An Act providing for recall elections for the Freetown-Lakeville regional school district.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. A member of the Freetown-Lakeville regional school committee may be
2 recalled and removed therefrom by the registered voters of the member towns as provided in this
3 act.

4 SECTION 2. Any 150 registered voters of the member towns may initiate a recall
5 petition by filing with the secretary of the school committee an affidavit containing the name of
6 the member to be recalled and a statement of the grounds for recall. The secretary shall, within
7 24 hours of receipt of the affidavit, submit the petition to the registrars of voters in the member
8 towns, and the registrars shall, within 5 working days, certify thereon the number of signatures
9 that are names of registered voters of the member towns. If the affidavit contains at least 150
10 certified signatures, the secretary shall thereupon deliver to the voters making the affidavit copies
11 of petition blanks demanding the recall, copies of which printed forms the secretary shall keep
12 available. The blanks shall be issued by the secretary and shall contain the signature and official

13 seal of the secretary. The petitions shall be dated, addressed to the regional school committee and
14 contain the names of all persons to whom they are issued, the name of the person whose recall is
15 sought, and the grounds for recall as stated in the affidavit, and they shall demand the election of
16 a successor in the office. A copy of the petition shall be entered in a record book to be kept in the
17 office of the secretary. The recall petition shall be signed by at least 10 percent of the registered
18 voters of each precinct of each member town in the regional school district, who shall add their
19 signatures and the street and number and precinct of their residences, The recall petition shall be
20 filed with the secretary within 20 days after it was issued. The secretary shall, within 24 hours of
21 receipt of the recall petition, submit the petition to the registrars of voters in the member towns,
22 and the registrars shall, within 5 working days, certify thereon the number of signatures that are
23 names of registered voters of the member towns.

24 SECTION 3. If the petition shall be found and certified by the secretary to be sufficient,
25 the secretary shall submit the same with the secretary's certificate to the regional school
26 committee within 5 working days and the regional school committee shall, within 5 working
27 days, give written notice of the receipt of the certificate to the member sought to be recalled and
28 shall, if the member does not resign within 7 days thereafter, request the board of selectmen or
29 select board of the member towns to order an election to be held on a date fixed by them not less
30 than 60 days and not more than 90 days after the date of the secretary's certificate that a
31 sufficient petition has been filed; but if any other town election is to occur within 90 days after
32 the date of the certificate, the board of selectmen or select board of the member towns shall
33 postpone the holding of the recall election to the date of the other election.

34 SECTION 4. Any member sought to be removed may be a candidate to succeed
35 themselves, and unless he or she requests otherwise in writing, the secretary shall place the

incumbent's name on the ballot without nomination. The nomination of other candidates, the publication of the warrant for the removal election and the conduct of the same, shall all be in accordance with the provisions of law relating to elections, unless otherwise provided in this act.

SECTION 5. The incumbent shall continue to perform the duties of their office until the recall election. If not recalled, he or she shall continue in office for the remainder of their unexpired term subject to recall as before, except as provided in section 7. If recalled in the recall election, the incumbent shall be deemed removed upon qualification of their successor, who shall hold office during the remainder of the unexpired term. If the successor fails to qualify within 5 days after receiving notification of their election, the incumbent shall thereupon be deemed removed and the office vacant.

SECTION 6. Ballots used in a recall election shall submit the following propositions in the order indicated:

For the recall of (name of official)

Immediately at the right of each proposition, there shall be a designated place for the voters to vote for or against the proposition(s). Under the proposition(s) shall appear the word "Candidates", the directions to the voters required by section 42 of chapter 54 of the General Laws and, beneath this, the names of candidates nominated in accordance with provisions of law relating to elections. If a majority of the votes cast upon the question of recall are in the affirmative, the candidate receiving the highest number of votes shall be declared elected. If a majority number of the votes on the question are in the negative, the ballots for candidates need not be counted.

58 SECTION 7. No person shall be subject to recall if their term of office expires within 6
59 months of the filing of the certificate. If a vacancy occurs in the office after a recall election has
60 been ordered, the election shall proceed as provided in this act. A recall petition shall not be filed
61 against a member within 90 days after such member takes office nor, in the case of a member
62 subjected to recall election and not recalled thereby, until at least 90 days after the recall election.
