The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act authorizing the town of Millis to establish a means-tested senior citizen property tax exemption for school building construction projects.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. With respect to each qualifying parcel of real property classified as class one,
2 residential in the Town of Millis, there shall be an exemption from the property tax in an amount
3 equal or less than the actual cost of borrowing (including principal and interest) in any fiscal
4 year, for a specific school building construction project for which borrowing is undertaken after
5 the effective date of this Act, to be set annually by the Board of Assessors. The exemption shall
6 be applied to the domicile of the taxpayer only. For the purposes of this Act, “parcel” shall
7 mean a unit of real property as defined by the Board of Assessors under the deed of the property
8 and shall include a condominium unit. The exemption provided for in this section shall be in
9 addition to any other exemptions allowed under the General Laws.

10 Section 2. The Board of Assessors may deny an application if it finds that the applicant
11 has excessive assets that place the applicant outside of the intended recipients of the senior

exemption established pursuant to this act, said determination to be consistent with asset limitations imposed by the Commonwealth for affordable housing eligibility for persons 55 years or older. Real property shall qualify for the exemption under section 1 if all of the following criteria are met:

(i) The qualifying real property is owned and occupied by a person whose prior year's income would make the person eligible for the circuit breaker income tax credit under subsection (k) of section 6 of chapter 62 of the General Laws;

(ii) The qualifying real property is owned by a single applicant age 65 or older at the close of the previous year or jointly by persons either of whom is age 65 or older at the close of the previous year and the joint applicant is 60 years of age or older;

(iii) The qualifying real property is owned and occupied by the applicant or joint applicants as their domicile;

(iv) The applicant or at least one of the joint applicants has been domiciled and owned a home in the Town of Millis for at least 10 consecutive years before filing an application for the exemption;

(v) The maximum assessed value of the domicile is not greater than the prior year's maximum assessed value for qualification for the circuit breaker income tax credit under subsection (k) of section 6 of chapter 62 of the General Laws as adjusted annually by the department of revenue; and

(vi) The Board of Assessors has approved the application for the exemption.

32 Section 3. The total amount exempted by this act shall be allocated proportionately
33 within the tax levy on all other taxpayers.

34 Section 4. A person who seeks to qualify for the exemption under section 1 shall, before
35 the deadline established by the Board of Assessors, file an application, on a form to be adopted
36 by the Board of Assessors, with the supporting documentation of the applicant's income and
37 assets as described in the application. The application shall be filed each year for which the
38 applicant seeks the exemption.

39 Section 5. No exemption shall be granted under this act until the department of revenue
40 certifies a residential tax rate for the applicable tax year where the total exemption amount is
41 raised by a burden shift within the residential tax levy, or take any other action related thereto.
