An Act establishing free broadband internet access in public housing.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 111 of the General Laws is hereby amended by adding the

10 The department shall make a study into broadband internet access in the commonwealth
11 and its relation to the public health objectives of the commonwealth. Said study shall be

12 conducted for the purposes of understanding how broadband internet access is a determinant of
13 health, improving the public health services of the commonwealth, and expanding broadband
14 internet throughout the Commonwealth to reflect its status as a human right, with a focus on
15 communities that have suffered disproportionate health impacts as a result of lack of access to
16 broadband internet.
