*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Notwithstanding any other general or special law to the contrary, golf carts  
2    may be driven on the public ways of the town of Hatfield, subject to the restrictions set forth

5           SECTION 2. No person shall operate a golf cart on any public way without first  
6    registering the vehicle with the town clerk and affixing a registration decal provided by the town  
7    clerk to the rear right fender of the vehicle. The town clerk shall not register any golf cart  
8    without proof that the vehicle is insured and unless it has first passed a safety inspection  
9    administered by the chief of police or his designee. The town may charge a reasonable fee for  
10   such inspection and registration which shall be set in a bylaw.

11 SECTION 3. No person shall operate a golf cart on any public way without a valid  
12 driver's license, except that a driver with a valid learner's permit may operate a golf cart with a  
13 licensed driver sitting immediately adjacent to the permit holder.

14 SECTION 4. No person shall operate a golf cart on a public way if any component of the  
15 vehicle has been modified from the original manufacturer's equipment in such a way as to  
16 enhance its speed. Without limitation, such modifications include the removal of the governor,  
17 and/or replacing the engine and power train with a larger one.

18 SECTION 5. No person shall operate a golf cart on a public way at a speed in excess of  
19 20 miles per hour. No person shall operate a golf cart on any way where the speed limit exceeds  
20 40 miles per hour, including any state highway.

21 SECTION 6. No person shall consume alcohol while operating a golf cart on any public  
22 way and no driver or passenger shall have an open container of alcohol within the golf cart while  
23 it is being operated.

24 SECTION 7. No person shall operate a golf cart on a public way between one-half hour  
25 after sunset and one-half hour before sunrise except where the select board has given permission  
26 to exceed this restriction for special events.

27 SECTION 8. Golf carts operating on public ways must stay to the right whenever  
28 possible and not impede the regular flow of traffic.

29 SECTION 9. All drivers and passengers must wear seat belts when a golf cart is operated  
30 on a public way.

31           SECTION 10. The town of Hatfield may adopt a bylaw setting fines for violations of this  
32 act, provided that nothing herein shall prohibit any law enforcement officer from acting within  
33 the scope of his duties by enforcing any traffic law or regulation using a uniform traffic citation  
34 and applying the penalties therein.

35           SECTION 11. This act shall take effect upon its passage.
