5 Compact Act.

6 Section 2. The Governor of the Commonwealth of Massachusetts, on behalf of this State,
7 is hereby authorized to execute a compact in substantially the following form with any one or
8 more of the states of the United States and the General Assembly hereby signifies in advance its
9 approval and ratification of the compact.

10 Section 3. Whereas, states license psychologists, in order to protect the public through
11 verification of education, training and experience and ensure accountability for professional
12 practice; and

13 Whereas, this compact is intended to regulate the day-to-day practice of telepsychology
14 by psychologists across state boundaries in the performance of their psychological practice as
15 assigned by an appropriate authority; and

16 Whereas, this compact is intended to regulate the temporary in-person, face-to-face
17 practice of psychology by psychologists across state boundaries for 30 days within a calendar
18 year in the performance of their psychological practice as assigned by an appropriate authority;

19 Whereas, this compact is intended to authorize state psychology regulatory authorities to
20 afford legal recognition, in a manner consistent with the terms of the compact, to psychologists
21 licensed in another state;

22 Whereas, this compact recognizes that states have a vested interest in protecting the
23 public's health and safety through their licensing and regulation of psychologists and that such
24 state regulation will best protect public health and safety;

25 Whereas, this compact does not apply when a psychologist is licensed in both the home
26 state and receiving states; and

27 Whereas, this compact does not apply to permanent in-person, face-to-face practice, it
28 does allow for authorization of temporary psychological practice.

29 Consistent with these principles, this compact is designed to achieve the following
30 purposes and objectives:

31 (a) Increase public access to professional psychological services by allowing for
32 telepsychological practice across state lines as well as temporary in-person, face-to-face services
33 into a state which the psychologist is not licensed to practice psychology;

34 (b) Enhance the states' ability to protect the public's health and safety, especially
35 client/patient safety;

36 (c) Encourage the cooperation of compact states in the areas of psychology licensure and
37 regulation;

38 (d) Facilitate the exchange of information between compact states regarding psychologist
39 licensure, adverse actions and disciplinary history;

40 (e) Promote compliance with the laws governing psychological practice in each compact
41 state; and

305 interjurisdictional telepsychology within that receiving state. A home state may take adverse
306 action against a psychologist based on an adverse action taken by a distant state regarding
307 temporary in-person, face-to-face practice.

308 (c) If a home state takes adverse action against a psychologist's license, that
309 psychologist's authority to practice interjurisdictional telepsychology is terminated and the
310 E.Passport is revoked. Furthermore, that psychologist's temporary authorization to practice is
311 terminated and the IPC is revoked.

312 (1) All home state disciplinary orders which impose adverse action shall be reported to
313 the commission in accordance with the rules promulgated by the commission. A compact state
314 shall report adverse actions in accordance with the rules of the commission.

324 psychologist's license.

325 (e) A distant state's psychology regulatory authority shall investigate and take
326 appropriate action with respect to reported inappropriate conduct engaged in by a psychologist
327 practicing under temporary authorization to practice which occurred in that distant state as it
328 would if such conduct had occurred by a licensee within the home state. In such cases, distant
329 state's law shall control in determining any adverse action against a psychologist's temporary
330 authorization to practice.

331 (f) Nothing in this compact shall override a compact state's decision that a psychologist's
332 participation in an alternative program may be used in lieu of adverse action and that such
333 participation shall remain non-public if required by the compact state's law. Compact states must
334 require psychologists who enter any alternative programs to not provide telepsychology services
335 under the authority to practice interjurisdictional telepsychology or provide temporary
336 psychological services under the temporary authorization to practice in any other compact state
337 during the term of the alternative program.

342 regulatory authority shall have the authority under this compact to:

345 state's psychology regulatory authority for the attendance and testimony of witnesses, or the
346 production of evidence from another compact state shall be enforced in the latter state by any
347 court of competent jurisdiction, according to that court's practice and procedure in considering
348 subpoenas issued in its own proceedings. The issuing state psychology regulatory authority shall
349 pay any witness fees, travel expenses, mileage and other fees required by the service statutes of
350 the state where the witnesses or evidence are located; and

351 (2) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority
352 to practice interjurisdictional telepsychology or temporary authorization to practice.

353 (3) During the course of any investigation, a psychologist may not change his or her
354 home state licensure. A home state psychology regulatory authority is authorized to complete
355 any pending investigations of a psychologist and to take any actions appropriate under its law.
356 The home state psychology regulatory authority shall promptly report the conclusions of such
357 investigations to the commission. Once an investigation has been completed, and pending the
358 outcome of said investigation, the psychologist may change his or her home state licensure. The
359 commission shall promptly notify the new home state of any such decisions as provided in the
360 rules of the commission. All information provided to the commission or distributed by compact
361 states pursuant to the psychologist shall be confidential, filed under seal and used for
362 investigatory or disciplinary matters. The commission may create additional rules for mandated
363 or discretionary sharing of information by compact states.

366 licensure information system and reporting system containing licensure and disciplinary action

368 states as defined by the rules of the commission.

373 (2) Licensure data;

374 (3) Significant investigatory information;

377 telepsychology or temporary authorization to practice is revoked;

378 (6) Non-confidential information related to alternative program participation
379 information;

380 (7) Any denial of application for licensure, and the reasons for such denial; and

381 (8) Other information which may facilitate the administration of this compact, as
382 determined by the rules of the commission.

383 (c) The coordinated database administrator shall promptly notify all compact states of any
384 adverse action taken against, or significant investigative information on, any licensee in a
385 compact state.

386 (d) Compact states reporting information to the coordinated database may designate
387 information that may not be shared with the public without the express permission of the
388 compact state reporting the information.

389 (e) Any information submitted to the coordinated database that is subsequently required
390 to be expunged by the law of the compact state reporting the information shall be removed from
391 the coordinated database.

392 Section 12.

393 (a) The compact states hereby create and establish a joint public agency known as the
394 Psychology Interjurisdictional Compact Commission.

397 brought solely and exclusively in a court of competent jurisdiction where the principal office of
398 the commission is located. The commission may waive venue and jurisdictional defenses to the
399 extent it adopts or consents to participate in alternative dispute resolution proceedings.

400 (3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

401 (b) Membership, Voting, and Meetings

402 (1) The commission shall consist of one voting representative appointed by each compact
403 state who shall serve as that state's commissioner. The state psychology regulatory authority

405 This delegate shall be limited to: (i) executive director, executive secretary or similar executive;
406 (ii) current member of the state psychology regulatory authority of a compact state; or (iii)
407 designee empowered with the appropriate delegate authority to act on behalf of the compact
408 state.

409 (2) Any commissioner may be removed or suspended from office as provided by the law
410 of the state from which the commissioner is appointed. Any vacancy occurring in the
411 commission shall be filled in accordance with the laws of the compact state in which the vacancy

544 grants of money, equipment, supplies, materials and services.

545 (3) The commission may levy on and collect an annual assessment from each compact
546 state or impose fees on other parties to cover the cost of the operations and activities of the
547 commission and its staff which must be in a total amount sufficient to cover its annual budget as
548 approved each year for which revenue is not provided by other sources. The aggregate annual
549 assessment amount shall be allocated based upon a formula to be determined by the commission
550 which shall promulgate a rule binding upon all compact states.

551 (4) The commission shall not incur obligations of any kind prior to securing the funds

559 commission.

560 (g) Qualified Immunity, Defense, and Indemnification

561 (1) The members, officers, executive director, employees and representatives of the
562 commission shall be immune from suit and liability, either personally or in their official capacity,
563 for any claim for damage to or loss of property or personal injury or other civil liability caused
564 by or arising out of any actual or alleged act, error or omission that occurred, or that the person
565 against whom the claim is made had a reasonable basis for believing occurred within the scope
566 of commission employment, duties or responsibilities; provided that nothing in this paragraph

567 shall be construed to protect any such person from suit or liability for any damage, loss, injury or
568 liability caused by the intentional or willful or wanton misconduct of that person.

569 (2) The commission shall defend any member, officer, executive director, employee or
570 representative of the commission in any civil action seeking to impose liability arising out of any
571 actual or alleged act, error or omission that occurred within the scope of commission
572 employment, duties or responsibilities, or that the person against whom the claim is made had a
573 reasonable basis for believing occurred within the scope of commission employment, duties or
574 responsibilities; provided that nothing herein shall be construed to prohibit that person from
575 retaining his or her own counsel; and provided further, that the actual or alleged act, error or
576 omission did not result from that person's intentional or willful or wanton misconduct.

577 (3) The commission shall indemnify and hold harmless any member, officer, executive
578 director, employee or representative of the commission for the amount of any settlement or
579 judgment obtained against that person arising out of any actual or alleged act, error or omission

581 person had a reasonable basis for believing occurred within the scope of commission
582 employment, duties or responsibilities, provided that the actual or alleged act, error or omission
583 did not result from the intentional or willful or wanton misconduct of that person.

584 Section 13.

585 (a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth
586 in this section and the rules adopted thereunder. Rules and amendments shall become binding as
587 of the date specified in each rule or amendment.

588 (b) If a majority of the legislatures of the compact states rejects a rule, by enactment of a
589 statute or resolution in the same manner used to adopt the compact, then such rule shall have no
590 further force and effect in any compact state.

591 (c) Rules or amendments to the rules shall be adopted at a regular or special meeting of
592 the commission.

593 (d) Prior to promulgation and adoption of a final rule or rules by the commission, and at
594 least 60 days in advance of the meeting at which the rule will be considered and voted upon, the
595 commission shall file a notice of proposed rulemaking:

596 (1) On the website of the commission; and

597 (2) On the website of each compact states' psychology regulatory authority or the
598 publication in which each state would otherwise publish proposed rules.

599 (e) The notice of proposed rulemaking shall include:

600 (1) The proposed time, date, and location of the meeting in which the rule will be
601 considered and voted upon;

602 (2) The text of the proposed rule or amendment and the reason for the proposed rule;

603 (3) A request for comments on the proposed rule from any interested person; and

604 (4) The manner in which interested persons may submit notice to the commission of their
605 intention to attend the public hearing and any written comments.

606 (f) Prior to adoption of a proposed rule, the commission shall allow persons to submit
607 written data, facts, opinions and arguments, which shall be made available to the public.

608 (g) The commission shall grant an opportunity for a public hearing before it adopts a rule
609 or amendment if a hearing is requested by:

610 (1) At least 25 persons who submit comments independently of each other; (2) A
611 governmental subdivision or agency; or

612 (3) A duly appointed person in an association that has having at least 25 members.

613 (h) If a hearing is held on the proposed rule or amendment, the commission shall publish
614 the place, time, and date of the scheduled public hearing.

615 (1) All persons wishing to be heard at the hearing shall notify the executive director of
616 the commission or other designated member in writing of their desire to appear and testify at the
617 hearing not less than 5 business days before the scheduled date of the hearing.

618 (2) Hearings shall be conducted in a manner providing each person who wishes to
619 comment a fair and reasonable opportunity to comment orally or in writing.

620 (3) No transcript of the hearing is required, unless a written request for a transcript is
621 made, in which case the person requesting the transcript shall bear the cost of producing the
622 transcript. A recording may be made in lieu of a transcript under the same terms and conditions
623 as a transcript. This subsection shall not preclude the commission from making a transcript or
624 recording of the hearing if it so chooses.

625 (4) Nothing in this section shall be construed as requiring a separate hearing on each rule.
626 Rules may be grouped for the convenience of the commission at hearings required by this
627 section.

628 (i) Following the scheduled hearing date, or by the close of business on the scheduled
629 hearing date if the hearing was not held, the commission shall consider all written and oral
630 comments received.

631 (j) The commission shall, by majority vote of all members, take final action on the
632 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking
633 record and the full text of the rule.

634 (k) If no written notice of intent to attend the public hearing by interested parties is
635 received, the commission may proceed with promulgation of the proposed rule without a public
636 hearing.

637 (l) Upon determination that an emergency exists, the commission may consider and adopt
638 an emergency rule without prior notice, opportunity for comment, or hearing, provided that the
639 usual rulemaking procedures provided in the compact and in this section shall be retroactively
640 applied to the rule as soon as reasonably possible, in no event later than 90 days after the
641 effective date of the rule. For the purposes of this provision, an emergency rule is one that must
642 be adopted immediately in order to:

643 (1) Meet an imminent threat to public health, safety, or welfare;

644 (2) Prevent a loss of commission or compact state funds;

645 (3) Meet a deadline for the promulgation of an administrative rule that is established by
646 federal law or rule; or

647 (4) Protect public health and safety.

648 (m) The commission or an authorized committee of the commission may direct revisions
649 to a previously adopted rule or amendment for purposes of correcting typographical errors, errors
650 in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be
651 posted on the website of the commission. The revision shall be subject to challenge by any
652 person for a period of 30 days after posting. The revision may be challenged only on grounds
653 that the revision results in a material change to a rule. A challenge shall be made in writing, and
654 delivered to the chair of the commission prior to the end of the notice period. If no challenge is
655 made, the revision will take effect without further action. If the revision is challenged, the
656 revision may not take effect without the approval of the commission.

657 Section 14.

658 (a) Oversight

659 (1) The executive, legislative and judicial branches of state government in each compact
660 state shall enforce this compact and take all actions necessary and appropriate to effectuate the
661 compact's purposes and intent. The provisions of this compact and the rules promulgated
662 hereunder shall have standing as statutory law.

663 (2) All courts shall take judicial notice of the compact and the rules in any judicial or
664 administrative proceeding in a compact state pertaining to the subject matter of this compact
665 which may affect the powers, responsibilities or actions of the commission.

666 (3) The commission shall be entitled to receive service of process in any such proceeding,
667 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
668 service of process to the commission shall render a judgment or order void as to the commission,
669 this compact or promulgated rules.

670 (b) Default, Technical Assistance, and Termination

671 (1) If the commission determines that a compact state has defaulted in the performance of
672 its obligations or responsibilities under this compact or the promulgated rules, the commission
673 shall:

674 (i) provide written notice to the defaulting state and other compact states of the nature of
675 the default, the proposed means of remedying the default or any other action to be taken by the
676 commission; and

677 (ii) provide remedial training and specific technical assistance regarding the default.

678 (2) If a state in default fails to remedy the default, the defaulting state may be terminated
679 from the compact upon an affirmative vote of a majority of the compact states, and all rights,
680 privileges and benefits conferred by this compact shall be terminated on the effective date of
681 termination. A remedy of the default does not relieve the offending state of obligations or
682 liabilities incurred during the period of default.

683 (3) Termination of membership in the compact shall be imposed only after all other
684 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
685 shall be submitted by the commission to the governor, the majority and minority leaders of the
686 defaulting state's legislature, and each of the compact states.

687 (4) A compact state which has been terminated is responsible for all assessments,
688 obligations and liabilities incurred through the effective date of termination, including
689 obligations which extend beyond the effective date of termination.

690 (5) The commission shall not bear any costs incurred by the state which is found to be in
691 default or which has been terminated from the compact, unless agreed upon in writing between
692 the commission and the defaulting state.

693 (6) The defaulting state may appeal the action of the commission by petitioning the
694 United States district court for the State of Georgia or the federal district where the compact has
695 its principal offices. The prevailing member shall be awarded all costs of such litigation,
696 including reasonable attorney's fees.

697 (c) Dispute Resolution

698 (1) Upon request by a compact state, the commission shall attempt to resolve disputes
699 related to the compact which arise among compact states and between compact and non-compact
700 states.

701 (2) The commission shall promulgate a rule providing for both mediation and binding
702 dispute resolution for disputes that arise before the commission.

703 (d) Enforcement

704 (1) The commission, in the reasonable exercise of its discretion, shall enforce the
705 provisions and rules of this compact.

706 (2) By majority vote, the commission may initiate legal action in the United States
707 district court for the State of Georgia or the federal district where the compact has its principal
708 offices against a compact state in default to enforce compliance with the provisions of the
709 compact and its promulgated rules and bylaws. The relief sought may include both injunctive

710 relief and damages. In the event judicial enforcement is necessary, the prevailing member shall
711 be awarded all costs of such litigation, including reasonable attorney's fees.

712 (3) The remedies herein shall not be the exclusive remedies of the commission. The
713 commission may pursue any other remedies available under federal or state law.

714 Section 15.

715 (a) The compact shall come into effect on the date on which the compact is enacted into
716 law in the seventh compact state. The provisions which become effective at that time shall be
717 limited to the powers granted to the commission relating to assembly and the promulgation of
718 rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the
719 implementation and administration of the compact.

720 (b) Any state which joins the compact subsequent to the commission's initial adoption of
721 the rules shall be subject to the rules as they exist on the date on which the compact becomes law
722 in that state. Any rule which has been previously adopted by the commission shall have the full
723 force and effect of law on the day the compact becomes law in that state.

724 (c) Any compact state may withdraw from this compact by enacting a statute repealing
725 the same.

726 (1) A compact state's withdrawal shall not take effect until 6 months after enactment of
727 the repealing statute.

728 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's
729 psychology regulatory authority to comply with the investigative and adverse action reporting
730 requirements of this act prior to the effective date of withdrawal.

731 (d) Nothing contained in this compact shall be construed to invalidate or prevent any
732 psychology licensure agreement or other cooperative arrangement between a compact state and a
733 non-compact state which does not conflict with the provisions of this compact.

734 (e) This compact may be amended by the compact states. No amendment to this compact
735 shall become effective and binding upon any compact state until it is enacted into the law of all
736 compact states.

737 Section 16.

738 This compact shall be liberally construed so as to effectuate the purposes thereof. If this
739 compact shall be held contrary to the constitution of any state member thereto, the compact shall
740 remain in full force and effect as to the remaining compact states.

741 Section 17.

742 The compact administrator who represents the commonwealth, as provided in the
743 compact, shall not be entitled to any additional compensation for executing his duties and
744 responsibilities as compact administrator but shall be entitled to reimbursement for reasonable
745 expenses actually incurred in connection with his duties and responsibilities as compact
746 administrator in the same manner as for expenses incurred in connection with other duties and
747 responsibilities of his office or employment.

748 Section 18.

749 The executive director of the board of registration of psychologists, or the board
750 executive director's designee, shall be the administrator of the psychology interjurisdictional
751 compact for the commonwealth.

752 Section 19.

753 The board of registration of psychologists may promulgate regulations as necessary to
754 implement the provisions of this chapter.

755 Section 20.

756 The board of registration of psychologists may recover from a psychologist the costs of
757 investigation and disposition of cases resulting in any adverse disciplinary action taken against a
758 psychologist's authority to practice interjurisdictional telepsychology or temporary authorization
759 to practice. Funds collected pursuant to this section shall be deposited in the Quality in Health
760 Professions Trust Fund established pursuant to section 35X of chapter 10.

761 Section 21.

762 The board of registration of psychologists may take disciplinary action against a
763 psychologist practicing in the commonwealth under the authority to practice interjurisdictional
764 telepsychology or temporary authorization to practice under a license issued by a member state.
765 The board's disciplinary action may be based on disciplinary action against the psychologist's
766 license taken by that licensee's home state.

767 Section 22.

768 In reporting information to the coordinated licensure information system under section 11
769 of this chapter related to the Psychology Interjurisdictional Compact Act, the board of
770 registration of psychologists may disclose personally identifiable information about the
771 psychologist, including social security number.

772 Section 23.

773 This psychology interjurisdictional compact shall be subject to the applicable laws and
774 regulations of the commonwealth, including chapters 13, 30A and 112 of the general laws.
