SEE HOUSE, NO. 1976 OF 2023-2024.]

**The Commonwealth of Massachusetts**

—————  
**In the One Hundred and Ninety-Fourth General Court  
(2025-2026)**  
—————

An Act to improve the quality of mental health services, and rights of patients, by providing for sufficient privacy.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. The Massachusetts General Laws are hereby amended by inserting the  
2 following new chapter:

3           1.) An Act to improve the quality of mental health services, and rights of patients, by  
4 providing for sufficient privacy.

5           2.) All individuals, who present themselves, for mental health services, and/or are  
6 admitted for such services, and/or assessment, shall be entitled to a specific private intake room,  
7 or physical space, where only they, medical staff, and relevant security, may hear any intake,  
8 and/or treatment conversations.

9           3.) These provisions, may not be waived, except in extreme emergency circumstances;  
10 which shall be specifically noted, and recorded in a medical record, and the reasons therefore, by  
11 responsible medical, and intake staff.

12           4.) In the context, of significant, and substantial reductions in funding, for various  
13 medical services, including mental health services, it has occurred that patients being seen for  
14 intake, and/or treatment, have been seen in open wards, and/or emergency general settings,  
15 without privacy. This can have various effects, in denying privacy, diminishing the provision of  
16 needed information between medical staff, and actual or potential patients, compromising  
17 important treatment discussions; and/or discouraging various forms of intake, by individuals,  
18 who are concerned about risks of disclosure.

19           5.) It is in the interests of public policy, that such inherent violations, of needed  
20 confidentiality, be reduced, and/or eliminated to the extent possible, by various measures.

21           6.) The Massachusetts Department of Public Health (DPH), and its Public Health Council  
22 (PHC), are hereby authorized to develop, establish, and enforce the needed regulations, to carry  
23 out the intent of this legislation.
