The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act to provide a pilot program for low interest loans to families with a child suffering from a terminal illness.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The Commonwealth, through the Department of Health and Human
2 Services, shall institute a pilot program to provide a one time loan, up to and not in excess of ten
3 thousand dollars to thirty individuals in the Commonwealth to assist them in the payment of
4 expenses directly resulting from expenditures incurred due to a child being diagnosed with a
5 terminal illness.

6 SECTION 2. The application process for the purpose of meeting the eligibility
7 requirements for this act shall be in accordance with the standards and guidelines established by
8 the Department of Public Health. The definition of “terminal illness” for the purpose of this Act
9 shall mean an illness which is likely, within a reasonable degree of medical certainty, to cause
10 death within six months.

11 SECTION 3. The terms of the loan shall be determined by the Department of Health and
12 Human Services and shall not exceed in any situation an amount greater than ten thousand
13 dollars. Interest collected on the loan shall be set at either 2% or the current interest rate at the
14 time of the loan; whichever is higher.

15 SECTION 4. The loan shall only be used for those expenditures incurred as a direct result
16 of attending to the terminally ill family member. Receipts, bills, cancelled checks or any other
17 form of payment shall be available to the Department of Public Health upon request to verify any
18 expenditures relative to the loan.

19 SECTION 5. Upon meeting the eligibility requirements for the loan, said loan shall be
20 placed in a separate account with access for both Department of Health and Human Services and
21 the individual who accepted the loan.

22 SECTION 6. Repayment of the loan with the appropriate interest shall begin one year to
23 the date after the loan was issued to the recipient. Payment will be due on the first of the month
24 until the terms set in the loan agreement are paid in full. Failure to comply with the terms of the
25 loan agreement at any time shall result in the rate of interest being set at 15% for the remainder
26 of the loan.
