[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE HOUSE, NO. 2140 OF 2023-2024.]

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act to improve patient access to prescription medication.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Section 9 of Chapter 94C of the General Laws is hereby amended by
2 striking out subsection (b), as so appearing, and inserting in place thereof the following:

3 (b) Notwithstanding section 17, a practitioner registered under section 7 may, in the good
4 faith exercise of the practitioner’s clinical judgment, dispense by delivering to an ultimate user:

5 (1) Any prescription medication not regulated under this chapter;

6 (2) Any prescription medication classified by the department as schedule VI subject to
7 such regulations as to safe storage, labeling, and recordkeeping as the department may adopt;

8 (3) Any prescription medication classified by the department as schedule II–V subject to
9 such regulations as to safe storage, labeling, recordkeeping, dosage, and quantity as the
10 department may adopt.

11 Before dispensing a prescription medication under this section, a practitioner must inform
12 the ultimate user of their right to purchase the medication from any other practitioner registered
13 under section 7.

14 This section shall not be construed to restrict a practitioner from dispensing any
15 prescription medication necessary to respond to a medical emergency.
