**In the One Hundred and Ninety-Fourth General Court  
(2025-2026)**

An Act relative to apportionment of lottery revenues.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 18C of chapter 58, as appearing in the 2022 Official Edition, is  
2 hereby amended by striking out the section in its entirety and inserting in place thereof the  
3 following:-

4 Section 18C. (a) In this section, "budgeted aid" shall mean unrestricted aid to cities and  
5 towns, payments in lieu of taxes from the commonwealth to cities and towns, and education aid  
6 to cities and towns under chapter 70.

7 (b) State lottery revenue shall be apportioned to cities and towns proportionate to lottery  
8 sales in those cities and towns.

9 (c) The state treasurer shall, subject to appropriation but not subject to allotment under  
10 section 9B of chapter 29, distribute budgeted aid to cities and towns. The distribution shall be  
11 made in 12 equal payments, on or before the last day of each month.

12 Notwithstanding clause Forty-first of section 7 of chapter 4 or any other general or  
13 special law to the contrary, the commissioner of revenue or any official responsible for a local  
14 reimbursement or assistance program reported by said commissioner under section 25A shall  
15 use, as appropriate, the most recent city and town population estimates of the United States  
16 Bureau of the Census in calculating distributions or assessments under local reimbursement or  
17 assistance programs. Such distribution programs shall include, but not be limited to, the chapter  
18 70 school aid program and aid to regional public libraries. Such assessments shall include, but  
19 not be limited to, air pollution control districts, the metropolitan area planning council, the old  
20 colony planning council, the Massachusetts Bay Transportation Authority, and any other entity  
21 for which said commissioner is required to give notice under said section 25A.

22 (d) This section shall not be construed to prohibit the distribution of other state  
23 government payments to cities and towns that are not budgeted aid through 1 or more of the  
24 monthly payments to cities and towns. Nor shall this section be construed to prohibit the  
25 deduction from distributions to satisfy amounts owed to the state by cities and towns under  
26 section 20A or any other general or special law.
