Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any general or special law to the contrary, and

11 Battery Energy Storage Systems are needed or desirable to allow for and regulate such use
12 consistent with applicable law while protecting the Town’s ecological resources and furthering
13 its planning goals.

SECTION 2. This act shall take effect upon its passage.
