*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 23B of the General Laws is hereby amended by inserting after section 35 the  
2 following 2 sections:-

3 Section 35A. (a) As used in this section, the following words shall, unless the context  
4 otherwise requires, have the following meanings:

5 “Secretary”, the secretary of housing and livable communities.

6 “Program”, the veteran rental assistance bridge program.

7 (b) The secretary, in consultation with the secretary of veterans' services, shall establish a  
8 veteran rental assistance bridge program to assist veterans experiencing: (i) increased housing  
9 rents; (ii) living on fixed incomes, disability compensation or modest wages; (iii) long wait times  
10 for receiving approved veteran federal housing vouchers; and (iv) eviction or homelessness in  
11 the commonwealth.

12 (c) Eligibility for the program shall include veterans: (i) approved for a veteran federal  
13 housing voucher but are waiting for issuance or lease-up; (ii) at imminent risk of eviction; (iii)  
14 experiencing a sudden loss of income; and (iv) transitioning from homelessness or institutional  
15 settings.

16 (d)(1) The program shall provide assistance in addressing obstacles to maintaining or  
17 securing rental assistance for veterans and their families for housing with a household income: (i)  
18 not more than 30 per cent of area median income who are homeless and moving into subsidized  
19 or private housing or are at risk of becoming homeless; or (ii) more than 30 per cent but not more  
20 than 50 per cent of area median income who are homeless and moving into subsidized or private  
21 housing or are at risk of becoming homeless due to a significant reduction of income or increased  
22 expenses.

23 (2) The program shall be administered by the local housing authorities in the city or town,  
24 in consultation with the veteran service officer in the city or town.

25 (3) The program shall provide: (i) up to 24 months of temporary rental assistance; (ii) a  
26 security deposit for a rental property; (iii) rental coverage for the first and last month rent for the  
27 rental property; and (iv) flexible rental support to prevent eviction.

28 (e) The secretary shall coordinate with: (i) local veteran service officers; (ii) the housing  
29 court department pursuant to chapter 185C; (iii) local housing continuums of care; and (iv)  
30 emergency shelters in the commonwealth to best implement the program.

31 (f) The secretary shall establish for the program a designation to prioritize veterans who  
32 are at risk of homelessness. Upon designation of a veteran as being at risk of homelessness, the  
33 secretary shall: (i) expedite a rental assistance review of the veteran; (ii) require mandatory

34 mediation before the eviction of the veteran when possible; and (iii) rapidly refer the veteran to  
35 stabilization services.

36 (g) Qualified nonprofit organizations as defined in section 35 that have contracted with  
37 the secretary to establish veterans' supportive housing pursuant to said section 35 shall receive

42 (h) The secretary, in consultation with the secretary of veterans' services, shall prepare an  
43 annual report on the costs and outcomes of the program including a comparison of the costs of  
44 homelessness prevention to emergency shelter, hospital stays and long-term instability. The  
45 annual report shall include, but not be limited to: (i) the current status of veteran homelessness in  
46 the commonwealth; (ii) wait times for veteran federal housing voucher activation for veterans'  
47 housing; and (iii) cost savings from prevention versus emergency shelter placement. The annual  
48 report shall be submitted, not later than December 31 of each year of the program, to the  
49 governor, the lieutenant governor, the chairs of the joint committee on veterans and federal  
50 affairs and the clerks of the house of representatives and senate.

51 (i) The secretary, in consultation with the secretary of veterans' services, shall promulgate  
52 rules or regulations for the administration of the program.
