An Act relative to primary insurance.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1                   SECTION 1. Chapter 90, section 32C is amended by striking the first paragraph  
2 and replacing it with the following: -

3                   No person engaged in the business of leasing motor vehicles or trailers under the  
4 "drive-

5                   it-yourself" system, so called, , wherein the amount of the rental is determinable in whole  
6 or in

7                   part by the distance such motor vehicles or trailers travel or any similar system including  
8 rentals based

9                   on daily, weekly, hourly or monthly rental rates, shall lease any such vehicle whereto is

10                  attached a hubodometer or other mechanical device for the purpose of registering the

11 distance

12           that such vehicle travels which does not register such distance with substantial accuracy,  
13   nor  
14           shall any such person, herein and in the following three sections called the lessor,  
15   knowingly  
16           deceive any lessee of any such vehicle under any such system, herein and in the  
17   following three  
18           sections called the lessee, as to the distance which such vehicle has traveled under the  
19   lease, or  
20           make or collect a charge for the use thereof based wholly or in part on such deception, or  
21   lease  
22           any such vehicle for operation on any public way by any person whom he knows or has  
23   reason to  
24           believe to be under the influence of intoxicating liquor or of any drug. No lessor shall  
25   lease any  
26           motor vehicle or trailer until the lessee shows that he or his authorized operator is the  
27   holder of a  
28           duly issued license to operate the type of motor vehicle or trailer which is being leased.  
29   Further, no  
30           lessor is required to verify such license with the Registry of Motor Vehicles or via any  
31   other electronic

32 services.

33 SECTION 2. Section 32E is amended by striking the title and replacing it with the  
34 following: -

35 Section 32E: Leasing motor vehicles on mileage basis; operation of vehicles or  
36 use of

37 trailers; insurance coverage; vehicles leased on daily, weekly, hourly or monthly rental  
38 rate

39 Section 32E is further amended by striking the second paragraph and replacing  
40 it with the following:

41 Every lessor shall provide and maintain, during such time as he engages in the business  
42 of leasing motor vehicles under any system referred to in section thirty-two C, a motor vehicle  
43 liability policy or bond or deposit up to the minimum financial requirements imposed on owners  
44 or registrants , on a secondary or contingent basis if the lessee or operator does not have a motor  
45 vehicle liability policy, or other coverage, which, in addition to providing indemnity, protection  
46 or security for personal injuries, shall, except in the case of vehicles leased for a term of more  
47 than thirty days, further provide indemnity, protection or security for damage to property as  
48 required by the provisions of this chapter. If another valid and collectible liability policy or other  
49 form of financial security satisfies the minimum financial requirements imposed on owners or  
50 registrants, a lessor's obligation under the law is satisfied.

51 SECTION 3. Section 34M is further amended by adding the following words:  
52 "and/or thirty-two E" any time "section thirty-four A" appears in this section. -,
