An Act empowering students and schools to thrive.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 69 of the General Laws is hereby amended by striking out sections  
2   1J and 1K and inserting in place thereof the following section:-

3           Section 1J. (a) The commissioner of elementary and secondary education shall identify  
4   schools for comprehensive support and improvement using a formula developed by the  
5   department that complies with the criteria and processes in federal education law; provided that,  
6   under this formula, student growth shall be given at least as much weight as student  
7   achievement, and provided further that no more than five per cent of all schools statewide shall  
8   be designated as comprehensive support and improvement schools at one time.

9 (b) Within 30 days of a school being designated as in need of comprehensive support and  
10 improvement, the superintendent of the district shall convene a local stakeholder group of not  
11 more than 11 individuals to develop a support and improvement plan for the school. The district  
12 should strive to have the group membership represent the racial-ethnic and language diversity of  
13 the school. The group shall include: (1) the superintendent, or a designee; (2) a representative  
14 from the school committee selected by a majority of school committee members; (3) the  
15 president of the local teachers union, or a designee; (4) an administrator from the school, who  
16 may be the principal, chosen by the superintendent; (5) two educators (who could be teachers or  
17 education support professionals) from the school, chosen by the school's educators; (6) a parent  
18 from the school, chosen by the local parent organization, provided that if the school or district  
19 does not have a parent organization or if the organization does not select a parent, the  
20 superintendent shall select a volunteer parent of a student from the school; (7) for high schools, a  
21 student selected by the students at the school, and for other schools, an individual selected by the  
22 superintendent who brings the appropriate grade-level perspective to the group (e.g., a  
23 representative from the early childhood or pre-kindergarten sector for an elementary school); (8)  
24 an educator or representative from the social services sector with expertise in students' mental  
25 health and social-emotional development, selected jointly by the group; (9) a member  
26 representing a community organization, selected jointly by the group; and 10) an individual who  
27 has specialized expertise in one or more of the evidence-based programs listed in subsection (c),  
28 selected jointly by the group.

29 (c) The local stakeholder group shall develop a support and improvement plan for the  
30 school, consistent with federal and state law, a final draft of which shall be submitted to the  
31 school committee within 45 days of its first meeting. Consistent with guidelines developed by

32 the department, the group shall: (i) research, identify and analyze the root causes of the school’s  
33 challenges; (ii) examine the adequacy of resources and equity in the distribution of those  
34 resources, including an assessment of the physical condition of the school building; and (iii)  
35 identify and catalog the school’s strengths and assets. The final draft plan submitted to the school  
36 committee shall include a guiding vision of learning for the school; goals and objectives; and a  
37 description of the evidence-based programs, supports and interventions that the district shall  
38 employ to address the root causes of the school’s challenges and capitalize on assets consistent  
39 with the guiding vision. Such evidence-based programs, supports and interventions may include:  
40 (1) reduced class sizes and student caseloads; (2) small-group instruction and/or one-on-one  
41 tutoring; (3) increased opportunity for common planning time for teachers; (4) implementation of  
42 a “Community Schools” or “Hub School” model or other strategies for expanding social and  
43 wraparound services to support students’ social-emotional and physical health; (5) additional  
44 hiring, increased compensation, and/or strategic deployment of school personnel (e.g, coteaching  
45 to facilitate inclusion) to support student learning and to retain highly qualified staff; (6)  
46 increased or improved professional development, which may include mentoring and induction  
47 programs for new teachers, as well as training in trauma-informed and anti-racist best practices  
48 that are designed to limit school exclusion and maximize student engagement; (7) the use of  
49 effective curriculum materials that are culturally responsive and aligned with the statewide  
50 curriculum frameworks; (8) expanded early education and pre-kindergarten programming within  
51 the district in consultation or in partnership with community-based organizations; (9)  
52 diversifying the educator and administrator workforce; (10) developing additional pathways to  
53 strengthen college and career readiness; and (11) any other program determined to be evidence  
54 based by the group that addresses root causes of challenges identified in its analysis.

55 (d) The local stakeholder group shall make every effort to reach consensus on the final  
56 draft plan and shall submit it to the school committee for review and approval. If consensus  
57 cannot be reached, a majority of the group shall submit its final draft plan to the school  
58 committee for review and approval. Dissenting members of the group may submit an alternative  
59 final draft plan to the school committee for consideration, clearly indicating the areas of dissent.  
60 Upon receipt of the final draft plan or plans, the school committee shall hold at least one public  
61 hearing, giving at least 30 days' public notice. The school committee may make modifications to  
62 the final draft plan as necessary, consistent with federal and state law, and shall vote on the final  
63 draft plan within 30 days of the hearing. The final plan shall be shared publicly and filed with the  
64 commissioner. After confirming that the requirements of subsections (b) through (d) were  
65 complied with, the commissioner shall approve the final plan.

66 (e) The department shall prioritize comprehensive support and improvement schools for  
67 additional funding above and beyond chapter 70 allocations to support the evidence-based  
68 programs identified in the final approved plan. Before the local stakeholder group commences its  
69 work, the department shall provide the group with an estimate of future Chapter 70 aid for the  
70 district and available funds in excess of Chapter 70 aid for the school that shall support the final  
71 approved plan.

72 (f) The support and improvement plan shall be in effect for not more than four years and  
73 shall be reviewed annually by the superintendent pursuant to guidelines developed by the  
74 department. Such progress reviews shall be shared publicly and filed with the commissioner,  
75 who may comment on the reviews.

76 (g) The department shall establish exit criteria for schools in need of comprehensive  
77 support and improvement using a formula that complies with federal education law. Upon  
78 expiration of the final approved plan, the commissioner shall review the school's progress and  
79 determine, based solely on the exit criteria established by the department, whether: (1) the school  
80 is exited from comprehensive support and improvement status; or (2) the status and plan shall  
81 continue for up to four additional years. If the commissioner determines that the status and plan  
82 shall continue, the local stakeholder group shall be reconvened to revise the final approved plan,  
83 consistent with subsections (b) through (d) and subject to approval by the commissioner. If not  
84 approved, the commissioner shall return the plan to the group with a directive to add specific  
85 evidence-based programs, supports and interventions listed in (1) through (10) of subsection (c).  
86 Within 30 days, the group shall submit the plan to the school committee for review and approval.

87 Within 30 days of receipt of the plan from the group, the school committee shall submit  
88 the final plan to the commissioner.

89 (h) Upon the expiration of any continued or revised plan, the process in subsection (g)  
90 shall be replicated.

91 (i) The school committee of any district with schools which have been deemed  
92 underperforming or chronically underperforming shall develop a transition plan for transition to  
93 the current section 1J of this act which shall be implemented with transition to the current section  
94 within 1 year of the effective date of this act. The transition plan shall be implemented and any  
95 school receivership shall end within 1 year of the effective date of this Act. The department shall  
96 provide the school committee with the necessary funding and technical assistance to develop and  
97 implement the transition plan.

98 (j) The board shall adopt regulations to implement this section, including provisions that  
99 allow features of a support and improvement plan to continue for up to two years after a school is  
100 exited from comprehensive support and improvement status. The department shall also make  
101 every effort to continue additional funding during any transitional period.

102 SECTION 2. The school committee of any district in receivership shall develop a  
103 transition plan for ending the receivership and hiring a superintendent. The transition plan shall  
104 be implemented and the receivership shall end within 1 year of the effective date of this Act. The  
105 department shall provide the school committee with the necessary funding and technical  
106 assistance to develop and implement the transition plan.

107 SECTION 3. (a) There shall be a special commission to study and make  
108 recommendations for a more authentic and accurate system for assessing students, schools and  
109 school districts. The commission shall examine: (i) the requirements of the Every Student  
110 Succeeds Act of 2015, codified at 20 U.S.C. § 6301 et. seq., and potential waivers; (ii)  
111 alternative assessment and accountability systems in place or being considered nationwide; and  
112 research data on the knowledge and skills that parents, elementary and secondary educators,  
113 higher education educators, and business leaders want students to have upon high school  
114 graduation.

115 Regarding the assessment of students, the special commission shall consider assessments  
116 other than conventional methods, including, but not limited to: work samples, projects and  
117 portfolios, performance assessments and other authentic and direct gauges of student  
118 performance that encourage effective instruction, use strategies for avoiding racial and ethnic  
119 biases, and recognize the strengths of all students.

120           Regarding the assessment of schools and districts, the special commission shall consider  
121 the inclusion of a broader range of measures, beyond standardized test scores, that align with  
122 public values and are less tied to student demography. The commission shall also research best  
123 practices for facilitating stakeholder-driven improvement processes in schools identified under  
124 federal law as needing comprehensive support, such as the creation of community schools. The  
125 commission shall recommend strategies for assessing students, schools and districts that comply  
126 with current federal law. The commission also may make recommendations for changes in or  
127 waivers from federal law that would facilitate the implementation of effective assessment  
128 strategies.

129           (b) The commission shall consist of: 1 member who shall be appointed by the president  
130 of the senate, who shall serve as co-chair; 1 member who shall be appointed by the speaker of  
131 the house of representatives, who shall serve as co-chair; 1 member who shall be appointed by  
132 the minority leader of the senate; 1 member who shall be appointed by the minority leader of the  
133 house of representatives; the secretary of education, or a designee; the commissioner of  
134 elementary and secondary education, or a designee; 1 member who shall be appointed by the  
135 Massachusetts Association of School Committees, Inc.; 1 member who shall be appointed by the  
136 Massachusetts Teachers Association; 1 member who shall be appointed by the American  
137 Federation of Teachers, Massachusetts; 1 member who shall be appointed by the Massachusetts  
138 Association of School Superintendents, Inc.; 1 member who shall be appointed by the  
139 Massachusetts Education Justice Alliance (MEJA); 1 member who shall be appointed by the  
140 NAACP; 1 member who shall be appointed by the Massachusetts Immigrant and Refugee  
141 Advocacy (MIRA) Coalition; 1 member who shall be appointed by Multicultural Education,  
142 Training, and Advocacy, Inc; 1 member who shall be appointed by the Massachusetts

143 Consortium for Innovative Education Assessment; 1 member who shall be appointed by the  
144 Black Educators Alliance of Massachusetts; 1 member who shall be appointed by the  
145 Massachusetts Asian American Educators Association; 1 member who shall be appointed by the  
146 Gaston Institute for Latino Community Development and Public Policy of the University of  
147 Massachusetts Boston; 1 member who shall be appointed by the Massachusetts Advocates for  
148 Children; 1 member who shall be appointed by the Center for Law and Education; 1 member  
149 who shall be appointed by the Center for Antiracist Research at Boston University; 1 of whom  
150 shall be the student representative on the State Board of Education, or a designee; 1 of whom  
151 shall be the parent representative on the State Board of Education, or a designee; 1 member who  
152 shall be appointed by the Rural Policy Advisory Commission; 1 member who shall be appointed  
153 by GLSEN Massachusetts; and 1 member who shall be a researcher from a public university  
154 with expertise in the area of assessment, selected jointly by the members of the commission.

155           Members shall not receive compensation for their services but may receive  
156 reimbursement for reasonable expenses incurred in carrying out their responsibilities as members  
157 of the commission. The commissioner of elementary and secondary education shall furnish  
158 reasonable staff and other support for the work of the commission.

159           (c) The commission shall hold not less than 5 public meetings across the regions of the  
160 commonwealth and may hold additional hearings and other forums as necessary. The  
161 commission shall file its report and recommendations with the clerks of the senate and the house  
162 of representatives, the chairs of the joint committee on education and the rural policy advisory  
163 commission not later than August 31, 2025.

164 SECTION 4. Section 89 of chapter 71 of the General Laws is hereby amended by striking  
165 out subsection (i) (3), as appearing in the 2022 Official Edition, and by further striking out  
166 subsection (i) (2) and inserting in place thereof the following section:

167 (2) In any fiscal year, no public school district's total charter school tuition payment to  
168 commonwealth charter schools shall exceed 9 per cent of the district's net school spending. The  
169 commonwealth shall incur charter school tuition payments for siblings attending commonwealth  
170 charter schools to the extent that their attendance would otherwise cause the school district's  
171 charter school tuition payments to exceed 9 per cent of the school district's net school spending.
