An Act promoting equity in traffic stops.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           The General Laws are hereby amended by inserting after section 20H of chapter 90 of the  
2 General Laws the following section:-

3           Section 20I.

4           (a) Evidence obtained during a traffic stop shall be inadmissible in any criminal  
5 proceeding if the evidence is unrelated to the traffic violation that was the basis for the stop,  
6 unless the officer had reasonable suspicion or probable cause to believe that the operator or  
7 passenger of the vehicle was engaged in an act that constitutes a felony or a misdemeanor prior  
8 to initiating the stop.

9           (b) In any motion to suppress evidence under this section, the burden shall be on the  
10 commonwealth to prove by a preponderance of the evidence that reasonable suspicion or  
11 probable cause of criminal activity existed prior to the initiation of the traffic stop.

12           (c) Nothing in this section shall be construed to limit the authority of law enforcement to  
13 enforce the traffic laws of the commonwealth. Law enforcement officers may issue citations,  
14 warnings, or make arrests for violations of traffic laws; provided, however, that such  
15 enforcement shall not serve as a pretext for investigating unrelated criminal activity.

16           (d) (1) Any evidence obtained in violation of this section shall be suppressed and shall  
17 not be admissible in any criminal proceeding in the courts of the commonwealth.

18           (2) Any individual subjected to a traffic stop in violation of this section may pursue all  
19 civil remedies available under state or federal law, including but not limited to claims for  
20 injunctive relief or monetary damages.
