Section 25A. In order to promote the health, safety and welfare of employees, every employer shall provide for the payment to their employees of the compensation provided for by this chapter in the following manner:

(1) By insurance with an insurer or by membership in a workers’ compensation self-insurance group, established pursuant to the provisions of sections 25E to 25U, inclusive; or

(2) Subject to the rules of the department, by obtaining from the department annually a license as a self-insurer by conforming to either subparagraph (a) or (b) and to subparagraph (c) if required. Every employer desiring to be licensed as a self-insurer shall make application for such license on a form provided by the department. The application shall contain: (i) a sworn itemized statement of the assets and liabilities of the applicant; (ii) a payroll report for the preceding fiscal year of the applicant; and (iii) a detailed description of the nature and kind of business carried on.

(a) By keeping on deposit with the state treasurer in trust for the benefit and security of employees such amount of securities, not less in market value than \$100,000, as may be required by the department, said securities to be in the form of cash, bonds, stocks or other evidences of indebtedness as the department may require, and to be used, liquidated and disbursed only upon order of the department for the purposes of paying the benefits provided for by this chapter. The department shall, at least annually, and at its discretion more frequently, determine the liabilities of a self-insurer both incurred or to be incurred because of personal injuries to employees under this chapter. The department shall require an additional deposit or further security when the sum of the self-insurer's liability both incurred or to be incurred exceeds the deposit or any required reinsurance, or permit a decrease of said deposit provided the value of said deposit in no case shall be less than \$100,000. The department may permit a substitution of securities in place of those deposited. Interest, dividends and other income from said deposit or deposits shall be payable to the employer that deposited them, unless the department directs otherwise. The deposit or deposits may be returned to the employer if the employer shall: (i) insure with an insurer under paragraph (1); (ii) qualify as a self-insurer under subparagraph (b); or (iii) cease to transact business in the commonwealth; provided, that the employer shall demonstrate, to the

satisfaction of the department that they are not under any obligation to pay compensation under this chapter, or, if the department so requires, they furnish the department with a single premium non-cancellable policy, insuring the employer against any liability that may have arisen under this chapter, or with a bond executed as surety by some company with a rating of “A” or higher authorized to transact the business of workers’ compensation insurance in this commonwealth, in an amount and form approved by the department, guaranteeing the payment of any liability on the employer’s part that may have arisen under this chapter. No deposit so deposited shall be assignable or subject to attachment or be liable in any way for the debt of the self-insurer. If an employer engaged in interstate or foreign commerce certifies that the laws of the United States provide for liability for injury to or death of its employees, the deposit shall be returned to the employer less such amount as determined by the department as necessary to satisfy against liability that may already have arisen under this chapter; provided, that such determination by the department shall be reviewable by the superior court for the county in which the employer resides, or, in the case of a corporation, where said corporation has a principal place of business. No deposit with the state treasurer under this section shall be assignable or subject to attachment or be liable in any way for the debt of the self-insurer.

The department shall, at least annually, determine the liabilities of a self-insurer both incurred or to be incurred because of personal injuries to employees under this chapter. The department may at any time require an additional bond, similarly conditioned, or further security or permit a decrease in the amount of said bond; provided, that the amount of the bond or the bonds in no case shall be less than \$100,000. The liability of the surety shall not exceed in the aggregate the penal sum or sums stated in any such annual bond or bonds or in any endorsements giving effect to any such increase or reduction. The department may permit a substitution of a new bond or bonds for the bond or bonds that have been furnished and shall return the old bond or bonds to the self-insurer as soon as a new annual bond has been obtained. Any bond for which

the department permits or requires substitution shall remain in full force and effect until a new bond is obtained with an effective date approved by the department. When a surety bond is activated under this chapter, the surety bond company shall, within 10 days of the activation, commence payment of any liabilities that may arise or have arisen under this chapter on behalf of the principal.

(c) As a further guarantee of a self-insurer's ability to pay the benefits provided for by this chapter to injured employees, every self-insurer shall make arrangements satisfactory to the department, by reinsurance, to protect it from extraordinary losses or losses caused by 1 disaster.

Such reinsurance shall be: (i) in such amounts and form as the department may approve; and (ii) effected with a company as provided in section 20 of chapter 175; provided, that the minimum amount shall be not less than \$500,000. Such reinsurance shall provide that the use or disposition of any money received by a self-insurer or former self-insurer under any such reinsurance shall be subject to the approval of the department, and no such money shall be assignable or subject to attachment or be liable in any way for the debt of the self-insurer unless incurred under this chapter. In the event that a surety bond is activated under this section, such reinsurance shall continue and such reinsurer shall continue to make payments on claims for which payments have already commenced, commence payment on claims that reach the retention level set in the applicable reinsurance policy and, upon exhaustion of the surety bond or development of any deficiency in the bond, commence or continue payments for any liabilities that may arise or have arisen under this chapter.

The provisions of this paragraph shall not apply to common carriers by railroad that are subject to the provisions of the Federal Employers Liability Act.

(3) The department may: (i) make rules governing self-insurers; and (ii) revoke or refuse to renew the license of a self-insurer because of the failure of such self-insurer promptly to make payments of compensation provided for by this chapter, or for any other reasonable cause. Any person aggrieved by the action of the department in refusing to grant a license or in revoking, or refusing to renew, a license of a self-insurer under this section or by the action of the department in requiring an additional deposit or further security under paragraph (a) of this section, or in requiring a further bond or security for an additional sum under paragraph (b) of this section, may demand a hearing before the department, and if, after said hearing, the department denies their petition, the person may within 10 days after receipt of a notice stating reasons for such denial, file a petition in the superior court for Suffolk county for a review thereof; but the filing of such a petition shall not suspend the action of the department unless a stay thereof shall be allowed by the justice pending a final determination by the court. The court shall summarily hear the petition and may make any appropriate order or decree.

(4)(a) The commissioner of insurance shall require each insurer issuing a policy under this chapter to offer, as a part of the policy or as an optional endorsement to the policy, deductibles, including reasonable small deductibles optional to the policyholder for benefits payable under this chapter. Deductible amounts offered shall be fully disclosed to the prospective policyholders in writing in amounts determined by the commissioner. The policyholder exercising the deductible option shall choose only 1 deductible amount.

(b) If the policyholder exercises the option and chooses a deductible, the insured employer shall be liable for the amount of the deductible for benefits paid for each compensable claim of work injury suffered by an employee or, at the option of the policyholder, an aggregate deductible as determined by the commissioner. The insurer shall pay all or part of the deductible

1030 amount, whichever is applicable, to a compensable claim, to the person or medical provider
1031 entitled to the benefits conferred by this chapter and then seek reimbursement from the insured
1032 employer for the applicable deductible amount. The payment or nonpayment of deductible
1033 amounts by the insured employer to the insurer shall be treated under the policy insuring the
1034 liability for workers' compensation in the same manner as payment or nonpayment of premiums.

1035 (c) Optional deductibles shall be offered in each policy insuring liability for workers'
1036 compensation that is issued, delivered, issued for delivery, or renewed under this chapter on or
1037 after a date to be determined by the commissioner, unless an insured employer and insurer agree
1038 to renegotiate a workers' compensation policy in effect, so as to include a provision allowing for
1039 a deductible.

1040 (d) Premium reductions for deductibles shall be determined by the commissioner of
1041 insurance. The commissioner of insurance may adopt rules or promulgate regulations to enforce
1042 this section relative to workers' compensation insurance deductibles.

1043 (e) This subsection shall not apply to employers who are approved to self-insure against
1044 liability for workers' compensation or group self-insurance funds for workers' compensation
