

SENATE No. 2872

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

SENATE, December 31, 2025.

The committee on Transportation, to whom was referred the petitions (accompanied by bill, Senate, No. 2350) of Joanne M. Comerford for legislation to facilitate cost efficient transportation; (accompanied by bill, Senate, No. 2409) of Joan B. Lovely for legislation relative to permitting fees for operating multiple vehicles under a single farm plate registration; (accompanied by bill, Senate, No. 2420) of Paul W. Mark and James C. Arena-DeRosa for legislation to reduce emissions from the journey a truck takes to deliver or pick up goods; and (accompanied by bill, Senate, No. 2606) (subject to Joint Rule 12) of Edward J. Kennedy for legislation to modernize permitting for the transportation of certain loads, report the accompanying bill (Senate, No. 2872).

For the committee,
Brendan P. Crighton

SENATE No. 2872

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act facilitating cost efficient transportation.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Section 30A of chapter 85 of the General Laws is hereby amended by
2 inserting after the words “provisions of chapter ninety” the following words:- ; provided, that a
3 farmer or person involved in the harvesting of forest products as defined by the regulations of the
4 registry of motor vehicles, who is operating multiple vehicles under a single farm plate
5 registration under the provisions of MGL Chapter 90 Section 5, shall only be required to pay a
6 single fee which shall cover permits for all vehicles operating under said registration; and
7 provided further, that said fee shall be based on that vehicle operating under this registration,
8 with the greatest difference between the weight for which the permit is issued and the weight for
9 which the vehicle is registered.

10 SECTION 2: Section 30A of chapter 85 of the General Laws is hereby amended by
11 striking the words “or any motor vehicle, trailer, semi-trailer or semi-trailer unit having five or
12 more axles which with its load weighs not more than ninety-nine thousand pounds” and inserting
13 in place thereof the following:- or any motor vehicle, trailer, semi-trailer or semi-trailer unit

having five or more axles or operating in combination with a detachable trailer which with its load weighs not more than ninety-nine thousand pounds.

SECTION 3: Section 19A of chapter 90 of the General Laws is hereby amended by inserting after the words “travel without such a permit” the following words:-

; provided further, that a truck, motor vehicle, trailer, semitrailer, semitrailer unit or tandem unit in combination with a trailer weighing not more than ninety-nine thousand pounds may travel on a public way with such a permit.

SECTION 4: Section 1 of Chapter 90 of the General Laws, as so appearing in the 2022 Official Edition, is hereby amended by adding the following definitions:-

“Truck-trailer unit”, a motor unit composed of a motor vehicle designed to carry a load and having a minimum of three axles, such as a dump truck, log truck, or other truck, paired with a trailer having a minimum of two axles.

SECTION 5: Section 30A of Chapter 85 of the General Laws, as so appearing in the 2022 official edition, is hereby amended by striking the words “motor vehicle, trailer, semi-trailer or semi-trailer unit” each time it appears, and inserting in place thereof, in each instance, the words “motor vehicle, trailer, semi-trailer, semi-trailer unit, or truck-trailer unit”.

SECTION 6: Section 30A of Chapter 85 of the General Laws, as appearing in the 2022 Official Edition, is hereby amended by adding the following paragraph:-

Notwithstanding any general or special law to the contrary, the weight threshold for determination of a superload shall be those vehicles at or in excess of one hundred and ninety-nine thousand pounds gross vehicle weight. The department shall also implement an application

35 and fee schedule for expedited superload permits authorized under this section. A superload
36 permit may include conditions and terms as determined by the Administrator; provided further,
37 that allowances shall be made for escort flexibility, where practicable, and engineering studies
38 conducted not older than 12 months prior. For purposes of this section, a “superload” is defined
39 as any vehicle or combination of vehicles which exceed 14 feet in width; or 14 feet in height or
40 greater; or greater than 135 feet in length; or one hundred and ninety-nine thousand pounds or
41 greater in gross vehicle weight; or a combination of the above.
