An Act allow all towns and cities to use Tax Increment Financing (TIF) as an incentive for housing (residential rehab or commercial conversion).

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 3E of chapter 23A of the General Laws, as appearing in the 2022  
2 Official Editions, is hereby amended by striking out subsection (b) and replacing it with the  
3 following:-

4           (b) Tax increment financing may be offered by a municipality, in accordance with section  
5 59 of chapter 40 of the General Laws, to the controlling business of a certified project, or to any  
6 person or entity undertaking a real estate project or to any person or entity expanding a facility in  
7 an area designated by the EACC as a TIF-eligible area. The EACC may designate an area as a  
8 TIF-eligible area if it finds, upon petition from the municipality, that there is a strong likelihood  
9 that any of the following will occur within the area in question within a specific and reasonably  
10 proximate period of time: (i) a significant influx or growth in business activity; (ii) the creation  
11 of a significant number of new jobs and not merely a replacement or relocation of current jobs  
12 within the commonwealth; (iii) a private project or investment that will contribute significantly

13 to the resiliency of the local economy; or (iv) the conversion and rehabilitation of neglected,  
14 dilapidated, or underutilized building structures into useable dwelling units.

15           If a municipality offers tax increment financing to the owner of a certified project, the  
16 municipal project endorsement for the certified project shall include a fully executed copy of the  
17 tax increment financing agreement adopted pursuant to said section 59 of chapter 40. Any tax  
18 increment financing agreement shall be approved by the EACC before it shall be valid and  
19 enforceable. The EACC may approve a tax increment financing agreement pursuant to  
20 regulations adopted by the EACC. Any approval shall include a finding, reflected in the EACC's  
21 minutes, that the tax increment financing agreement complies with said section 59 of chapter 40  
22 and will further the public purpose of encouraging increased industrial capacity, commercial  
23 activity, and housing supply in the commonwealth.
