans, Mexican Americans, Cuban Americans.

Latinx/Latine are gender-neutral alternatives for Latino/a.

Afro-Latino/Afro-Latina refers to people from Latin American countries with African ancestry.

**MENA** – an abbreviation that stands for Middle East and North African and encompasses a region of (22) twenty-two countries.

**Native American (Tribal or Urban)** – members of federal and state recognized tribes and Indigenous groups. Under U.S. law Native American tribes are distinct, independent political communities. This includes American Indians, Indigenous Americans, Alaska Natives, First Nations and urban Indian organizations.

**Non-profit (also 501(c)3)** – a tax exempt status with the Internal Revenue Service (IRS). 501(c)3 refers to the specific section of the IRS code that extends tax exempt status to charitable, educational, literary, religious, and scientific organizations, which includes most organizations in the arts and humanities.

**Operating Expenses** – money spent on something that is used to support normal business operations, including things like rent, equipment, inventory, marketing, payroll, and insurance.

**People of Color** – an imperfect umbrella term for people who do not present as white, especially in a white supremacist culture.

**People of the Global Majority** – a term that is being adopted more widely to describe the large part of the global population who consider themselves non-white.

**Unincorporated Entities (groups and individuals)** – a collective that comes together to create around a common purpose but is not incorporated with a non-profit tax status.

A sole proprietorship is an unincorporated business with only one owner who pays personal income tax on profits earned.
