6 SECTION 2. Said Section 30 of said chapter 23B of the General Laws, is hereby further
7 amended by inserting after the first paragraph the following paragraph:-

8 The executive office shall provide emergency housing assistance to eligible families,
9 including but not limited to families who on the date of application for emergency assistance
10 have an immediate need, and who but for not having spent 1 night in a public or private place not
11 designed for or ordinarily used as a regular sleeping accommodation for human beings, including

12 but not limited to a car, park, abandoned building, medical facility, bus or train station, airport or

18 amended in subsection B by striking out the first paragraph and inserting in place thereof the
19 following paragraph:–

20 The executive office shall promulgate rules and regulations consistent with this chapter to

22 shall provide that a family experiencing homelessness or at-risk of homelessness shall be eligible
23 for assistance under the emergency assistance program if its income is within the income limits
24 for the program of aid to families with dependent children established pursuant to chapter one
25 hundred and eighteen.

26 SECTION 5. Said Section 30 of said chapter 23B of the General Laws, is hereby further
27 amended in subsection B by inserting after the first paragraph the following paragraph:-

28 The executive office shall not promulgate or amend any regulations, administrative
29 practices, or policies that would alter eligibility for or the level of benefits under this program,
30 other than that which would benefit the clients without providing at least 90 days’ advance notice
31 to the legislature, program participants, and the general public. The executive office shall submit
32 a report to the house and senate committees on ways and means, the clerks of the house of
33 representatives and the senate and the joint committee on children, families and persons with

34 disabilities setting forth justification for such changes including, but not limited to, any
35 determination by the secretary of housing and livable communities that available appropriations
36 will be insufficient to meet projected expenses and the projected savings from any proposed
37 changes.

38 SECTION 6. Said Section 30 of said chapter 23B of the General Laws, is hereby further
39 amended in subsection F by inserting after the words “upon appeal to the secretary” the

52 respite centers, shall not be considered Emergency Assistance shelter placements. Families
53 placed on the waiting list for Emergency Assistance shelter may be offered stays in state-funded
54 emergency overflow shelter sites but shall retain their spot on the waiting list for placement in

55 Emergency Assistance shelter, and such stays shall not be counted against time spent in
56 Emergency Assistance shelter for the purposes of any durational limit.

57 SECTION 9. Said Section 30 of said chapter 23B, so appearing, is hereby further
58 amended by inserting at the end of subsection (G) the following paragraph:-

59 For any state of emergency and for at least 90 days thereafter, the executive office shall
60 use its authority to allow applicants to self-certify documentation verifying their eligibility for
61 emergency housing assistance; shall cease from terminating all emergency housing assistance
62 program benefits; and shall waive the existing 12-month ban on re-entering emergency housing
63 assistance for any family who meets the other eligibility requirements.

64 SECTION 10. Said Section 30 of said chapter 23B, so appearing, is hereby further
65 amended by inserting after subsection (G) the following subsection:-

66 (H) (a) For purposes of this section, “immediate need” shall mean a family has no
67 immediate and feasible housing alternative; provided further that a family’s self-declaration of
68 immediate need shall be sufficient to establish eligibility for immediate housing placement.

69 (b) On the same business day in which any family requests emergency housing
70 assistance, the executive office shall inquire whether the family is in immediate need of
71 emergency housing assistance. If the family is determined to be in immediate need of emergency
72 housing assistance, the executive office shall offer the family shelter placement to begin that
73 same business day, unless the executive office possesses specific information confirming that the
74 family is not eligible for emergency housing assistance, in which case the executive office shall
75 on that same day generate a written notice of denial including the reasons for the denial, the
76 specific regulations supporting the denial, and an explanation of the right to appeal.

77 SECTION 11. Said Section 30 of said chapter 23B, as so appearing, is hereby further
78 amended by inserting the following subsection:-

79 (I) The executive office shall issue no denial based in whole or in part on the need for
80 further verification of the family's eligibility for emergency housing assistance. The executive
81 office and the department of transitional assistance shall, within 30 days of enactment of this
82 subsection, execute any memorandum of understanding, interdepartmental service agreement, or
83 other document that may be necessary in order for executive office staff to access the Benefit
84 Eligibility and Control Online Network (BEACON) database or any successor database
85 maintained by the department of transitional assistance. Within 30 days of such execution, the
86 executive office and the department of transitional assistance shall ensure that all executive
87 office staff involved in determining families' eligibility for emergency housing assistance shall
88 have access to any and all data maintained by the department of transitional assistance that may
89 be necessary to ascertain a family's eligibility for emergency housing assistance. The executive
90 office shall review all available data held by the department of transitional assistance and shall
91 only require that the family present such documentary verification for eligibility factors that
92 cannot be ascertained through review of data from the department of transitional assistance.

93 When the executive office offers a family an immediate shelter placement pursuant to
94 subsection (H) above and does not have in its possession sufficient information to make a full
95 determination of eligibility, including through review of data held by the department of
96 transitional assistance, the executive office shall notify the family of the specific verification
97 needed; the time period for the verification, not to be less than thirty calendar days from the date
98 on which the family receives actual notice of the verification needed; and the consequences of

99 late or missing verifications. Such notice shall be in writing and shall be delivered to the family
100 in hand by the executive office or its contracted shelter provider.

101 SECTION 12. Said Section 30 of said chapter 23B, as so appearing, is hereby further
102 amended by inserting the following subsection:-

103 (J) The executive office shall issue no denial or termination of assistance based in whole
104 or in part on the amount of a family's assets; provided, however, that any income generated by
105 such assets may be treated as countable income.

106 SECTION 13. Said Section 30 of said chapter 23B, as so appearing, is hereby further
107 amended by inserting the following subsection:-

108 (K) The executive office shall promulgate any rules or regulations which may be
109 necessary to carry out subsections (H), (I), and (J) of this section.

111 amended by inserting the following subsection:-

112 (L) (1) For purposes of subsection, "applicant" shall mean any person who requests
113 services in programs referenced to in subsection (H)(b) through any means, including but not
114 limited to telephone, electronic means, or in person from the initial point of contact; "participant"
115 shall mean any person engaged in programs referenced to in subsection (H)(b) up until the point

117 program; "application" shall mean an initiated request for services.

118 (2) There shall be established an ombudsperson unit within the executive office of
119 housing and livable communities to liaise between families and two programs located within the

121 towards the emergency assistance shelter program and related short-term housing transition
122 programs as provided in Chapter 4 of the Acts of 2009 and Chapter 23, and any successor
123 programs.

124 Applicants to and participants of both the emergency assistance and the Massachusetts
125 short-term housing transition program shall be able to access the ombudsperson. The
126 ombudsperson shall act as an independent mediator and advocate for all applicants and
127 participants in either program.

128 (3) The ombudsperson shall mediate between any applicant or participant and the
129 executive office of housing and livable communities when conflicts or misunderstandings arise.
130 The ombudsperson shall advocate for any applicant or participant when such applicant or
131 participant requests such services in order to review a denial or termination of services. For
132 applicants, the ombudsperson shall advocate in instances including but not limited to extraneous
133 document requests, inability to contact the executive office by telephone, delays in placement,
134 and denials.

135 (4) The ombudsperson unit shall have access to all initiated, partially completed, and
136 completed applications in order to assess applicants' and participants' requests; provided further
137 the ombudsperson shall have access to all submitted documentation as well as case information
138 in the All Service Integrated System Tracker (ASIST) database and any successor database as
139 well as shelter provider notes, department of children and families and domestic violence
140 assessments, and sub-contracted provider notes.

141 (5) The ombudsperson unit shall annually develop a report describing: (1) the number of
142 requests received in the preceding 12-month period; (2) the number of such requests that
143 pertained to the emergency assistance program; (3) the number of such requests that pertained to
144 the Massachusetts short-term housing transition program; (4) the number of such requests that
145 pertained to issues arising during the application process; (5) the number of such requests that
146 pertained to participants' experiences at any time after initial entry into the program in question,
147 broken down by program; or issues that result as part of programmatic participation; (6) the
148 nature of all such requests; (7) the resolution of all such requests; (8) the race and ethnicity of
149 each requestor; and (9) the length of time to resolve requests for each program and identifies
150 whether the request involved application issues or program participation issues. This report shall
151 be filed with the clerks of the house of representatives and the senate, and shall be filed with the
152 joint committee on housing and the house and senate committees on ways and means, on or
153 before the first of February of each year.

154 (6) Not more than 12 months after establishing the ombudsperson unit, and annually
155 thereafter, the joint committee on ways and means and the joint committee on housing shall hold
156 an oversight hearing to investigate, analyze and discuss the data collected and the efficacy of the
157 ombudsperson unit in resolving requests.
