Unless an owner or owners pay the fine or contest responsibility within 60 days of the violation, the provisions of subsection (l) will apply.

Payment may be made personally or through a duly authorized agent, by appearing before the police department's designee during normal office hours, by mailing or online. Payment by mail shall be made by check, money order or credit card to the police department or city. Payment of the established fine and any applicable penalties shall operate as the final disposition of the violation. Payment by one motor vehicle owner shall operate as the final disposition of the violation as to all other motor vehicle owners of the same motor vehicle for the same violation.

(j) An owner may contest responsibility for a violation under this chapter in writing by mail or online. The owner shall provide the police department with a signed affidavit in a form approved by the police department, stating: the reason for disputing the violation; the full legal name and address of the owner of the motor vehicle; and the full legal name and address of the operator of the motor vehicle at the time the violation occurred. An owner may include signed statements from witnesses, which include the names and addresses of witnesses, supporting the owner's defense. Within 21 days of receipt, the police department or the hearing officer shall send the decision of the hearing officer, including the reasons for the outcome, by first class mail to the registered owner or owners. If the owner is found responsible for the violation, the owner shall pay the fine in the manner described in (i) within 14 days of the issuance of the decision or request further judicial review pursuant to section 14 of Chapter 30A of the General Laws.

(k) An owner may request a hearing to contest responsibility for a violation. A hearing request shall be made in writing by mail or online. Upon receipt of a hearing request, the police department shall schedule the matter before hearing officer. Said hearing officer may be an employee of the police department of the city or such other person or persons as the police department may designate. Written notice of the date, time and place of said hearing shall be sent by first class mail to each registered owner. Within 21 days of the hearing, the police department or the hearing officer should send the decision of the hearing officer, including the reasons for the outcome, by first class mail to the registered owner or owners. If the owner is found responsible for the violation, the owner shall pay the fine in the manner described in (i) within 14 days of the issuance of the decision or request further judicial review pursuant to section 14 of Chapter 30A of the General Laws.

(l) If an owner to whom a notice of violation has been issued either fails to pay the fine in said notice in accordance with subsection (i), or is found responsible for the violation and does not pay the fine in accordance with subsection (j) or subsection (k), the police department shall notify the registrar of motor vehicles who shall place the matter on record. Upon receipt of the registrar of five or more of such notices, the registrar shall not issue or renew such owner's motor vehicle registration until after notification from the police department that all fines owed pursuant to this chapter have been paid. It shall be the duty of the police department to notify the registrar forthwith that such case has been so disposed; provided, however, that certified receipt of full and final payment from the police department shall also serve as legal notice to the

127 (b) The police department shall give to the registered owner notice in writing of each
128 violation in which a motor vehicle owned by such owner is involved, as set forth in section 3.

129 (c) Within 45 days of the violation, the registered owner shall furnish to such department
130 or designee in writing the name and address of the lessee or renter of such motor vehicle at the
131 time of the violation; the lessee's or renter's driver's license number, state of issuance of such
132 driver's license and the lessee's or renter's date of birth.

133 (d) Such department or designee shall thereupon issue a notice of violation to such lessee
134 or renter in the form prescribed by section 3 and the lessee or renter shall be liable for the
135 violation.

136 (e) If such lessee or renter to whom a notice of violation has been issued either fails to
137 pay the fine in accordance with subsection (i) of section 3, or fails to receive a favorable
138 adjudication of said notice in accordance with subsection (j) of section 3, or subsection (k) of
139 section 3, the police department or designee shall notify the registrar of motor vehicles who shall
140 place the matter on record. Upon notification to the registrar of five or more of such notices

143 renter not licensed in this commonwealth until after notification from the Salem police
144 department that all fines, taxes and penalties owed by such owner pursuant to either this chapter,
145 have been disposed of in accordance with this chapter. It shall be the duty of the police

156 enforcement program is in use. The city may install but not activate automated road safety
157 camera systems during said time period.

158 Section 7. Verification that the automated road safety camera system and any appurtenant
159 traffic control signals are correctly calibrated shall be made by a professional engineer registered
160 in the commonwealth.

Section 8. (a) Photographs and other recorded evidence shall only be captured when a camera enforceable violation occurs. Photographs and other recorded evidence shall be destroyed within 48 hours of the final disposition of a violation.
