14 section, and shall inform the registered owner and any lienholder of the recovery, transportation  
15 and storage rates therefor, and shall inquire if he is to continue to hold the motor vehicle subject  
16 to the storage rates. If the registered owner of the motor vehicle assents to the continued storage,  
17 the owner of the motor vehicle storage facility shall continue to hold said motor vehicle in  
18 storage: ; provided, however that if the lienholder pays the current charges for recovery,  
19 transportation and storage rates to the owner or operator of the motor vehicle storage facility, the

21 If: (1) the registered owner of a motor vehicle fails to answer the notice within 14 days of  
22 the receipt thereof; (2) the registered owner of a motor vehicle fails to remove the motor vehicle  
23 after paying the recovery, transportation and storage charges therefor within fourteen days after  
24 such payment; or (3) the certified mail notice was returned as undeliverable at least 3 days prior,  
25 the motor vehicle shall continue to be stored at the prevailing rates and the owner or operator of  
26 the motor vehicle storage facility shall notify again any lienholder of the motor vehicle by  
27 certified mail, return receipt requested, that the motor vehicle has been placed in his care as

44 all charges and costs, and the balance of the proceeds of the sale, if any. If the owner or operator  
45 of the motor vehicle storage facility knows the address of the registered owner or lienholder of  
46 the motor vehicle, he shall pay the balance first to any lienholder, and then to the registered  
47 owner. If neither address is known, the owner or operator shall deposit the same with the clerk of  
48 the district court wherein the property is located. The clerk shall give the owner or operator a
