HOUSE No. 538

By Representative Davis of Great Barrington, a petition (accompanied by bill, House, No. 538) of Leigh Davis and Natalie M. Blais relative to regional schools. Education.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act regarding school regionalization.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 15 of the General Laws is hereby amended by adding the following
2 section:-

3 Section 67. (a) There shall be within the department an office of shared services, which
4 shall be under the supervision and management of the director of shared services. The director
5 shall be appointed by the commissioner.

6 (b) The office of shared services shall oversee the formation of regional school districts
7 and superintendent unions in the commonwealth. The director of shared services shall assist
8 school districts that are considering forming or are in the process of forming regional school
9 districts and superintendent unions with the research, development and execution of shared
10 services projects and shared services agreements.

11 SECTION 2. Section 10 of chapter 70B, as so appearing, is hereby amended by adding
12 the following subsection:-

13 (d) Notwithstanding the first paragraph of this section, the grant percentage for approved
14 school facilities projects in regional school districts shall be at least ninety percent.

15 SECTION 3. Said chapter 70B of the General Laws is hereby further amended by adding
16 the following section:-

17 Section 22. (a) Upon the closure of a school as a result of a school district regionalization
18 effort, the authority shall relieve any debt that was accrued as a result of the establishment and
19 maintenance of the school's facilities that is owed to the authority by the municipality wherein
20 the school is located.

21 (b) Upon the closure of a school as a result of a school district regionalization effort, the
22 authority, in collaboration with the executive office of economic development, shall offer
23 assistance to the municipality wherein the school is located for the development of a plan for
24 demolition or use of the school building for other purposes, including any technical assistance
25 for school building reuse and the retrofitting of school buildings for other purposes.

26 SECTION 4. Section 16D of said chapter 71, as appearing in the 2022 Official Edition, is
27 hereby amended by striking out subsection (g) and inserting in place thereof the following
28 subsection:-

29 (g) A regional school district shall receive state aid for the transitional costs associated
30 with the establishment of the regional school district. A regional school district shall be entitled
31 to aid under this subsection for the first three years of its operation. The state treasurer shall,
32 upon certification by the commissioner, annually, on or before November twentieth, pay to each
33 regional school district in its first three years of operation two-hundred dollars per pupil enrolled
34 by the regional school district.

35 SECTION 5. Said section 16D of said chapter 71, as so appearing, is hereby further
36 amended by adding the following subsection:-

37 (h) A regional school district shall receive state aid to cover the salaries of temporary
38 school district employees, including, but limited to, an assistant superintendent, assistant
39 business manager, assistant information technology director and assistant pupil services director.
40 A regional school district shall receive aid under this subsection for the first 2 years of its
41 operation. The state treasurer shall, upon certification by the commissioner, annually, on or
42 before November twentieth, pay to each regional school district in its first 2 years of operation a
43 sum to be determined by the commissioner.

44 SECTION 6. Said chapter 71 is hereby further amended by inserting after section 16I the
45 following 3 sections:-

46 Section 16J. (a) There is hereby established and set upon the books of the commonwealth
47 a separate fund known as the School District Regionalization Grant Fund. The fund shall be
48 credited with: (i) appropriations or other money authorized or transferred by the general court
49 and specifically designated to be credited to the fund; (ii) funds from public and private sources,
50 including, but not limited to gifts, grants and donations; and (iii) any interest earned on such
51 money. Amounts credited shall not be subject to appropriation and shall be expended by the
52 department to fund a grant program for the study, planning and implementation of school district
53 regionalization efforts to be administered by the department in accordance with this section; and
54 provided further, that grant funds awarded pursuant to this section shall be distributed evenly
55 over a 3 year period.

56 (b) A qualified school eligible for funding are towns and regional school districts,
57 excluding vocational schools, independent agricultural, technical schools and charter schools;
58 provided, that a school district shall be eligible for a school district regionalization grant if it is
59 considering forming, is in the process of forming or has formed within the past 5 years a regional
60 school district or regionalizing services; provided, that, that school district regionalization grants
61 shall be allocated equitably in the following priority order: (i) school districts with significant
62 enrollment decline as defined by the department of elementary and secondary education; (ii)
63 school districts where existing school space is underutilized; and (iii) school districts where the
64 regionalization proposal will produce significant expansion of available academic resources and
65 supports as a result of cost savings.

66 (c) Annually, not later than February 1, any district receiving funds under this item shall
67 submit a report to the department outlining the progress the district has made in studying,
68 planning or implementing regionalization or regionalization services.

69 (d) Annually, not later than December 1, the department shall submit a report to the
70 house and senate committees on ways and means detailing the calculation and planned
71 distribution of funds to school districts; provided, that, funds distributed from this section shall
72 not be considered chapter 70 aid for the calculation of the minimum required local contribution
73 for the upcoming fiscal year.

74 (e) Every 5 years, the department shall determine the adequacy of funding for the
75 purposes of this section and recommend to the general court any necessary adjustment.

76 (f) A grant awarded to a school district pursuant to this section shall not exceed one
77 million five hundred thousand dollars over a 3 year period.

78 Section 16K. (a) There is hereby established and set upon the books of the
79 commonwealth a separate fund known as the Regional School District Foundational Aid Fund.
80 The fund shall be credited with: (i) appropriations or other money authorized or transferred by
81 the general court and specifically designated to be credited to the fund; (ii) funds from public and
82 private sources, including, but not limited to gifts, grants and donations; and (iii) any interest
83 earned on such money. Amounts credited shall not be subject to appropriation and shall be
84 expended by the department to fund a grant program for regional school districts that experience
85 a drop in foundational aid as a result of regionalization to be administered by the department in
86 accordance with this section.

87 (b) A qualified school eligible for funding are regional school districts, excluding
88 vocational schools, independent agricultural, technical schools and charter schools; provided,
89 that any regional school district within its first 5 years of operation that has received less
90 foundational aid than any of its member school districts received in the 5 years preceding
91 regionalization shall be entitled to a grant equal to the difference in foundational funding
92 between the member school district prior to regionalization and the foundational funding
93 received by the regional school district.

94 (c) Annually, not later than December first, the department shall submit a report to the
95 house and senate committees on ways and means detailing the calculation and planned
96 distribution of funds to school districts; provided, that, funds distributed from this section shall
97 not be considered chapter 70 aid for the calculation of the minimum required local contribution
98 for the upcoming fiscal year.

99 (d) Every 5 years, the department shall determine the adequacy of funding for the
100 purposes of this section and recommend to the general court any necessary adjustment.

101 Section 16L. (a) There is hereby established and set upon the books of the
102 commonwealth a separate fund known as the Superintendent Union Formation Grant Fund. The
103 fund shall be credited with: (i) appropriations or other money authorized or transferred by the
104 general court and specifically designated to be credited to the fund; (ii) funds from public and
105 private sources, including, but not limited to gifts, grants and donations; and (iii) any interest
106 earned on such money. Amounts credited shall not be subject to appropriation and shall be
107 expended by the department to fund a grant program for the development of superintendent
108 unions to be administered by the department in accordance with this section.

109 (b) A qualified school eligible for funding are school districts, excluding vocational
110 schools, independent agricultural, technical schools and charter schools; provided, that a school
111 district shall be eligible for a superintendent union formation grant if (i) school district
112 regionalization is not desired by the school district community or is not practicable for any
113 reason and (ii) the school district is considering forming, is in the process of forming or has
114 formed within the past 5 years a superintendent union pursuant to section 61.

115 (c) Annually, not later than February first, any district receiving funds under this item
116 shall submit a report to the department outlining progress the district has made in studying,
117 planning or implementing a superintendent union.

118 (d) Annually, not later than December first, the department shall submit a report to the
119 house and senate committees on ways and means detailing the calculation and planned
120 distribution of funds to school districts; provided, that, funds distributed from this section shall

121 not be considered chapter 70 aid for the calculation of the minimum required local contribution
122 for the upcoming fiscal year.

123 (e) Every 5 years, the department shall determine the adequacy of funding for the
124 purposes of this section and recommend to the general court any necessary adjustment.

125 (f) A grant awarded pursuant to this section shall not exceed two hundred and fifty-
126 thousand dollars annually.
