1 **Resolved**, That, notwithstanding any general law, special law or local ordinance to the
2 contrary, a special commission is hereby established for the purpose of conducting an
3 investigation and study of the feasibility of establishing a time limit for handicapped parking
4 placard use in metered spots, for potential implementation by municipalities; provided that said
5 special commission shall consist of two members of the Senate to be appointed by the Senate
6 President, two members of the House of Representatives to be appointed by the House Speaker,
7 the Secretary of the Department of Transportation or a designee, the Secretary of the Department

14 handicapped parking placards in metered spots, as well as the potential implementation of a
15 standard or reduced fee after said time limit expires. The commission shall submit a detailed
16 report with its proposals and recommendations to the clerks of the House of Representatives and
17 Senate, as well as the Department of Transportation, the Department of Elder Affairs, and the
18 Office on Disability no later than 18 months after the effective date of this resolve. The clerks of
