The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act establishing a commission to study the promotion of preferred pharmacy networks.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any general or special law to the contrary, there shall be a
2 commission to study the implementation of preferred pharmacy networks, whereby health
3 insurers steer consumers to lower-cost “preferred” pharmacies where insurers can negotiate
4 lower drug prices.

5 The commission shall consist of the house and senate chairs of the joint committee on
6 health care financing, who shall serve as the co-chairs; one member to be appointed by the
7 speaker of the house of representatives; one member to be appointed by the president of the
8 senate; one member to be appointed by the house minority leader; one member to be appointed
9 by the senate minority leader; the director of the health policy commission or a designee; the
10 commissioner of the department of public health or a designee; and the executive director of the
11 center for health information and analysis or a designee.

12 The commission shall study the feasibility of implementing preferred pharmacy networks
13 and make recommendations based on a cost-benefit analysis of such networks. The commission
14 shall provide estimates of projected savings in prescription drug costs from implementing such
15 networks.

16 The commission shall submit its report and findings, along with any recommendations
17 and drafted legislation, to the house and senate committees on ways and means, the joint
18 committee on health care financing, and the clerks of the house of representatives and senate
19 within 12 months of the passage of this act.
