**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act to eliminate disparate impact.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 12 of the General Laws, is hereby amended by inserting after
2 Section 11N the following section:-

3 Section 11O.

4 (a) Definitions. For the purposes of this Section, the following terms shall have the
5 following meanings:-

6 “Program, policy or practice”, means, without limitation, one or more actions, activities,
7 operations, decisions, initiatives, mandates, criteria or methods of administration of a unit of
8 government.

9 “Protected characteristic”, a characteristic protected from discrimination under
10 Commonwealth law as defined in statute, case law, administrative regulation, and other legal
11 precedent.

12 “Unit of government”, (1) any executive office, department, agency or subdivision of the
13 Commonwealth including, without limitation: counties, cities, towns, offices, boards,
14 commissions and authorities; (2) any persons employed by or contracted by a unit of government
15 or (3) any programs or activities conducted, operated or administered or funded through direct or
16 in-kind assistance, by a unit of government.

17 (b) No unit of government shall directly or indirectly adopt, implement, approve or
18 utilize, without limitation, any program, policy or practice that has a disparate impact.

19 (c) Any person or class of persons claiming to be aggrieved by a violation of subsection
20 (b) may institute and prosecute a civil action in a state court for injunctive, declaratory and other
21 appropriate forms of relief including an award of actual damages. Any person or class of persons
22 claiming to be aggrieved by violations of intentional discrimination may seek an award of
23 punitive damages. This civil action must be filed not later than three years after a violation of
24 subsection (b).

25 Any aggrieved person or persons who prevails in an action authorized by this Section
26 shall be entitled to an award of the costs of the litigation including expert witness fees,
27 reasonable attorneys' fees in an amount to be fixed by the court and prejudgment and post-
28 judgment interest.

29 (d) Burdens of proof in actions for disparate impact.

30 (1) The plaintiff has the burden of proving that a challenged program, policy or practice
31 caused a disparate impact. The plaintiff does not have to prove that the challenged program,
32 policy or practice intended to discriminate.

33 (2) Once the plaintiff satisfies the burden of proof set forth in subsection (d)(1) of this
34 Section, the defendant has the burden of proving that the challenged program, policy or practice
35 meets all of the elements of a substantial legitimate justification.

36 (3) Demonstrating that the program, policy or practice is supported by a substantial
37 legitimate justification is not a defense against a claim of intentional discrimination.

38 (e) A challenged program, policy or practice may be a contributing cause of the disparate
39 impact, but does not need to be the sole or predominant cause.

40 (f) Nothing in this section shall be intended to require a plaintiff seeking to enforce the
41 protection afforded herein to exhaust any administrative remedies applicable to discrimination
42 actions under other laws.

43 (g) This Act is intended to be liberally construed to effectuate the broad, remedial goal of
44 eradicating discrimination by units of government, whether intentionally or due to disparate
45 impact, and to secure access to the judicial process for an aggrieved person or persons.

46 SECTION 2: This Act shall take effect upon its passage.
